Selected Writings on Race and Difference Stuart Hall, 2021-04-02 In *Selected Writings on Race and Difference* editors Paul Gilroy and Ruth Wilson Gilmore gather more than twenty essays by Stuart Hall that highlight his extensive and groundbreaking engagement with race representation identity difference and diaspora Spanning the whole of his career this collection includes classic theoretical essays such as *The Whites of Their Eyes* 1981 and *Race the Floating Signifier* 1997 It also features public lectures political articles and popular pieces that circulated in periodicals and newspapers which demonstrate the breadth and depth of Hall's contribution to public discourses of race Foregrounding how and why the analysis of race and difference should be concrete and not merely descriptive this collection gives organizers and students of social theory ways to approach the interconnections of race with culture and consciousness state and society policing and freedom

Critical Companion to Contemporary Marxism Jacques Bidet, 2008 International and interdisciplinary in range and scope the *Critical Companion to Contemporary Marxism* provides a thorough and precise panorama of recent developments in Marxist theory in the US Europe and beyond

Tackling the Roots of Racism Reena Bhavnani, Heidi Safia Mirza, Veena Meeto, 2005 Thirty years after the Race Relations Act racism remains endemic in British society How successful have policy measures been in addressing the causes of racism What lessons can we learn from countries outside Britain This important and timely book reviews the evidence and asks what really works

Continental Britons Marion Berghahn, 2007 Based on numerous in depth and personal interviews with members of three generations this is the first comprehensive study of German Jewish refugees who came to England in the 1930s The author addresses questions such as perceptions of Germany and Britain and attitudes towards Judaism On the basis of many case studies the author shows how the refugees adjusted often amazingly successfully to their situation in Britain While exploring the process of acculturation of the German Jews in Britain the author challenges received ideas about the process of Jewish assimilation in general and that of the Jews in Germany in particular and offers a new interpretation in the light of her own empirical data and of current anthropological theory

Changing Times Jenny Carlyon, Diana Morrow, 2014-02-01 From the golden weather of postwar economic growth through the globalization economic challenges and protest of the 1960s and 1970s to the free market revolution and new immigrants of the 1980s and 1990s and beyond this account the most complete and comprehensive history of New Zealand since 1945 illustrates the chronological and social history of the country with the engaging stories of real individuals and their experiences Leading historians Jennifer Carlyon and Diana Morrow discuss in great depth New Zealand's move toward nuclear free status its embrace of a

small state free market ideology and the seeming rejection of its citizens of a society known for the worship of averages Stories of pirate radio in Auckland s Hauraki Gulf the first DC8 jets landing at Mangere airport feminists liberating pubs public protests over the closing of post offices and indigenous language nests vividly demonstrate how a postwar society famous around the world for its dull conformity became one of the most ethnically economically and socially diverse countries on earth *Worlds of Difference* Eleanor Palo Stoller,Rose Campbell Gibson,2000 This collection of readings presents a variety of perspectives on ageing from different communities across the United States Native American Puerto Rican African American the elderly homeless white working class gay and Mexican amongst many others The readings cover topics such as life course social and psychological contexts of ageing paid and unpaid activity the American family and health

Selected Writings of Edward Sapir in Language, Culture and Personality Edward Sapir,2023-07-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1949 *The Selected Writings of James Weldon Johnson: Social, political, and literary essays* James Weldon Johnson,1995 These two volumes of writings represent Johnson s experiences as one of black America s premier civil rights statesmen and leader participant and historian of the Black Literary Movement of the 1920s **Ideological and Political Bias in Psychology** Craig L. Frisby,Richard E. Redding,William T. O'Donohue,Scott O. Lilienfeld,2023-09-13 This book examines the traditional assumptions made by academics and professionals alike that have embedded sociopolitical biases that impede practice and undermine efforts to achieve an objective scientific status If allowed to go unchallenged the credibility of psychology as a discipline is compromised This contributed volume thoroughly and comprehensively examines this concern in a conceptually and empirically rigorous manner and offers constructive solutions for minimizing undue political influences within the field of psychology Societies in the 21st century desperately need reliable psychological science but we don t have it This important volume explains one of the main reasons why we are making little progress on any issue that gets contaminated by the left right culture war because the field of psychology is an enthusiastic member of one of the two teams so it rejects findings and researchers who question its ideological commitments The authors of this engaging volume also show us the way out They diagnose the social dynamics of bias and point to reforms that would give us the psychology that we need to address 21st century problems Jonathan Haidt Thomas Cooley Professor of Ethical Leadership NYU Stern School of Business and author of *The Righteous Mind* The boundaries of free speech censorship moral cultures social justice and ideological biases are among the many incendiary topics discussed in this book If you are looking for a deep dive into real world contemporary controversies *Ideological and Political Bias in Psychology* fits the bill The chapters are thoughtful and thought provoking Most readers will find something to agree with and something to rage at in

almost every chapter It just may change how you think about some of these topics Diane F Halpern Professor of Psychology Emerita Claremont McKenna College and Past President American Psychological Association Unless the political left is always correct about everything in which case we wouldn't need to do research we could just ask a leftist the growing political monoculture of social science is a major barrier to our search for the truth This volume shows how ideological bias should be treated as a source of research error up there with classic methodological flaws like non random assignment and non blind measurement Steven Pinker Johnstone Professor of Psychology Harvard University and the author of Rationality An important read for academics curious about how their politics fashions beliefs that too often are uncritically taken for granted and for non academics wondering why we can't shake off the politics that so influences scientific work Vernon Smith Nobel Laureate in Economic Sciences and George L Argyros Chair in Finance and Economics Chapman University Advances and deepens empirically rigorous scholarship into biased political influences affecting academic and professional psychology Offers constructive solutions for minimizing undue political influences within psychology and moving the field forward Serves as a resource for psychological academicians researchers practitioners and consultants seeking to restore the principles of accurate science and effective practice to their respective areas of research

Selected Writings on Visual Arts and Culture Stuart Hall, 2024-06-24 Stuart Hall's work on culture politics race and media is familiar to readers throughout the world Equally important was his decades long commitment to visual art As the first collection to bring together Hall's work on the visual this volume assembles two dozen of Hall's essays lectures reviews catalog texts and conversations on art film and photography Providing rare insights into Hall's engagement with the radically different intellectual and aesthetic space of the visual imaginary these works articulate the importance of the visual as a site of contestation at the same time as it is a space in which Black artists and filmmakers reframe questions about diaspora identity and globalization **Selected Writings on Visual Arts and Culture** demonstrates the breadth and range of Hall's thinking on art film photography archives and museums In so doing it enables us to arrive at radical and innovative ways of understanding the world
