

Rabelais *and His World*

MIKHAIL BAKHTIN

Translated by Hélène Iswolsky

Rabelais And Bakhtin

Samuel Kinser

Rabelais And Bakhtin:

Rabelais and His World Mikhail Mikhaïlovich Bakhtin, 1984 This classic work by the Russian philosopher and literary theorist Mikhail Bakhtin 1895 1975 examines popular humor and folk culture in the Middle Ages and the Renaissance One of the essential texts of a theorist who is rapidly becoming a major reference in contemporary thought **Rabelais and His World** is essential reading for anyone interested in problems of language and text and in cultural interpretation **Rabelais and Bakhtin** Richard M. Berrong, 2006-03-01 In **Rabelais and Bakhtin** Richard M Berrong demonstrates both the historical and textual weaknesses of the argument advanced by Mikhail Bakhtin and his influential study **Rabelais and His World** The publication of Bakhtin's book in the West in the late 1960s brought both Rabelais and Bakhtin to the attention of students interested in the New Criticism in literature Bakhtin argued that the key to Rabelais's narratives was to be found in their language of popular culture which was intended to free his readers from the ideological prison house of official establishment discourse to provide them with a nonofficial perspective from which to view and combat the establishment and its institutions Since the publication of Bakhtin's study scholars such as Peter Burke Natalie Zemon Davis and Carlo Ginzburg have shown that the relationship of the upper classes to popular culture changed in the first half of the sixteenth century Previously these classes had participated fully in the culture of the people while adhering to their own but at that time they undertook to exclude popular culture from their lives and from their world In his refutation of Bakhtin's thesis Berrong demonstrates the complex and shifting role of popular culture in Rabelais's narratives His conclusions should interest not only readers of *Gargantua and Pantagruel* but all students of the sixteenth century since the use and exclusion of popular culture is an issue in the study of many of the writers artists and composers of the period **Rabelais and His World, a new translation** Mikhail Bakhtin, 2025-10-14 A new and improved translation of Mikhail Bakhtin's classic and celebrated study of carnival Mikhail Bakhtin's classic study of carnival laughter the grotesque and medieval and renaissance folk culture has been the inspiration for countless new ideas in the humanities in literature and the arts and throughout human culture over the last half century **Rabelais and His World** is a study devoted to French Renaissance writer François Rabelais author of *Gargantua and Pantagruel* Rabelais Bakhtin argues can only be properly understood against the backdrop of a millennia old tradition of festivity and laughter a tradition that included the Roman Saturnalia medieval carnivals and feasts of fools and Greek satyr plays and symposia from antiquity as well as countless medieval works belonging to various smaller genres circus shows foul language and gesture and much more Bakhtin claims this tradition is united by the imagery it uses and the worldview it expresses Its imagery is ambivalent It effaces the boundaries between bodies connects in one image birth with death praise with invective Its worldview is optimistic defeating all fears and all official seriousness with laughter The book's new translation is informed by recent scholarship on Bakhtin and contains the most extensive scholarly apparatus this book has received to date ***Rabelais and His World*** Mikhail Mikhaïlovich Bakhtin, 2025 Bakhtin's most famous book a classic in

Renaissance studies literary studies and cultural history in it he develops his concepts of the carnival the grotesque and outlines a history of laughter Rabelais and His World Mikhail Bakhtin,1971-06 Shakespeare, Rabelais, and the Comical-historical Cathleen T. McLoughlin,2000 This intertextual reading of William Shakespeare s Henry IV Part I II with Fran ois Rabelais s Gargantua and Pantagruel suggests that sufficient evidence exists to question the widespread denial of any knowledge of Rabelais on the part of Shakespeare In each work a prince participates in a process of education in preparation to succeed his father Each prince shares adventures with an unconventional comic companion History and comedy form a hybrid genre the Comical Historical Foundational chapters discuss the works of two other writers of hybridized genres Lucian and Erasmus as well as several visual artifacts of the time period The figure of Socrates in a variety of guises appears in the work of the four writers Shakespeare this study suggests extends the tradition established for the renaissance by Erasmus and augmented by Rabelais **Bakhtin : Carnival and Other Subjects** David G. Shepherd,1993

