

Rhtawney Lives Of The Left S

Diamond, Patrick

Rhtawney Lives Of The Left S:

John Wheatley Ian S. Wood,1990 Equality and the British Left Ben Jackson,2007 The demand for equality has been at the heart of the politics of the Left in the twentieth century but what did theorists and politicians on the British Left mean when they said they were committed to equality How did they argue for a more egalitarian society Which policies did they think could best advance their egalitarian ideals Equality and the British Left provides the first comprehensive answers to these questions It charts debates about equality from the progressive liberalism and socialism of the early twentieth century to the arrival of the New Left and revisionist social democracy in the 1950s Along the way it examines and reassesses the egalitarian political thought of many significant figures in the history of the British Left including L T Hobhouse R H Tawney and Anthony Crosland This book demonstrates that the British Left has historically been distinguished from its ideological competitors on the Centre and the Right by a commitment to a demanding form of economic egalitarianism It shows that this egalitarianism has come to be neglected or caricatured by politicians and scholars alike and is more surprising and sophisticated than is often imagined Equality and the British Left offers a compelling new perspective on British political thought that will appeal to scholars and students of British history and political theory and to anyone interested in contemporary debates about progressive politics

Historian's Conscience Stuart Macintyre,2016-10-18 Eminent contributors include Alan Atkinson Graeme Davison Greg Denning John Hirst Beverley Kingston Marilyn Lake and Iain McCalman They not only ask but answer the hard questions about writing and researching history How do historians choose their histories What sort of emotional investment do they make in their subjects and how do they control their sympathies How do they deal with unpalatable discoveries To whom are historians responsible And for whom are they entitled to speak Intellectually provocative often personally revealing always engaged The Historian's Conscience is a must read

Psychological socialism Jeremy Nuttall,2013-07-19 To Labour's first Prime Minister Ramsay MacDonald socialism meant not only satisfactory figures of death rates and improved houses but also the mental cleanliness the moral robustness of our people This book explores the neglected theme of individual character and mental qualities in British social democratic thought and Labour Party history How important was it for the centre left that citizens be good people What was the relationship between socialism and psychology in the 1930s Did Labour's technocratic statist socialism of the 1950s and 1960s downgrade moral and mental progress Why was the party often more concerned to produce a rationally planned economy than rational independent minded citizens Does New Labour represent a sidelining of ethical socialism or a re birth of the pre war left's belief in improvement through education and self control *Whitaker's Book List* ,1987 *Native American Life-history Narratives* Susan Berry Brill de Ramírez,2007 The author provides methods for the study of American Indian ethnographic texts and disputes some previous assumptions about the sources of the stories in *Son of Old Man Hat*

Neville Figgis, CR: His Life, Thought and Significance ,2021-11-29 John Neville Figgis CR 1866 1919 was a brilliant

Anglican theologian historian political thinker and preacher he was also a monk This volume of a dozen freshly commissioned essays by eminent scholars retrieves expounds and critiques his thought and relates it to the culturally pluralist theological ethical and political situation in which we find ourselves in the twenty first century Although Figgis significance is widely acknowledged by scholars little has been written about him Figgis has an uncontested place in Anglican and Episcopal thought and is overdue for a concerted study of the many facets of his work and importance **Capitalism and its Critics**

Gerard Delanty, Neal Harris, 2022-12-22 Capitalism and its Critics offers an accessible account of major theories of capitalism from the industrial revolution to the present day The book provides a comprehensive account of the economic and social thought of key theorists from Adam Smith and Karl Marx to David Harvey and Thomas Piketty Capitalism has long been the subject of passionate debate and today such contestations are perhaps more timely than ever For its advocates capitalism brings democracy and freedom and is the cornerstone of modernity and of progress For its critics capitalism is based on the exploitation of labour and is responsible for the destruction of the environment as well as colonialism Whether capitalism survives the century or whether an alternative social system emerges may very well determine the fate of humanity Capitalism and its Critics gives a comprehensive critical analysis of the most important theorists of capitalism including Adam Smith Karl Marx Max Weber Joseph Schumpeter Karl Polanyi F A Hayek J M Keynes David Harvey and Thomas Piketty The book discusses some of the main debates about capitalism and considers alternatives in the twenty first century The 12 chapters are loosely chronologically organised around the main approaches and historical phases in the history of capitalism Central themes of the book are the ideas of capitalist crisis and of tensions between democracy and capitalism in the making of modernity A highly readable informative and engaging text Capitalism and its Critics is essential reading for anyone interested in understanding capitalism and its alternatives Consumerism in Twentieth-Century Britain Matthew

