

A large, diverse crowd of people is gathered for a protest or demonstration. In the center, a white sign is held up, reading "CANADA IS NOT IMMUNE TO RACISM". The word "NOT" is underlined with two red lines, and "RACISM" is written in large, bold, red capital letters. The crowd consists of people of various ages and ethnicities, many wearing face masks. The background is slightly blurred, showing more people and trees.

geographic historical sociological and political science perspectives this volume offers new perspectives on the African Diaspora in the United States and Canada It has been approximately four centuries since the first Africans set foot in North America and although it is impossible for any text to capture the complete Black experience on the continent the persistent legacy of Black inequality and the winds of dramatic change are inseparable parts of the current African Diaspora experience In addition to comparing and contrasting the experiences and geographic patterns of the African Diaspora in the United States and Canada the book also explores important distinctions between the experiences of African Americans and those of more recent African and Afro Caribbean immigrants

Critical Perspectives on White Supremacy and Racism in Canadian Education Arlo Kempf, Heather Watts, 2024-03-12 Critical Perspectives on White Supremacy and Racism in Canadian Education shows how K 12 schooling continues to produce and maintain white supremacist and colonial logics and questions the alternate future of schooling in Canada It argues that white supremacy and race in schooling are present in colonial centered approaches to teacher education formal and informal exclusion through curriculum development and persistent failed commitments to racial justice and decolonization These themes guide the organization of this collection which is further underpinned by theoretical perspectives including critical race theory anti Blackness theory abolition and anticolonial theory Contributions are drawn from classroom teachers community educators and pre service teacher educators and are powerfully informed by first hand accounts as well as stories of teachers and teacher candidates Combining theory with practice this edited volume will be important reading for advanced undergraduate and postgraduate students in social justice education multicultural education and Indigenous studies It will also be beneficial reading for antiracist and Indigenous education researchers as well as policymakers and practitioners within critical education

Canadian Critical Race Theory Carol A. Aylward, 2025-07-17T00:00:00Z The growth of the Critical Race Theory genre began in Canada when scholars of colour in Canada began to articulate a dissatisfaction with the existing Canadian legal discourse which failed to include an analysis of the role that race and racism has played in the political and legal structures of Canadian society This book is about the role that race and racism play in the theory and practice of law It shows how Canadian Black lawyers and others are beginning to seriously consider the role of race in litigation and to develop critical race litigation strategies to address the issue The author documents how a growing body of work designed to move us beyond theory to practical application is being developed to help recognize the complex relationships among race racism and the law