Bakhtin and Cultural Theory Ken Hirschkop,David Shepherd,2001 This wide ranging treatment of Bakhtin s cultural and literary theory tests compares and explores his work in relation to colonialism feminism reception theory and theories of the body Many of the essays in the first edition have become standard reference points in cultural debate This revised second edition takes advantage of the wealth of new Bakhtin material which became available after perestroika New articles make use of previously unacknowledged sources of Bakhtin s theory of dialogue they also vividly recount the dramatic events surrounding his thesis on Rabelais and interrogate his famous distinction between poetry and the novel The Dialogic Imagination M. M. Bakhtin,2010-03-01 These essays reveal Mikhail Bakhtin 1895 1975 known in the West largely through his studies of Rabelais and Dostoevsky as a philosopher of language a cultural historian and a major theoretician of the novel The Dialogic Imagination presents in superb English translation four selections from Voprosy literatury i estetiki Problems of literature and esthetics published in Moscow in 1975 The volume also contains a lengthy introduction to Bakhtin and his thought and a glossary of terminology Bakhtin uses the category novel in a highly idiosyncratic way claiming for it vastly larger territory than has been traditionally accepted For him the novel is not so much a genre as it is a force of newness which he discusses in From the Prehistory of Novelistic Discourse Two essays Epic and Novel and Forms of Time and of the Chronotope in the Novel deal with literary history in Bakhtin s own unorthodox way In the final essay he discusses literature and language in general which he sees as stratified constantly changing systems of subgenres dialects and fragmented languages in battle with one another **Rabelais Carnival** Sam Kinser,1990-01-01 Kinser proposes a very persuasive post Bakhtinian approach to Rabelais s novel and its relation to the carnival His new historical epistemology emphasizing as it does the genetic function of an archival metatext is compatible with a sophisticated semiotic analysis of the Rabelaisian text This is a timely erudite and subtle book which bases its theoretical arguments on solid documentary and textual evidence Michel Beaujour New York University Unmasking Bakhtin Cristian Bota,Jean-Paul Bronckart,Ian Mackenzie,2019-01-01

The presumed author of books on Dostoevsky and Rabelais Mikhail Bakhtin was elevated to the rank of the greatest theoretician of literature in the twentieth century by a two pronged process the publication of a number of his old manuscripts and the assertion that he was also the true author of most of the texts published in the 1920s under the names of his friends P N Medvedev and V N Voloshinov who both died at an early age Even though the theory of authorial substitution rests entirely on the declarations of Bakhtin this dual process gave birth to the Bakhtin Industry involving the elaboration of extremely creative hypotheses as to how exactly the works signed by his friends were written and numerous studies aiming to demonstrate the unity and coherence of the Bakhtinian corpus But at the end of the 20th century the publication of archival texts and interviews with Bakhtin revealed that he had lied about his biography and about his participation in the writing of the disputed texts Further research showed that the supposed dates of his early manuscripts had been falsified and that many of these writings consist largely of plagiarism Jean Paul Bronckart and Cristian Bota s conclusions lead us to investigate the motivations behind Bakhtin s usurpation of other people s work as well as the true origin of the various texts that appeared under his name They also call for reflection as to why belief in the existence of a single and homogeneous Bakhtinian corpus persists among many literary scholars alongside their continued celebration of its author s many sided genius

Bakhtin and cultural theory Ken Hirschkop, David Shepherd, 2024-06-04 An important collection of essays which treats Bakhtin as a provocative theorist whose work must be tested explored and compared with the work of others Contributors assess Bakhtin s contribution to difficult issues of colonialism feminism reception theory and theories of the body amongst others New articles explore the origins previously unacknowledged of Bakhtin s theory of language and provide a vivid account of the dramatic scandal surrounding Bakhtin s thesis on Rabelais Contains dramatic new material drawn from post perestroika sources which demythologizes the image of this important writer A new bibliographical essay and introduction bring the English language reader up to date with the progress of Bakhtin studies in Russia

Rabelais and His World, By Mikhail Bakhtin. Translated by Helene Iswolsky Mikhail Bakhtin, 1968 *Rabelais De-popularised?* John Parkin, 1987 *Mikhail Bakhtin* Katerina Clark, Michael Holquist, 1984 Traces the life of Bakhtin a Russian literary critic recently rediscovered and discusses his major works on Freud Dostoevsky Rabelais Marxism and the philosophy of language *Bakhtinian Thought* Simon Dentith, 2003-09-02 First published in 1994 Mikhail Bakhtin and the writers associated with him have come to be recognised as writers of trail blazing importance Working in the extraordinarily difficult conditions of Stalinist Russia they nevertheless produced a body of writing in literary theory linguistics the history of the novel philosophy and what Bakhtin called philosophical anthropology which continues to inspire and challenge people working in a number of different areas Above all Bakhtin insists on locating all utterances whether spoken or literary between the participants in a dialogue and thus involves them in considerations of power and authority This introduction and reader serves a double function In the first place Simon Dentith provides a lucid and approachable introduction of the work

