## Long Stays In Spain:

Buying a Property in Spain For Dummies Colin Barrow, 2010-06-21 Buying a property abroad is one of the biggest decisions you'll ever make. But don't worry, your Spanish dream needn't become a nightmare. From finding an estate agent and arranging a mortgage to negotiating the best price and moving in, this book is packed with practical advice on every aspect of the Spanish property market. It leads you safely and simply through the legal, logistical and financial minefields, helping you maximise your time and your money to enjoy a hassle-free property purchase. **France \* Spain: Basque Country and Navarre** Murray Stewart, 2024-12-06 This new thoroughly updated third edition of *The Basque Country and Navarre*, Bradt's award-winning guidebook, remains the most in-depth guide to a multi-lingual, multi-cultural borderland that is neither Spain nor France but straddles the Pyrenees mountains that divide the two countries. Bradt's guide offers real insights into a profound regional identity, uncovering the peculiarities which imbue the area with intrigue and takes you way beyond the delightful well-known cities into the heart of the beautiful Basque countryside. Deep-seated Basque traditions, singular cuisine, world-class wine, strange sports, unique language, bold art and architecture all converge to showcase a land that continues to mystify and reveal itself the more you visit. Secluded valleys and rugged mountains, wild coastlines and the vestiges of industry long gone provide a strange mix that pays homage to a troubled past, a lively present and a constant reinvention that promises an exciting future for the Basques. Large and sparsely populated, little-known and little-visited, neighbouring Navarre offers natural attractions ranging from high Pyrenees to arid semi-desert. This former kingdom's troublesome history is waymarked by lonely hilltop castles but only in the frenetic bull-running days of Pamplona's San Fermín festival does it announce itself noisily on the world stage, welcoming hundreds of thousands of visitors to Ernest Hemingway's favourite party town. With advice on where to walk, cycle, horseride, surf and birdwatch, accompanying traditional listings of where to stay and eat, author Murray Stewart guides travellers through this increasingly popular area. Find the best pintxos, tapas and txakoli wine, the finest chuletín (beef chop) and the freshest fish. From elegant Biarritz via the French Basque Pyrénées to the Navarran badlands of Bardenas Reales, travel to fascinating, less-visited places that host thrilling local festivals. New elements in this edition include a host of elegant hotels in San Sebastián, the city on the beach; transport improvements; new restaurants serving culinary specialities; a major reconfiguration of Bilbao's Bellas Artes museum; and constantly evolving wine tourism opportunities. Whether you are a hiker or surfer, foodie or cyclist, spiritualist or golfer, let Bradt's *The Basque Country and Navarre* help you enjoy a fascinating, rewarding holiday. **The Rough Guide to Spain**, 2012-05-04 The new full-colour *Rough Guide to Spain* is the ultimate guide to one of Europe's most vibrant and exciting countries. ### Expedition of Sir John Norris and Sir

Francis Drake to Spain and Portugal, 1589 R.B. Wernham, 2020-11-25 Actions against the Spanish Armada and campaigns in the Netherlands left the Queen's coffers empty For this reason proposals to capture the Spanish treasure fleet were given royal support The treasure fleet homeward bound from the Americas would be intercepted in the Azores A diversion at Santander to damage the Spanish fleet would prevent protection of the treasure fleet and more importantly prevent further actions against England or Ireland However the project was diverted further with backers wanting to re-instate Don Antonio

as King of Portugal with ideas of gaining lucrative Portuguese trade rights At sea a further diversion was taken with news of shipping at Corunna and the prospect of capturing merchantmen Profit was already challenging strategy This diversion gave their enemies more time to prepare The failure at Lisbon was partly from a lack of co ordination between the navy and army but also from the lack of promised support from Don Antonio s supporters The decision to sail for the Azores to intercept the Spanish treasure fleet was at last made only for Drake to be driven back to England by a storm Short of supplies and with sick crews the ships were in no condition to continue with the Queen s demands so there was no great treasure and the Spanish fleet was still in being The sale of prizes and their contents failed to cover the cost of the expedition and so the expedition was considered a financial and strategic failure [The city trip guide for Móstoles \(Spain\)](#) YouGuide Ltd, *The House of Rothschild in Spain, 1812-1941* Mr Miguel A López-Morell, 2013-06-28 Amongst the serried ranks of capitalists who drove European industrialisation in the nineteenth century the Rothschilds were amongst the most dynamic and the most successful Establishing businesses in Germany Britain France Austria and Italy the family soon became leading financiers bankrolling a host of private and government businesses ventures In so doing they played a major role in fuelling economic and industrial development across Europe providing capital for major projects particularly in the mining and railway sectors Nowhere was this more apparent than in Spain where for more than a century the House of Rothschild was one of the primary motors of Spanish economic development Yet despite the undoubted importance of the Rothschild s role questions still remain regarding the actual impact of these financial activities and the effect they had on financial sectors companies and Spanish markets It is to such questions that this book turns its attention utilising a host of archive sources in Britain France and Spain to fully analyse the investments and financial activities carried out by the Rothschild House in Spain during the nineteenth and early twentieth centuries In so doing the book tackles a variety of interrelated issues Firstly fixing the period when the main capital entries sprung from the initiatives taken by the Rothschild family how consequential they really were and the sectors they affected Secondly quantifying the importance of these investments and financial activities and the weight they had on financial sectors companies and Spanish markets as well as in foreign investment in each period Thirdly outlining the steps followed and means used by the Rothschild House in order to achieve the success in each of their businesses Finally analysing the consequences of this phenomenon in the actual growth of Spanish contemporary economy both in a general and in a partial scale By exploring these crucial questions not only do we learn much more about the working of one of the leading financial institutions and the development of the Spanish economy but a greater understanding of the broader impact of international finance and the flow of capital in the nineteenth century is achieved
