The Drama of Language Sigurd Burckhardt, 2019-12-01 Originally published in 1970 For Sigurd Burckhardt literary interpretation began with the discovery of an inconsistency in a text Minimizing the possibility that the writer has unconsciously fallen into an inconsistency in the use of material the true interpreter Burckhardt believes abandons a tendency to correct the writer and seeks instead a new formulation by which the inconsistency can be seen as a part of a work s essential unity Whether I search for the meaning of a word or for the meaning of my life he wrote I am looking for something under which I can subsume the otherwise unrelated and meaningless particular so as to place it in a larger order That method so characteristic of Burckhardt s criticism underlies his studies of Goethe and Kleist and unifies the essays of this volume Prior to his death in December 1966 Professor Burckhardt had considered the possibility of collecting his writings on Goethe and Kleist One essay had never been published others had appeared only in German or were available in scattered sources The preparation of the essays for publication a service of professors Bernhard Blume and Roy Harvey Pearce makes possible this impressive demonstration of their late colleague s interest in German literature The seven critical studies are introduced by an essay that makes explicit the concern for language implicit throughout the volume Burckhardt proceeds by close adherence to the text and by analysis of its writer s use of language and structure He interprets Goethe s Prometheus Pandora Iphigenie Tasso Die nat rliche Tochter and Egmont and Kleist s Prinz Friedrich von Homburg and Die Hermannsschlacht He provides original and challenging interpretations shaping each into a self contained entity

Advancing the Gospel Mike Treneer, 2014-02-27 Written by Mike Treneer international president of The Navigators this study of the book of

Colossians will challenge you to consider the apostle Paul's method of advancing the gospel through laborers spreading the message. Practical in nature and heartfelt in its presentation, this book will equip you and your small group to move Christ's message forward in your local area of ministry. *Shattered Deeds* Ciara Graves, 2021-09-21. Cassandra Underwood is a mermaid, a siren to be exact. She's still in Mettleshire hoping to learn about her mother. Unfortunately, she's encountered a complication, Kai Sinclair, who is a species that is not exactly friendly toward sirens. A ferocious hunter with an ancient vendetta against an entire species. As if that wasn't complication enough, now she's gone and saved his life. Oh, and one more complication, as if those weren't enough, she's discovered she's one of the dark ones. Dark ones are responsible for the dark deeds which Kai is permitted to kill without repercussion. Not cool. Why is the universe determined to make these two hate one another? Possibly even kill each other. Something darker is brewing on the horizon, but for now, she's willing to pretend that everything is fine. She isn't foolish enough to believe that the dark ones who came after her are gone forever.

FORGIVENESS Tommy Boland, 2024-03-16. More victories are won by Satan within the church through the spirit of unforgiveness than in any other way. Unforgiveness weakens our walk and wrecks our witness for Christ. Forgiveness is the deepest need of every human heart; it is the foundation on which Christianity is believed and built. Dr. Tommy Boland establishes the glorious truth that those who have embraced the forgiveness of God in Christ Jesus know the truth that frees them to genuinely forgive. He then examines two questions many of us wrestle with: I know God has forgiven me, why do I struggle to forgive others? And why can't I forgive myself? This intensely practical book teaches us how to live out God's command to forgive as the Lord forgave you. It isn't easy, but it is possible, and Tommy Boland describes both the root and the fruit of genuine God-drenched forgiveness, which enables us to utter the Lord's Prayer with full and sincere hearts. Forgive us our debts as we also have forgiven our debtors. Dr. Tommy Boland, with his wife Kim and their four children, founded Cross Community Church in Deerfield Beach, Florida, in 2012. Tommy is the author of *Now What? The Strangest Spiritual Secret* and the *Disciples Making Disciples* evangelism program. **Punishment and Good Deeds** Andrew C. McDonald, 2022-11-03.

Recently retired Air Force commando Thomas Mazuko was looking forward to a quiet future spent teaching karate in his small Tampa, Florida, studio. His dreams were of little more than days on the sandy beaches and nights in the company of his wife and children. Little did he know that his instinctive reaction to witnessing the mugging of an elderly woman would set in motion a chain of events that would drastically alter the course of his life. By sheer accident, Mazuko becomes a primary target for the wrath of a powerfully connected local syndicate figure. When the wealthy and egomaniacal Martin DeValdez sends out wise guys to teach this upstart a lesson, Mazuko's foster son and a young student are caught up in the maelstrom of uncontrolled chaos. As the level of violence escalates, Mazuko realizes that he has become the target of vengeance of a man who will stop at nothing to right what he perceives as personal wrongs. With the body count rising and the lives of his ten-year-old daughter and two-year-old son as well as the lives of friends new and old hanging in the

balance Mazuko must set aside his plans for a quiet retirement and return to the skills of his past in order to fight for his life and the lives of his children

Ethics Louis Wolcher, 2020-12-29 This book examines ethics at the intersection of law and justice If law and justice are concerned with collectively establishing the general terms on which the plurality called we share the earth as social beings then ethics concerns the individual Self's particular moral relationship with the Other Law the acknowledged offspring of politics represents the kind of might that most people accept as legitimate at least most of the time Justice on the other hand is supposed to vigilantly stand guard over law to protect us against its biases and excesses or at the very least to rise up and reproach the law whenever it permits or encourages injustice But what if the belief that a particular legally authorized state of affairs is just a common enough feeling especially amongst the privileged or even unjust and in need of correction were itself in need of a vigilant guardian This book argues that ethics can and should stand guard over whatever image of justice and or just law one happens to believe in The book thus attempts to steer a perilous course between two looming moral hazards ethics interpreted as the rational production of ethically correct behavior as in Kant and ethics interpreted as the spontaneous eruption of pre rational compassion for the suffering of the Other come what may as in Levinas In the end the book characterizes ethical life in the law as the more or less constant experience of the paradoxical nature of this choice a feeling of inescapable personal responsibility for the fate of the Other Based on the author's well established expertise in the area this book will appeal to students scholars and others with interests in legal theory and moral and political philosophy
