*A Long Way Off: Hope and Healing for Hurting Parents* Kitty Murray, 2013-01-09 In 2004 I published a book with B H Publishing Group called *A Long Way Off Hope and Healing for Parents of Prodigals* The book was not about our prodigal Matt It was about us well mostly about me About what I did with my broken mom s heart I wrote the book because I couldn t help it It just kind of oozed out out of the stack of journals that documented day after day of sorrow and soothing as I poured it all out to God and listened to his Word I started meeting parents who felt like I felt They peeped out from under rocks of shame and defeat to timidly admit things weren t right in their Christian homes They needed a book not a book with one two three answers or someday you ll see optimism but a book that was down and dirty that told a story like theirs a story that feels hopeless but isn t I knew there was hope but I wanted to show people where that hope was smack in the middle of God Himself Not in the miracles he might or might not do Not in vague sentiments about kids or family Not even in our prayer efforts Hope for we who hurt over our kids is in Him Alone Now eight years later the book is out of print You can buy one at a time from individual sellers on Amazon for like a buck fifty A writer s worst nightmare I m not asked to speak on Parenting Prodigals at women s retreats anymore I don t get quite as many calls from distraught moms And I m fine with that Besides the prodigal days are over at our house We can sleep at night we don t dread the ringing of the phone and we don t have awkward conversations with our own flesh and blood anymore But not long ago it struck me how callous I d become on the other joyful side of our pain There are thousands of parents out there inducted into the Hurting Parents Club every day What about them And so I ve self published the book If you find yourself googling prodigal late at night I hope this book tells you at least some of what you need to hear
