Quayum, 2020-01-29 This book is a fresh examination of Rabindranath Tagore's ideas on nationalism and his rhetoric of cosmopolitanism It critically analyses the poetics and the politics of his works and specifically responds to Tagore's three lectures on nationalism delivered during the early years of the twentieth century and later compiled in his book *Nationalism* 1917 This volume Discusses Tagore's perception of nationalism the many sidedness of his engagement with nationalism the root causes of his anathema against the ideology ambiguities and limitations associated with his perception and his alternative vision of cosmopolitanism or global unity Cross examines an alternative view of cosmopolitanism based on Tagore's inclusivist ideology to seek my compatriots all over the world Explores how his ideas on nationalism and cosmopolitanism found myriad expressions across his works in prose fiction poetry travelogue songs as well as in the legacy of cinematic adaptations of his writings Investigates the relevance of Tagore's thoughts on nationalism and cosmopolitanism in relation to the contemporary rise of religious nationalist and sectarian violence in the twenty first century A key study on the relevance of Tagore's political philosophy in the contemporary world with contributions from eminent Tagore scholars in South Asia as well as the West this book will be of great interest to readers and researchers in the fields of literature political science cultural studies philosophy and Asian studies **Crafting State-Nations** Alfred Stepan, Juan J.

The Hindu Quest for the Perfection of Man Troy W. Organ,1998-07-27 A lucid thorough and fresh exploration of the material This is an exceedingly helpful study and may be the best single textbook on the subject Previously there was little of note in between inadequate introductions to Hindu thought and the more specialized primary or secondary materials Organ is a competent philosopher and presents the Hindu quest in a scholarly and readable form it is a key book for undergraduate libraries and would be an invaluable asset in a course which dealt seriously and at any length with the Hindu tradition Excellent bibliography Choice This is not just another book on Hinduism but a source of systematic information Bibliography of Philosophy This scholarly and perceptive account makes Hindu beliefs and practices intelligible by showing how the contradictions which have puzzled Westerners are rooted in Human Diversity The Review of Metaphysics *Nation-state and Minority Rights in India* Tanweer Fazal,2014-08-01 The blood laden birth pangs of the Indian nation state undoubtedly had a bearing on the contentious issue of group rights for cultural minorities Indeed the trajectory of the concept minority rights evolved amidst multiple conceptualizations political posturing and violent mobilizations and outbursts Accommodating minority groups posed a predicament for the fledgling nation state of post colonial India This book compares and contrasts Muslim and Sikh communities in pre and post Partition India Mapping the evolving discourse on minority rights the author looks at the overlaps between the Constitutional and the majoritarian discourse being articulated in the public sphere and poses questions about the guaranteeing of minority rights The book suggests that through historical ruptures and breaks communities oscillate between being minorities and nations Combining archival material with ethnographic fieldwork it studies the identity groups and their vexed relationship to the ideas of nation and nationalism It captures meanings attributed to otherwise politically loaded concepts such as nation nation state and minority rights in the everyday world of Muslims and Sikhs and thus tries to make sense of the patterns of accommodation adaptation and contestation in the life world Successfully confronting and illuminating the challenge of reconciling representation and equality both for groups and within groups this exploration of South Asian nationalisms and communal relations will be of interest to academics in the field of South Asian Studies in particular Sociology and Politics **Nation, Diaspora, Trans-nation** Ravindra K.
