Sharon Crozier-De Rosa,Vera Mackie

Rise Up Women The Militant Campaign Of The Womens Social And Political Union 1903 1914:

Rise Up, Women! Andrew Rosen, 2012-10-09 The suffragette movement shattered the domestic tranquillity of Edwardian England This book is an original and searching study of the formidable organization which led this campaign the Women s Social and Political Union With the use of previously unpublished correspondence of Mrs Emmeline Pankhurst her colleagues and such political leaders as Asquith Balfour and Lloyd George the author views the development of ever more extreme and violent forms of militancy not as a series of amusing exploits and incidents but as the carefully calculated political strategy the suffragettes intended it to be He examines the reasons for the remarkable effectiveness of militant tactics in making women s enfranchisement a political issue of central importance and shows why militancy failed to secure this right prior to the outbreak of war in August 1914 He assesses too the influence of the vast social and political changes wrought by the war on the ultimate success of the campaign in 1918

Rise Up Women! Diane Atkinson, 2018-02-08 Marking the centenary of female suffrage this definitive history charts women s fight for the vote through the lives of those who took part in a timely celebration of an extraordinary struggle An Observer Pick of 2018 A Telegraph Book of 2018 A New Statesman Book of 2018 Between the death of Queen Victoria and the outbreak of the First World War while the patriarchs of the Liberal and Tory parties vied for supremacy in parliament the campaign for women s suffrage was fought with great flair and imagination in the public arena Led by Emmeline Pankhurst and her daughters Christabel and Sylvia the suffragettes and their actions would come to define protest movements for generations to come From their marches on Parliament and 10 Downing Street to the selling of their paper Votes for Women through to the more militant activities of the Women s Social and Political Union whose slogan Deeds Not Words resided over bombed pillar boxes acts of arson and the slashing of great works of art the women who participated in the movement endured police brutality assault imprisonment and force feeding all in the relentless pursuit of one goal the right to vote A hundred years on Diane Atkinson celebrates the lives of the women who answered the call to Rise Up a richly diverse group that spanned the divides of class and country women of all ages who were determined to fight for what had been so long denied Actresses to mill workers teachers to doctors seamstresses to scientists clerks boot makers and sweated workers Irish Welsh Scottish and English a wealth of women s lives are brought together for the first time in this meticulously researched vividly rendered and truly defining biography of a movement

Rise Up, Women! Andrew Rosen, 2013-01-17 The suffragette movement shattered the domestic tranquillity of Edwardian England This book is an original and searching study of the formidable organization which led this campaign the Women s Social and Political Union With the use of previously unpublished correspondence of Mrs Emmeline Pankhurst her colleagues and such political leaders as Asquith Balfour and Lloyd George the author views the development of ever more extreme and violent forms of militancy not as a series of amusing exploits and incidents but as the carefully calculated political strategy the suffragettes intended it to be He examines the reasons for the remarkable effectiveness of militant tactics in making women s

enfranchisement a political issue of central importance and shows why militancy failed to secure this right prior to the outbreak of war in August 1914 He assesses too the influence of the vast social and political changes wrought by the war on the ultimate success of the campaign in 1918 *Remembering Women's Activism* Sharon Crozier-De Rosa,Vera Mackie,2018-09-25 *Remembering Women's Activism* examines the intersections between gender politics and acts of remembrance by tracing the cultural memories of women who are known for their actions Memories are constantly being reinterpreted and are profoundly shaped by gender This book explores the gendered dimensions of history and memory through nation based and transnational case studies from the Asia Pacific region and Anglophone world Chapters consider how different forms of women's activism have been remembered the efforts of suffragists in Britain the USA and Australia to document their own histories and preserve their memory Constance Markievicz and Qiu Jin two early twentieth century political activists in Ireland and China respectively the struggles of women workers and the movement for redress of those who have suffered militarized sexual abuse The book concludes by reflecting on the mobilization of memories of activism in the present Transnational in scope and with reference to both state centred and organic acts of remembering including memorial practices physical sites of memory popular culture and social media *Remembering Women's Activism* is an ideal volume for all students of gender and history the history of feminism and the relationship between memory and history

Making Peace Susan Kingsley Kent,2019-01-15 *Making Peace* provides a fresh context for understanding gender relations in interwar Britain seeing in the emergence of a powerful ideology of motherhood and a reemphasis on separate spheres for men and women a corollary to the political and economic restructuring designed to reestablish social order after World War I The war had often been explained and justified to the British public by means of images that portrayed women as hostile or frightening or as victims of sexual assault as in the Belgian atrocity stories These sexualized interpretations of war then shaped postwar understandings of gender as psychiatrists psychologists and sexologists drew on metaphors of war to talk about relationships between men and women likening any conflict between the sexes to the terrible chaos of the war years Drawing on materials from posters to popular songs from government reports to journalistic accounts from memoirs and novels to diaries and letters *Making Peace* is a penetrating analysis of how gendered and sexualized depictions of wartime experiences compelled many Britons to seek in traditional gender arrangements the key to postwar order and security In the interwar period many feminists compromised their earlier positions in an effort to contribute to postwar recovery and justified their demands for birth control and family endowment for example in conservative terms that ultimately hampered their movement Susan Kingsley Kent is Associate Professor of History at the University of Colorado at Boulder She is also the author of *Sex and Suffrage in Britain 1860-1914* Princeton Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while

presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Churchill as Home Secretary Charles Stephenson, 2023-02-22 There can be few statesmen whose lives and careers have received as much investigation and literary attention as Winston Churchill Relatively little however has appeared which deals specifically or holistically with his first senior ministerial role that of Secretary of State for the Home Office This may be due to the fact that of the three Great Offices of State which he was to occupy over the course of his long political life his tenure as Home Secretary was the briefest The Liberal Government of which he was a senior figure had been elected in 1906 to put in place social and political reform Though Churchill was at the forefront of these matters his responsibility for domestic affairs led to him facing other major challenges departmentally this was a time of substantial commotion on the social front with widespread industrial and civil strife Even given that Home Secretaries never do have an easy time his period in office was thus marked by a huge degree of political and social turbulence The terms Tonypandy and Peter the Painter perhaps spring most readily to mind Rather less known is his involvement in one of the burning issues of the time female suffrage and his portrayal as the prisoners friend in terms of penal reform Aged 33 on appointment and the youngest Home Secretary since 1830 he became empowered to wield the considerable executive authority inherent in the role of one of His Majesty's Principal Secretaries of State and he certainly did not shrink from doing so There were of course commensurate responsibilities and how he shouldered them is worth examination

This Working-Day World Sybil Oldfield, 2003-12-16 This is a collection of essays on aspects of British women's lives in the period 1914-1945 Concentrating on women's activities in many different areas ranging from teacher training colleges to women's institutes the BBC artists group to political militancy This Working Day World presents a women's cultural history that is a kaleidoscope of subcultures covering art fiction medicine political racialism and the personal lives of women

Reginald McKenna Martin Farr, 2004-04-30 Reginald McKenna has never been the subject of scholarly attention This was partly due to his own preference for appearing at the periphery of events even when ostensibly at the centre and the absence of a significant collection of private papers This new book redresses the neglect of this major statesman and financier partly through the natural advance of historical research and partly by the discoveries of missing archival material McKenna's role is now illuminated by his own reflections and by the correspondence of friends and colleagues including Asquith Churchill Keynes Baldwin Bonar Law MacDonald and Chamberlain McKenna's presence at the hub of political life in the first half of the century is now clear in the radical Liberal governments of 1905-16 where he acted as a lightning conductor for the party during the war where he served as the Prime Minister's deputy and the principal voice for restraint in the conduct of the war and as chairman of the world's largest bank where until his death in office aged eighty he prompted progressive policies to deal with the issues of war debt trade mass unemployment and the return to gold

The Blood of Our Sons N.

Gullace,2016-09-23 In this ground breaking study of the complex relationship between war gender and citizenship in Great Britain during World War I Nicoletta Gullace shows how the assault on civilian masculinity led directly to women s suffrage Through recruiting activities such as handing out white feathers to reputed cowards and offering petticoats to unenlisted shirkers female war enthusiasts drew national attention to the fact that manhood alone was an inadequate marker of civic responsibility Proclaiming women s exemplary service to the nation feminist organizations tapped into a public culture that celebrated military service while denigrating those who opposed the war Drawing on the vast range of popular and official sources Gullace reveals that the war had revolutionary implications for women who wished to vote and for men who were expected to fight

Bibliography of Women ,1976 Slum Travelers Ellen Ross,2007 Ellen Ross has collected impressions from some of the half a million women involved in philanthropy by the 1890s most of them active in the London slums The contributors include Sylvia Pankhurst and Beatrice Webb as well as many more less well known figures

Women in American History Peg A. Lamphier,Rosanne Welch,2017-01-23 This four volume set documents the complexity and richness of women s contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America s history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter

Pacifists, Patriots and the Vote J. Vellacott,2007-07-12 This study traces the resurgence of a conservative suffrage leadership questions the inevitability of the narrow franchise granted to women in 1918 and suggests that something important was lost especially to the Labour party and to feminism when a broad vision of democracy and patriotism became a casualty of war self interest and jingoism

Women and the Ideology of War Recruitment, Propaganda, and the Mobilization of Public Opinion in Britain, 1914-1918 Nicoletta F. Gullace,1993 British Military History Gerald Jordan,1988 British Prime Ministers in the Twentieth Century: Balfour to Chamberlain John Pitcairn Mackintosh,1977 Rise Up, Woman! ,1974 **The Longman Handbook of Modern British History, 1714-1980** Chris Cook,John Stevenson,1983 **New Society** ,1975 Women's Suffrage in Britain, 1867-1928 Martin Pugh,1980
