JC for Girls Bodhan is a truly classy compilation that covers a wide range of themes guided by their talented teacher Mrs P Rajani PGT of English at Yedapally Bodhan. On reading a few tales in this effective anthology it felt aptly titled as Alliterative Adventures. As someone familiar with Mrs P Rajani's work I know a little about her love for alliteration which means the use of the same letter or sound at the beginning of words that are close together. Through this anthology it is eloquently evident that her students' offsprings of her love for alliteration have amazingly replicated her love in a playful yet erudite way. During the read of this book one can sense the passion, hard work, enthusiasm and appetite of the master writers to absorb brand new vocabulary with the help of thesaurus as expressed by Mrs P Rajani and exhibit it in their tales to obtain mastery over the language. Their unsung interest and efforts over time are discernible through the appealing alliterative adverbs and adjectives. Apart from the figure of speech alliteration I have observed varied themes that project positive values such as affection, generosity, togetherness, friendship, humanity and the importance of success to shine in life. This book serves a great purpose for students and teachers of the English language being a source of inspiration for the enrichment of diction. It is efficacious for aspiring writers exhausted with monotonous vocabulary. I cannot help but appreciate Mrs P Rajani who is undoubtedly one of the best poets of this generation, an exceptional teacher with outstanding teaching methods and an extraordinary orator for bringing out this alluring alliterative anthology. I hope many more like this will be penned and published by her in the future. Lastly I am wholeheartedly grateful to Mrs P Rajani for approaching me to share my opinion on this beautifully garnished Alliterative Anthology.
