Rabin Our Life His Legacy:

Rabin Lea Rabin, 1997 Beginning with the brutal murder of her husband before her eyes Leah Rabin recounts in clear sighted detail the events of her forty eight years with Rabin from their dramatic courtship during service in the Palmach the elite strike force of the underground Jewish army to their marriage during the 1948 War of Independence from his ascent as a brilliant military tactician and his role as chief of staff of Israel's armed forces during the breathtaking victories of the 1967 Six Day War to his entry into political life first as Israeli ambassador to the United States then as cabinet minister to Golda Meir after the Yom Kippur War and later as Israel's sixth and then youngest prime minister in 1974 **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved **The Alster Files** Joseph Alster, 2001

The Middle East and South Asia 2020-2022 Elisabeth Yarbakhsh, 2021-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments **The Brink of Peace** Itamar Rabinovich, 2009-07-01 A major casualty of the assassin's bullet that struck down Israeli Prime Minister Yitzhak Rabin was a prospective peace accord between Syria and Israel For the first time a negotiator who had unique access to Rabin as well as detailed knowledge of Syrian history and politics tells the inside story of the failed negotiations His account provides a key to understanding not only U S diplomacy in the Middle East but also the larger Arab Israeli peace process During the period from 1992 to 1996 Itamar Rabinovich was Israel's ambassador to Washington and the chief negotiator with Syria In this book he looks back at the course of negotiations terms of which were known to a surprisingly small group of American Israeli and Syrian officials After Benjamin Netanyahu's election as Israel's prime minister in May 1996 a controversy developed Even with Netanyahu's change of policy and harder line toward Damascus Syria began claiming that both Rabin and his successor Peres had pledged full withdrawal from the Golan Heights Rabinovich takes the reader through the maze of diplomatic subtleties to explain the differences between hypothetical discussion and actual commitment To the students of past history and contemporary politics he writes nothing is more beguiling than the myriad threads that run across the invisible line

which separates the two The threads of this story include details of Rabin's negotiations and their impact through two subsequent Israeli administrations in less than a year the American and Egyptian roles and the ongoing debate between Syria and Israel on the factual and legal bases for resuming talks The author portrays all sides and participants with remarkable flair and empathy as only a privileged player in the events could do In any assessment of future negotiations in the Middle East Itamar Rabinovich's book will prove indispensable To Kill a Country Pamela J. Leadership in Nigeria Dr. Onyema G. Nkwocha, 2012-01-04 **Effective Leadership In Nigeria Practical Ways To Build an Effective Inspiring Transformational and Visionary Leadership and Governance in Nigeria** is mostly based on the current apathetic and virtual lack of effective and visionary leadership situation in contemporary Nigeria and distills the golden gems principles processes procedures and practical applications inherent in effective inspiring visionary and enthusiastic leadership It attempts at instituting building and encouraging good effective and visionary leadership in the nation and that is currently virtually lacking From the outset the author makes it clear that this writing is not designed to model or fit any known leadership paradigm theory or management style Rather based on relevant research on leadership as it impacts the Nigerian situation the book attempts to explore what it takes for there to be an effective and good leadership to successfully lead and change Nigeria for the better The book is written and organized in a way that reflects and captures the contemporary experiences frustrations psychological emotions aspirations and hopes of every Nigerian and perhaps of promising politicians and future leaders who are honestly touched by the virtual vacuum of real and effective leadership in the country their concerns questions dreams and the expectations that have virtually gone unmet in the past more than half a century Properly elucidating what leadership means and differentiating it from rulership this book couldn't have come at a better time to assist Nigeria's leadership struggles A masterpiece Dr Nkwocha has taken the current apathetic leadership lull and almost leadership void in the nation and set the leadership principles and processes on the cutting edge The book is a definitive guide to anyone aspiring to the leadership of Nigeria and is therefore in search of meaningful leadership its principles processes and pragmatic applications The book is a must read **Shifting Lines, Entangled Borderlands** Jan Musekamp, 2024-03-05 Tracing multiple mobilities entangled borderlands microhistory and space and human and nonhuman actors Jan Musekamp demonstrates how an inner Prussian railroad line turned into a transnational force overcoming borders and connecting Europeans in a time of rising nationalism **Shifting Lines Entangled Borderlands** investigates the dichotomy between a globalizing world and tighter border control in nineteenth century Central and Eastern Europe focusing on the Royal Prussian Eastern Railroad Ostbahn between the 1830s and 1930s The line was initially planned as a major internal modernizing project to connect Prussia's capital of Berlin to East Prussia's provincial capital of Königsberg today's Kaliningrad Soon the Ostbahn connected to the growing Imperial Russian railroad network thus becoming a backbone of European East West transportation in trade tourism technological exchange and migration The First World War temporarily

