

Her Voice

THE wild bee reels from bough to bough
With his furry coat and his gauzy wing.
Now in a lily-cup, and now
Setting a jacinth bell a-swing,
In his wandering;
Sit closer love: it was here I trow
I made that vow,

Swore that two lives should be like one
As long as the sea-gull loved the sea,
As long as the sunflower sought the sun,--
It shall be, I said, for eternity
'Twixt you and me!
Dear friend, those times are over and done,
Love's web is spun.

Look upward where the poplar trees
Sway and sway in the summer air,
Here in the valley never a breeze
Scatters the thistledown, but there
Great winds blow fair
From the mighty murmuring mystical seas,
And the wave-lashed leas.

Look upward where the white gull screams,
What does it see that we do not see?
Is that a star? or the lamp that gleams
On some outward voyaging argosy,--
Ah! can it be
We have lived our lives in a land of dreams!
How sad it seems.

Sweet, there is nothing left to say
But this, that love is never lost,
Keen winter stabs the breasts of May
Whose crimson roses burst his frost,
Ships tempest-tossed
Will find a harbour in some bay,
And so we may.

And there is nothing left to do
But to kiss once again, and part,
Nay, there is nothing we should rue,
I have my beauty,--you your Art,
Nay, do not start,
One world was not enough for two

Longer Poems:

Eight Longer Poems David R. Slavitt, 1990 David R Slavitt brings together eight poems that deal largely with the mind's relation to history personal history and the history of myth and of empires In addressing these two seemingly independent modes of thinking and remembering Slavitt reveals that they are in fact closely related and that they are both part of our poetic consciousness *Selected Longer Poems* A. R. Ammons, 1980-03-17 Readers already familiar with Ammons's longer mode in other books will welcome this new collection while those familiar only with the shorter poems will find their appreciation of his work both deepened and heightened The *Selected Poems* 1951-1977 was described by one critic as an indispensable book *Selected Longer Poems* is an indispensable companion to it The distinguished poet A R Ammons once described himself as not so much looking for the shape as being available to any shape that may be summoning itself through me from the self not mine but ours This availability has enabled his poetic genius to be at home in forms ranging from brief lyrics the best of which he brought together in *The Selected Poems* 1951-1977 all the way to poems of full book length

Collected Longer Poems Hayden Carruth, 1994 For fifty years Hayden Carruth's poetry has been distinguished by the indelible presence of passion compassion and radical philosophy *Collected Longer Poems* gathers the poet's choice of his narrative work and poems in sequence including his epic on the nature of romance *The Sleeping Beauty* and meditative poems on the rural northeast that have made him the most accessible regional poet since Robert Frost Our pre-eminent poet of improvisation within form Carruth's renowned technical genius is perfectly matched to his ear for spoken language and narrative structure By turns caustic and hilarious his observations of that life his own and his neighbors ring as true as his ear for native speech *Collected Longer Poems* completes the two-volume *Collected Poems* begun with the publication of *Collected Shorter Poems* in 1992 a volume that was a finalist for the National Book Award and won the National Book Critics Circle Award **Collected Longer Poems** Wystan Hugh Auden, 1969 [A Long Essay on the Long Poem](#) Rachel Blau

DuPlessis, 2023-03-21 For decades Rachel Blau DuPlessis has shown readers how genres forms and the literal acts of writing and reception can be understood as sites of struggle In her own words writing is a praxis in which the author disappears into a process into a community into discontinuities and into a desire for discovery It is cause for celebration then that we have another work of warm incisive expository writing from DuPlessis in *A Long Essay on the Long Poem* **Collected Longer Poems** Kenneth Rexroth, 2013-05-15 This is a companion volume to the *Collected Shorter Poems* of Kenneth Rexroth which was published in 1967 This is a companion volume to the *Collected Shorter Poems* of Kenneth Rexroth which was published in 1967 All of the long poems written over the past forty years are included *The Homestead Called Damascus* 1920-25 *A Prolegomenon to a Theodicy* 1925-27 *The Phoenix and the Tortoise* 1940-44 *The Dragon and the Unicorn* 1944-50 and *The Heart's Garden The Garden's Heart* 1967-68 As we read the long poems together and in sequence we can see that Rexroth is a philosophical poet of consequence who offers us a comprehensive system of values based on the realization of the ethical

mysticism of universal responsibility He is concerned above all with process the movement from the Dual to the Other I have tried Rexroth writes to embody in verse the belief that the only valid conservation of value lies in the assumption of unlimited liability the supernatural identification of the self with the tragic unity of creative process I hope I have made it clear that the self does not do this by an act of will by sheer assertion He who would save his life must lose it *Poems of John Gay:*

