Race and Conscience in America American Friends Service Committee,1959 Race and Conscience in America American Friends Service Committee,1959 **Race and Conscience in America** ,1950 *Race and Conscience in America* American Friends Service Committee,1959 Gunnar Myrdal and America's Conscience Walter A. Jackson,2014-07-02 Gunnar Myrdal s An American Dilemma 1944 influenced the attitudes of a generation of Americans on the race issue and established Myrdal as a major critic of American politics and culture Walter Jackson explores how the Swedish Social Democratic scholar policymaker and activist came to shape a consensus on one of America s most explosive public issues Race and Conscience in America. A Review Prepared for the American Friends Service Committee Friends, Society of (UNITED STATES OF AMERICA). American Friends Service Committee,1959 From Power to Prejudice Leah N. Gordon,2015-05-20 Americans believe strongly in the socially transformative power of education and the idea that we can challenge racial injustice by reducing white prejudice has long been a core component of this faith How did we get here In this first rate intellectual history Leah N Gordon jumps into this and other big questions about race power and social justice To answer these questions From Power to Prejudice examines American academia both black and white in the 1940s and 50s Gordon presents four competing visions of the race problem and documents how an individualistic paradigm which presented white attitudes as the source of racial injustice gained traction A number of factors Gordon shows explain racial individualism s postwar influence individuals were easier to measure than social forces psychology was well funded studying political economy was difficult amid McCarthyism and individualism was useful in legal attacks on segregation Highlighting vigorous midcentury debate over the meanings of racial justice and equality From Power to Prejudice reveals how one particular vision of social justice won out among many contenders **Race Pride and the American Identity** Joseph Tilden Rhea,1997 In the wake of the Civil Rights movement a new loosely organized social movement was born in the struggle for cultural representation Rhea terms it the Race Pride movement and shows how American minorities carried the struggle for cultural inclusion into museums schools and universities yielding dramatic and lasting change **American Magazine** ,1909 *American Illustrated Magazine* ,1909 **Black Theology and the Menace of Racial Apocalypse** Cyril Orji,2025-04-30 Racism evolves Black theology must be adaptable For this reason Black Theology and the Menace of Racial Apocalypse argues that racism must take centre stage in Black theology because racism is an existential dread that inevitably confronts the Black person in their existential situation This book unfolds in two interwoven steps First it delves into the complex history of Black theology examining its development across its first second and third waves This critical study expositis the discomfoting idea that something is missing and that this something makes Black theology seem a little deficient as noted in the pioneering works of James Baldwin and other contemporary thinkers challenging the hesitation to

engage with ideas outside Black experience The second step draws from multidisciplinary sources including brain research on cognitive bias and psychological works on implicit bias and microaggressions Effectively utilizing the methodological work of Bernard Lonergan the book argues that incorporating white sources can enhance Black theology's articulation against racism In doing so the book demonstrates how this interpretative mechanism can help overcome societal ideological differences as well as help meaningfully address the ever evolving problem of racism for Christian theology **African**