disrupted and reconfigured existing networks adapting them to new political regimes and borders However World War II and its aftermath altered mobility patterns more permanently dividing not only the Ostbahn tracks but the whole continent for decades to come From border towns and major cities to unique structures such as stations or bridges this volume analyzes the obvious and not so obvious nodes of the Central and Eastern European rail network and the spaces in between **When Peace Fails** Thomas G. Rooney,1997-12 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors R *The Political Psychology of Israeli Prime Ministers* Yael S. Aronoff,2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country s foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place *Matrix for Assassination* Richard Gilbride,2009-10-26 A phantom haunts Americathe ghost of Dealey Plaza where President John F Kennedy was shot on November 22 1963 In Matrix for Assassination author Richard Gilbride a schoolboy in 1963 who became fascinated with the facts condenses much of the research conducted in recent years after a mountain of new data became available from classified files with the passing of the John F Kennedy Assassination Records Collection Act of 1992 Matrix for Assassination names the names It offers simple and defensible solutions to many of the crimes lasting enigmas Who were the shooters Who forced Ruby to kill Oswald Who orchestrated Kennedys autopsy cover up What actually happened in the book depository Were the Dallas police in on the plot The Pentagon LBJ The CIA Thoroughly referenced with 300 accompanying photographs Matrix for Assassination is bookended by two events which draw it through the tabloids and into the X Files Marilyn Monroe s strange death and JFKs clash with an above top secret UFO cabal Her murder was a prelude to Dallas at the heart of the military industrial complex dwelt a sinister darkness that originated in Nazi Germany Israeli Politics and the Middle East Peace Process, 1988-2002 Hassan A. Barari,2004-07-31 The book is a fresh interpretation of Israeli foreign policy vis vis the

peace process one that deems domestic political factors as the key to explain the shift within Israel from war to peace The main assumption is that peacemaking that entails territorial compromise is an issue that can only be completely comprehended by understanding the interaction of domestic factors such as inter party politics ideology personality and the politics of coalition Although the bulk of the book focuses on how internal inputs informed the peace process the book takes into account the external factors and how they impacted on the internal constellation of political forces in Israel

Six Days Jeremy Bowen, 2013-12-03 A fast paced hour by hour narrative of the 1967 war the most gripping military tale since the fall of France in the Second World War Daily Telegraph The ongoing tensions between Israel and Palestine are a complex and bloody legacy all stemming from six days of

war in 1967 In this rigorous and original piece of modern history Jeremy Bowen not only sheds new light on one of the key conflicts of the twentieth century but also explains much about the Middle East and the problems it faces today After the state of Israel emerged from war in 1948 both sides knew more battles were coming In June of 1967 years of slow burning tension exploded In six extraordinary days Israel destroyed the armed forces of Egypt Jordan and Syria But far from bringing peace their stunning victory turned into a curse From the initial battle order issued to the Israeli air force on June 5 1967 to the final ceasefire on the evening of Saturday the 10th the Six Day War was a riveting human drama Building on original research and his own experience as a Middle East Correspondent Bowen presents a compelling new history of the conflict Interweaving testimonies of combatants from all sides Six Days vividly recreates the bullying and brinksmanship that led four nations to war **World Affairs Journal** ,1996