Longer poems, epistles and epistolary verse, eclogues John Gay,1893 **On Extended Wings** Helen Vendler,1969 Though Wallace Stevens shorter poems are perhaps his best known his longer poems Helen Hennessy Vendler suggests in this book deserve equal fame and equal consideration Stevens central theme the worth of the imagination remained with him all his life and Mrs Vendler therefore proposes that his development as a poet can best be seen not in description which must be repetitive of the abstract bases of his work but rather in a view of his changing styles The author presents here a chronological account of fourteen longer poems that span a thirty year period showing through Stevens experiments in genre diction syntax voice imagery and meter the inventive variety of Stevens work in long forms and providing at the same time a coherent reading of these difficult poems She concludes Stevens was engaged in constant experimentation all his life in an attempt to find the appropriate vehicle for his expansive consciousness he found it in his later long poems which surpass in value the rest of his work The Great War, The Waste Land and the Modernist Long Poem Oliver Tearle,2019-03-07

The Great War The Waste Land and the Modernist Long Poem explores how cultural responses to the trauma of the First World War found expression in the form of the modernist long poem Beginning with T S Eliot s The Waste Land Oliver Tearle reads that most famous example of the genre in comparison with lesser known long poems such as Hope Mirrlees s Paris A Poem Richard Aldington s A Fool I the Forest and Nancy Cunard s Parallax As well as presenting a new history of this neglected genre the book examines the ways in which the modernist long poem represented the seminal literary form for grappling with the crises of European modernity in the wake of World War I The Poems of Callimachus Callimachus,2001

This important new verse translation of the extant works and major fragments of Callimachus includes a full Introduction covering the poet s life and times the range of his achievements and the difficulties in the way of appreciation It does not offer as other translations do a mere selection of fragments but presents them as integral parts of the poetry books in which they originally figured as these can be reconstructed in the light of modern research Each fragment is introduced in relation to what precedes and follows it enabling students and general readers for the first time ever to assess what Callimachus was like in his most important productions In addition to this introductory help the Notes take up individual points of difficulty all proper names and adjectives are explained in the Glossary and comparative tables facilitate identification of the translated fragments in the standard editions , **The Best Australian Poems 2009 (EasyRead Large Bold Edition) ,**

Lensing, 1986-12-01 In *Wallace Stevens A Poet's Growth* George S. Lensing examines Stevens gradual emergence and development as a poet tracing his life from his

formative years in Pennsylvania to his careers as a lawyer for the Hartford Accident and Indemnity Company and as one of the major poets of the twentieth century Lensing draws extensively upon previously unpublished material from the Stevens archive at the Huntington Library which contains letters early drafts of poems and notebooks Two notebooks *Schemata* and *From Pieces of Paper* are here reproduced in full The study is divided into three sections In the first Lensing examines the years before the publication of Stevens first volume of poetry paying special attention to the forces that hindered and enhanced his progress toward modernity In the second we see Stevens in the exercise of his craft Lensing discusses the influence of the Romantics on the verse Stevens wrote as an undergraduate at Harvard his interest in Oriental art Cubism and Fauvism his anticipation of Imagism and his imitation of certain French Symbolists Sources of the epigraphs to Stevens poems are identified fully for the first time suggesting the role of Stevens vast reading upon his poetry Also considered is Stevens voluminous correspondence with people from all over the world some of whom he never met personally These letters helped rescue Stevens from the insularity of his business life and aided in the making of his poems The final section treats the critical responses to Stevens poetry by such people as Harriet Monroe editor and founder of *Poetry* who was the first important reader and publisher of his work Attention is also given to Stevens explications of his poems Wallace Stevens *A Poet's Growth* is a comprehensive examination of Stevens live and work This study provides abundant new material which will be of value to scholars and to those readers who are drawn to Stevens poetry
