**Rabbits** Susan Lumpkin,John Seidensticker,2011-02-01 Did you know that there are more than 90 species of rabbits hares and pikas rabbits little known cousins And that new species are still being found Or that baby rabbits nurse from their mothers only once a day How about that some people brew medicinal tea from rabbit pellets Wildlife conservationists Susan Lumpkin and John Seidensticker have all the answers from the mundane to the unbelievable about the world's leaping lagomorphs To some rabbits are simply a docile pet for the classroom or home To others they are the cute animals munching on clover or the pests plaguing vegetable gardens Whatever your interest in Rabbits The Animal Answer Guide you will discover that they are a more complex group than you might have first imagined Lumpkin and Seidensticker take these floppy eared creatures out of the cabbage patch and into the wild answering 95 frequently asked questions about these familiar and fascinating animals With informative photographs and an accessible format Rabbits The Animal Answer Guide is the one resource you will need to learn about rabbits anatomy and physiology evolutionary history ecology behavior and their relationships with humans Lumpkin and Seidensticker also talk about conservation because while rabbits may breed like well rabbits several species are among the most endangered animals on Earth

*The World of Peter Rabbit & His Friends: 14 Children's Books with 450+ Original Illustrations by the Author* Beatrix Potter,2024-01-12 In The World of Peter Rabbit His Friends Beatrix Potter presents a delightful anthology of fourteen beloved children's tales enriched by over 450 original illustrations The collection encapsulates Potter's signature blend of whimsical storytelling and intricate watercolor depictions immersing readers in the pastoral charm of the English countryside Each story features anthropomorphic animal characters particularly the mischievous Peter Rabbit and is imbued with moral lessons that resonate with both children and adults This compilation not only celebrates Potter's literary genius but also serves as a cultural artifact reflecting the Victorian era's appreciation for nature and the formative principles of childhood exploration and learning Beatrix Potter 1866-1943 was an English author and illustrator whose intimate relationship with the natural world fueled her literary creativity Growing up in the secluded Lake District her early experiences with animals and the countryside deeply influenced her storytelling style and artistic sensibilities Potter's dedication to conservation and her pioneering spirit as a female author in a male dominated

literary world shaped the charming narratives and vibrant illustrations that have since cemented her status as a celebrated figure in children's literature I highly recommend this enchanting collection to readers of all ages who wish to revisit the magic of childhood or introduce young ones to classic literature The World of Peter Rabbit His Friends not only showcases the timelessness of Potter's work but also provides a gateway to appreciating the beauty of nature and the adventures that await within it