of Bakhtin and his circle taking the reader helpfully through the many areas of their thought and indicating the points of controversy difficulty and excitement This introductory section culminates in a discussion of the particular emphases lent by Bakhtin to current debates in literary theory The other feature of the book is the anthology of writing by Bakhtin Voloshinov and Medvedev drawn from all the major areas of their work This provides an especially helpful reader for a body of work otherwise published in disparate and relatively inaccessible forms Special emphasis has been given to the still unsurpassed linguistic thought of Voloshinov and the practical analyses of the novel found in Bakhtin's writing on Dostoevsky and Dickens This book will be especially interesting to readers new to the work of Bakhtin and his circle The combination of an introduction and an anthology will allow such readers a context for their reading of Bakhtin an indication of his importance for contemporary debates in literature language and social history and the opportunity to engage directly with the writings of this important and indeed for the student of literary theory essential writer

The Annotated Bakhtin Bibliography Carol Adlam, David G. Shepherd, 2000 This is the first in a new series entitled MHRA Bibliographies The Annotated Bakhtin Bibliography draws its material from and is intended as a companion to the on line Analytical Database of Work by and about the Bakhtin Circle maintained by the Bakhtin Centre at the University of Sheffield this is the most extensive electronic collection of bibliographical and analytical data relating to the Russian philosopher and cultural theorist Mikhail Bakhtin and the members of the Bakhtin Circle principally Mariia Iudina Matvei Kagan Pavel Medvedev Lev Pumpianskii Ivan Sollertinskii and Valentin Voloshinov The work of Bakhtin and the Bakhtin Circle has had enormous international impact across a range of disciplines including literary and cultural theory philosophy history anthropology linguistics and psychology The Annotated Bakhtin Bibliography will provide scholars and students of Bakhtin with easy access to detailed information on research undertaken throughout the world in these and other fields The text of The Annotated Bakhtin Bibliography is in two parts The first part comprises extensive bibliographical details of almost three hundred primary works including information about translations and reprints The second consists of almost one thousand entries containing analytical and annotated information about secondary literature dealing with Bakhtin and the Bakhtin Circle in over twenty languages allowing the principal trends in the development of Bakhtin studies to be discerned and traced Consultation of the bibliography is facilitated by comprehensive name title and subject indexes

Rabelais's Carnival Samuel Kinser, 2024-03-29 How is it possible after four centuries that a major episode in Rabelais's novels remains systematically misread The episode which playfully and grotesquely treats the relation of Carnival to Lent occurs in Rabelais's Fourth Book his last and most artfully crafted novel Samuel Kinser argues that the text has been distorted because critics have not attended to the episode's performative as well as literary contexts overlooking the innovative use Rabelais made in his work of his immediate world In this original interpretation of the Fourth Book Kinser evokes the gestures games and visual oral bodily semantics of Carnival and Lent as they were performed in Rabelais's day He also underscores the importance to Rabelais of the invention of printing an

innovation which revolutionized the relationships of author and reader Understanding this and fearing it Rabelais adopted an extraordinary set of disguises as an author disguises which in their bewildering interplay constitute the truest sense of his carnival This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 **Rabelais's Contempt for Fortune** Timothy Haglund, 2018-11-19 Francois Rabelais wrote Gargantua and Pantagruel at the height of the Renaissance when top caliber thinkers aimed to unite the best of freshly rediscovered ancient Greco Roman theory and practice and transform politics Through his work Rabelais offers his unique understanding of ancient philosophy and political thought This book considers the role of fortune as the key to understanding Rabelais much in the manner of contemporaries such as Machiavelli The two could not be more different however Throughout his writings Rabelais attempts to restore respect for the goddess Fortuna through a cheerful restatement of the case for the sober classical attitude toward future things As Rabelais s headstrong character Panurge seeks counsel regarding his marriage prospects various authorities repeatedly warn him that cuckoldry and spousal abuse await Panurge looks foolhardy during these admonitions Far from affirming Machiavelli s instruction given in chapter 25 of The Prince to beat fortune like a woman Rabelais dramatizes Panurge learning that his future femme may beat him Through this dramatization Panurge begins to hear the merits of viewing fortune as an intractable part of life that must be shouldered with the proper inner disposition rather than as an object susceptible of human conquest *Mikhail Bakhtin* Graham Pechey, 2007-04-11 Presenting a commentary on Bakhtin s texts this book focuses on the influence of Eastern Orthodox Christianity upon his thinking and Bakhtin s use of literary criticism and hermeneutics as ways of doing philosophy by other means