Hilton, 2003-11-13 This book is the first comprehensive history of consumerism as an organised social and political movement Matthew Hilton offers a groundbreaking account of consumer movements ideologies and organisations in twentieth century Britain He argues that in organisations such as the Co operative movement and the Consumers Association individual concern with what and how we spend our wages led to forms of political engagement too often overlooked in existing accounts of twentieth century history He explores how the consumer and consumerism came to be regarded by many as a third force in society with the potential to free politics from the perceived stranglehold of the self interested actions of employers and trade unions Finally he recovers the visions of countless consumer activists who saw in consumption a genuine force for liberation for women the working class and new social movements as well as a set of ideas often deliberately excluded from more established political organisations *Law and Society in England 1750-1950* William Cornish, Stephen Banks, Charles Mitchell, Paul Mitchell, Rebecca Probert, 2019-10-31 Law and Society in England 1750 1950 is an indispensable text for those wishing to study English legal history and to understand the foundations of the modern British

state In this new updated edition the authors explore the complex relationship between legal and social change They consider the ways in which those in power themselves imagined and initiated reform and the ways in which they were obliged to respond to demands for change from outside the legal and political classes What emerges is a lively and critical account of the evolution of modern rights and expectations and an engaging study of the formation of contemporary social administrative and legal institutions and ideas and the road that was travelled to create them The book is divided into eight chapters Institutions and Ideas Land Commerce and Industry Labour Relations The Family Poverty and Education Accidents and Crime This extensively referenced analysis of modern social and legal history will be invaluable to students and teachers of English law political science and social history

Richard Titmuss John Stewart,2020-06-02 This is the first full length biography of Richard Titmuss a pioneer of social policy research and an influential figure in Britain s post war welfare debates Drawing on his own papers publications and interviews with those who knew him the book discusses Titmuss s ideas particularly those around the principles of altruism and social solidarity as well as his role in policy and academic networks at home and overseas It is an enlightening portrait of a man who deepened our understanding of social problems as well as the policies that respond most effectively to them

The Richer, The Poorer Stewart Lansley,2021-11-25 The Richer The Poorer charts the rollercoaster history of both rich and poor and the mechanisms that link wealth and impoverishment This landmark book shows how for 200 years Britain s most powerful elites have enriched themselves at the expense of surging inequality mass poverty and weakened social resilience Stewart Lansley reveals how Britain s model of extractive capitalism with a small elite securing an excessive slice of the economic cake has created a two century long high inequality high poverty cycle one broken for only a brief period after the Second World War Why he asks are rich and poor citizens judged by very different standards Why has social progress been so narrowly shared With growing calls for a fairer post COVID 19 society what needs to be done to break Britain s destructive poverty inequality cycle

The Crosland legacy Diamond, Patrick,2016-07-20 Anthony Crosland bequeathed a significant intellectual legacy to the Labour Party including his celebrated treatise *The Future of Socialism* published sixty years ago In this timely book Patrick Diamond argues that Crosland continues to serve as a vital reference point for today s Labour Party He considers a wide range of Crosland s writings on the economy and politics relating his ideas to ideological debates taking place within the Labour Party about egalitarian social democracy electoral strategy the European question and the importance of progressive liberalism on the British centre left This is the first substantial work to fully consider Crosland s legacy for British social democracy Written in a clear and persuasive way it will appeal to a broad audience of thinkers and activists with an interest in the history of the Labour Party and the British Left

The Question of the "Right to Strike". National Conference on the Christian Way of Life (U.S.),1924

