Graverini, 2025-09-18 Immersion used to be disregarded by academic scholarship as a secondary aspect of ancient narrative It was mostly considered typical of a passive reading style unworthy of intellectual consideration However the study of the immersive strategies adopted by ancient authors can often reveal intriguing and sometimes unsuspected layers of sophistication in their works This makes a valuable contribution to our understanding of ancient literary culture This is the

first monograph that thoroughly analyses how Latin authors of narrative encourage their readers immersion in the fictional world an aspect of fictional literature that is essential to fully understand the artistry and sophistication of many ancient texts Immersed readers of fiction experience the narrative world and its inhabitants the fictional characters as if they were to some extent real This experience affects the readers visual imagination but also their emotional reactions physical sensations enactive responses and interpretive activities deeply engaging texts adopt various strategies to boost all these aspects of the reading experience they afford The book mobilizes the resources and methods of several scholarly approaches both traditional and new to explore these strategies in ancient prose and verse narratives Detailed analysis of language and style is combined with a careful consideration of the more general features of ancient literary genres narratology joins forces with the study of emotions and with neurocognitive perspectives Reader immersion is a pervasive aspect of all kinds of narrative literature but it is more prominent in some texts than in others In this study Luca Graverini analyses a broad range of ancient narrative works spanning several centuries and different literary genres In purely chronological order these include the comedies of Plautus the Aeneid of Vergil the Metamorphoses of Ovid the tragedies of Seneca the Satyricon of Petronius and the Metamorphoses of Apuleius The interpretive approach adopted in this monograph can attract the interest of many readers with different backgrounds and working on different subjects Literature ,1902 **The Reign of George Third, for Fifty Years; the Clyde, and a Number of Other Poems, Descriptive and Religious** John Eadie (Preacher of the Gospel.),1818 **The Story of England** Michael Wood,2012-05-29 In The Story of England Michael Wood tells the extraordinary story of one English community over fifteen centuries from the moment that the Roman Emperor Honorius sent his famous letter in 410 advising the English to look to their own defences to the village as it is today The village of Kibworth in Leicestershire lies at the very centre of England It has a church some pubs the Grand Union Canal a First World War Memorial and many centuries of recorded history In the thirteenth century the village was bought by William de Merton who later founded Merton College Oxford with the result that documents covering 750 years of village history are lodged at the college Building on this unique archive and enlisting the help of the current inhabitants of Kibworth with a village wide archeological dig with the first complete DNA profile of an English village and with use of local materials like family memorabilia the story of Kibworth is the story of England itself a Who Do You Think You Are for the entire nation Better than any historian for decades in In Search of England Wood brings home not just the ways in which buildings landscapes and written texts may be read but the sensual beauty of encounters with them TLS Michael Wood was born and educated in Manchester He was an open scholar in Modern History at Oriel College Oxford where he held a Bishop Fraser scholarship in Medieval History as a postgraduate He has made a number of internationally successful tv series including In the Footsteps of Alexander the Great and four of his books have been UK non fiction number one bestsellers His highly acclaimed book of essays on early English history In Search of England was published by Penguin in 1999 The story-teller; or, Table-book of

popular literature. Ed. by R. Bell Story-teller, 1843 The World's Progress Delphian Society, 1913 Remembering the Myall Creek Massacre Lyndall Ryan Jane Lydon, 2018-06-01 The 1838 Myall Creek Massacre is remembered for the brutality of the crime committed by white settlers against innocent Aboriginal men women and children but also because eleven of the twelve assassins were arrested and brought to trial Amid tremendous controversy seven were hanged Myall Creek was not the last time the colonial administration sought to apply the law equally to Aboriginal people and settlers but it was the last time perpetrators of a massacre were convicted and hanged Marking its 180th anniversary this book explores the significance of one of the most horrifying events of Australian colonialism Thoughtful and fearless it challenges us to look at our history without flinching as an act of remembrance and reconciliation
