Environmental Knowledge, Race, and African American Literature Matthias Klestil, 2023-04-20 This open access book suggests new ways of reading nineteenth century African American literature environmentally Combining insights from ecocriticism African American studies and Foucauldian theory Matthias Klestil examines forms of environmental knowledge in African American writing ranging from antebellum slave narratives and pamphlets to Charlotte Forten's journals Booker T Washington's autobiographies and Charles W Chesnutt's short fiction The volume highlights how literary forms of environmental knowledge in the African American tradition were shaped by the histories of slavery and race mainstream environmental writing traditions and African American forms of expression and intertextuality Turning to the Underground Railroad debates over education and home building and the aesthetics of the pastoral and the georgic Environmental Knowledge Race and African American Literature provides an original perspective on the African American ecoliterary tradition that uncovers new facets of canonical and understudied texts and offers new directions for ecocriticism and African American studies

Education as Practices of Freedom James S. Damico, 2003

Faithful Account of the Race Stephen G. Hall, 2010-05-07 The civil rights and black power movements expanded popular awareness of the history and culture of African Americans But as Stephen Hall observes African American authors intellectuals ministers and abolitionists had been writing the history of the black experience since the 1800s With this book Hall recaptures and reconstructs a rich but largely overlooked tradition of historical writing by African Americans Hall charts the origins meanings methods evolution and maturation of African American historical writing from the period of the Early Republic to the twentieth century professionalization of the larger field of historical study He demonstrates how these works borrowed from and engaged with ideological and intellectual constructs from mainstream intellectual movements including the Enlightenment Romanticism Realism and Modernism Hall also explores the creation of discursive spaces that simultaneously reinforced and offered counter narratives to more mainstream historical discourse He sheds fresh light on the influence of the African diaspora on the development of historical study In so doing he provides a holistic portrait of African American history informed by developments within and outside the African American community

Race, Ethnicity, Gender, and Class Joseph F. Healey, Andi Stepnick, 2023-01-12 Known for its clear and engaging writing the bestselling *Race Ethnicity Gender and Class The Sociology of Group Conflict and Change* has been thoroughly updated to be fresher more relevant and more accessible to undergraduates The text uses sociological perspectives and a consistent conceptual framework to tell the story of America's minority groups today and throughout history By presenting information asking questions and examining controversies it demonstrates that understanding what it means to be an American has always required us to grapple with issues of diversity and difference This title is accompanied by a complete teaching and learning package

The Archaeology of Race and Class at Timbuctoo Christopher P. Barton, 2023-03-28 Examining the historic Black community of Timbuctoo New Jersey this book illuminates the intersectionality of life at the village and the ways Black residents resisted the marginalizing structures of race and class

Race, Religion, and the Continuing American Dilemma C. Eric Lincoln, 2011-04-01 A classic work on religion and the racial problems of modern America now brought up to date Since the early days of the Republic Americans' exuberant unchastened idealism their commitment to the notion of a perfect society in the New World has clashed with the reality of ugly American society and religious groups have all too often accommodated themselves to these injustices In *Race Religion and the Continuing American Dilemma* C. Eric Lincoln reevaluates what Gunnar Myrdal called the American dilemma and studies particularly the influence of the black church This revised edition takes into account the weakening of welfare and affirmative action and argues that the black church must serve today as a vital moral authority to lead us in to the twenty first century

Slavery, Religion, and Race in Antebellum Missouri Kevin D. Butler, 2023-01-09 Antebellum Missouri's location at the intersection of North South and West makes it a location that allows one to examine regionalism in the United States in one location since Missouri contained characteristics

of each region Missouri also provides a view of how religion functioned for people in the antebellum United States The institution of slavery transformed evangelical Christianity in the South from an influence with potential to erode slavery into an institution that was a bulwark for slavery For African Americans religion constituted part of their cultural resistance against the dehumanization of slavery Through conjure their traditional religion they sought control over their own lives and practical tools to aid them with everyday issues Christianity also provided control over their destiny and a belief system that in their hands affirmed the sinfulness of slavery and confirmed that it was their right and their destiny to be free Race and Ethnicity Kathleen Odell Korgen, Maxine P.