Social Opulence and Private Restraint Noel Thompson,2015-08-06 *Social Opulence and Private Restraint* is a study of the place of the consumer and consumption in the political economy of British socialism from its early nineteenth

century origins through New Times Marxism to the consumer focused New Labourism and political economies critical of consumerism that can be found in the late twentieth and early twenty first century Left Noel Thompson identifies and explicates recurrent themes which cross the boundaries of the conventional periodisation of the history of British socialist thought themes which illustrate the sustained nature of the multifaceted ideological challenge presented by the accommodation of the consumer within socialist political economy This challenge necessitates an engagement with the character and priorities of a future socialist society As such it touches on some of the key issues which socialists have confronted in pursuit of their vision of a good society issues with a strong contemporary relevance such as the desirability of private as against social opulence the relationship between consumption and happiness the need to educate and or to liberate desire and in particular the environmental and social consequences of rising levels of consumer expectation and consumption The study also throws light on how the disparate ways in which these issues were addressed reflected and shaped the socialist political economies that emerged in the nineteenth and twentieth centuries while also engendering tensions between them *Routledge Library Editions: Political Protest* Various,2022-07-30 This 26 volume set is a wide ranging time and subject spanning examination of the phenomenon of political protest What drives people to take to the streets and how do their governments respond These questions and many more are analysed in areas as varied as sixteenth century German peasant uprisings revolutionary Russians at the Paris Commune women protesting nuclear weapons at Greenham Common and the role Christianity played in protests across the ages An impressive reference resource this set also looks at the policing of protests and official responses to them *The British Labour Party in Opposition and Power 1979-2019* Patrick Diamond,2021-01-18 This book provides a novel account of the Labour Party s years in opposition and power since 1979 examining how New Labour fought to reinvent post war social democracy reshaping its core political ideas It charts Labour s sporadic recovery from political disaster in the 1980s successfully making the arduous journey from opposition to power with the rise and ultimately fall of the governments of Tony Blair and Gordon Brown Forty years on from the 1979 debacle Labour has found itself on the edge of oblivion once again Defeated in 2010 it entered a further cycle of degeneration and decline Like social democratic parties across Europe Labour failed to identify a fresh ideological rationale in the aftermath of the great financial crisis Drawing on a wealth of sources including interviews and unpublished papers the book focuses on decisive points of transformational change in the party s development raising a perennial concern of present day debate namely whether Labour is a party capable of transforming the ideological weather shaping a new paradigm in British politics or whether it is a party that should be content to govern within parameters established by its Conservative opponents This text will be of interest to the general reader as well as scholars and students of British politics British political party history and the history of the British Labour Party since 1918 *Critical White Studies* Richard Delgado,Jean Stefancic,1997-06-29 This work drawn from sociology law history cultural studies and literature presents an analysis of the

emerging field of whiteness studies as the next step of critical race theory It investigates what it means to be white from both a nonwhite and a white perspective Richard Crossman Victoria Honeyman,2007-12-19 Yes Minister No Minister If you wish it Minister Richard Crossman Diaries Vol 1 As a politician and personality Richard Crossman was anything but the deferential public servant he mocked so concisely This revealing biography of the dedicated radical Labour politician offers the most complete picture of his colourful life and demonstrates many fascinating connections between his political thinking and the formation of New Labour Richard Crossman served as an MP from 1945 until shortly before his death in 1974 and is remembered as a fiery speaker dedicated leftist and author of the controversial three volume Diaries of a Cabinet Minister published in the face of strong legal opposition from the government This comprehensive new biography explores the connections between his personal history and his political convictions His life not only highlights a formative period in British politics but also gives insights into contemporary British politics Crossman s life not only highlights a formative period in British politics but also gives insights into contemporary British politics Weaving together the private and public Honeyman unveils a politician who fought with dedication for his political beliefs while persistently trying to shake up the organisation of the Labour party Over the course of his twenty five years in Parliament Crossman held various position including Leader of the House of Commons Chairman of the Labour Party and Secretary of State for Social Services In this new biography Victoria Honeyman places Crossman in the context of his party and his times while also examining his impact on the development of the Labour party Often dismissed as fickle this portrait of Crossman reveals an intellectual politician who worked with conviction for the improvement of his party and country His life not only highlights a formative period in British politics but also gives insights into contemporary British politics Crossman s chief interests included social democracy international relations and constitutional reform This biography details his tireless work on these issues and assesses his impact Rather than the Crossman of popular myth Honeyman has uncovered a dedicated politician who made serious intellectual contributions to his party s policy and whose influence is still felt today This biography is essential reading for anyone interested in British contemporary political history *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff,R R Bowker Publishing,1996-09
