Longer Stories From The Last Decade:

Shelby Foote C. Stuart Chapman, 2006 A biography that plumbs the ambiguous life of the gentlemanly novelist and historian

Longer Stories from the Last Decade Anton Pavlovich Chekhov, 1993 The short stories of Chekhov are an inexhaustible treasure of humanity and wisdom wrote Elizabeth Hardwick The whole of Russian life lies within them Some six hundred tales bear Chekhov's name not a few of which are the famous long short stories written during roughly the last decade of his brief life This volume gives us eleven of these in eminent translations by Constance Garnett and chosen by Shelby Foote Perhaps the most autobiographical is *Three Years* which offers a portrayal of mercantile greed and exploitation that was new to Russian literature The *Duel* is the story of Ivan Layevsky a self-styled St Petersburg Hamlet who filled with Tolstoyan ideas of a noble life of toil on the land escapes with another man's wife to the Caucasus The ensuing philosophical confrontations among the major characters clearly resemble those in *Uncle Vanya* And in the masterly *Ward No 6* a doctor disgusted by the stupidity and misery of the world of normal men forms such a close relationship with an interesting lunatic that society declares the doctor a lunatic too and incarcerates him The story is devastatingly symbolic of the corruption and hopelessness in Russia toward the end of the autocracy Also included are *The Black Monk* *An Anonymous Story* *A Woman's Kingdom* *The Wife In the Ravine* *Peasants* *The Murder* and *My Life* Chekhov is not only a great writer but even rarer a liberating one said Susan Sontag Shelby Foote has provided an Introduction for this edition

Longer Stories from the Last Decade Anton Pavlovich Chekhov, 2000 The story is devastatingly symbolic of the corruption and hopelessness in Russia toward the end of the autocracy

BOOK JACKET [Out of Print: Ten Years: An Anthology of Stories](#) Indira Chandrasekhar, 2024-07-03 About the book *Out of Print* in print A decade ago in 2010 Indira Chandrasekhar set up *Out of Print* to address a need she felt as a writer a focused platform for the short story a space for robust editorial discussions as well as one that would serve as a platform for discoveries of newer facets of the form itself and of new writing This commemorative volume hopes to capture something of that adventure It is thus not a best of volume but one that speaks to the spirit of the magazine its diversity of literary voices its openness to experimentation its focus on Indian language publishing and its stand against mediocrity Most crucially of course this is an ode to the short story form its art of brevity and honesty

[The Best Short Stories of O. Henry](#) O. Henry, 2010-07-28 The more than 600 stories written by O Henry provided an embarrassment of riches for the compilers of this volume The final selection of the thirty-eight stories in this collection offers for the reader's delight those tales honored almost unanimously by anthologists and those that represent in variety and balance the best work of America's favorite storyteller They are tales in his most mellow humorous and ironic moods They give the full range and flavor of the man born William Sydney Porter but known throughout the world as O Henry one of the great masters of the short story

The Souls of Black Folk W.E.B. Du Bois, 2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time The problem of the twentieth century is the problem of the color line Thus speaks W E B Du Bois in The Souls Of Black Folk one of the most prophetic and influential works in American literature In this eloquent collection of essays first published in 1903 Du Bois dares as no one has before to describe the magnitude of American racism and demand an end to it He draws on his own life for illustration from his early experiences teaching in the hills of Tennessee to the death of his infant son and his historic break with the conciliatory position of Booker T Washington Far ahead of its time The Souls Of Black Folk both anticipated and inspired much of the black consciousness and activism of the 1960 s and is a classic in the literature of civil rights The elegance of DuBois's prose and the passion of his message are as crucial today as they were upon the book's first publication

The Varieties of Religious Experience William James, 2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time The Varieties of Religious Experience is certainly the most notable of all books in the field of the psychology of religion and probably destined to be the most influential one written on religion in the twentieth century said Walter Houston Clark in Psychology Today The book was an immediate bestseller upon its publication in June 1902 Reflecting the pluralistic views of psychologist turned philosopher William James it posits that individual religious experiences rather than the tenets of organized religions form the backbone of religious life James's discussion of conversion repentance mysticism and hopes of reward and fears of punishment in the hereafter as well as his observations on the religious experiences of such diverse thinkers as Voltaire Whitman Emerson Luther Tolstoy and others all support his thesis James characteristic humor his ability

to put down the pretentious and to be unpretentious and his willingness to take some risks in his choices of anecdotal data or provocative theories are all apparent in the book noted Professor Martin E. Marry. A reader will come away with more reasons to raise new questions than to feel that old ones have been resolved.

Media Relations Jane Johnston, 2020-07-25 Public relations and the media are in a time of major change. The rise of social media altered media platforms, evolving legislative environments and new models of communication have altered not only the working environments of public relations and the news and entertainment media but also many aspects of how these industries work together. Media Relations provides a practical and thorough introduction to media work in this changing environment. Based on a solid understanding of media culture and theory, Jane Johnston shows how to steer a path between the technical and human elements of media relations. This second edition has been revised throughout and includes new case studies and new chapters on digital and social media, media campaigns and legal and ethical considerations. Media Relations: Issues and Strategies is written in an engaging, easy-to-understand style. It provides excellent examples and cases of media relations. *Global Media Journal*

The Vanishing Indian Upper Class Terry Williams, Raza Mohammed Khan, 2020-10-30 This book itemizes the familial, cultural, religious and historical themes in a unique life story. The book is distinctive in that it continues the life story as a sociological genre and as a methodological construct; it attempts the comprehensive life story which engages the totality of a person's life by capturing the essence and the development of a peerless human being. Though there are questions whether it is possible to arrange the totality of a life, an important part of the legacy at the moment comes in various forms including biographies, video diaries, autobiographies, home web pages and journals, but I realize all life stories are constructed and partial yet the attempt here is to tell a story of a member of the ruling elite rarely told. This book is part of a series about cosmopolitan life and no better way to serve that purpose than to use the life story as part of that tradition.

Sex, Death and Other Inspiring Stories Rose Rouse, Rose Rouse a journalist and Suzanne Noble a serial entrepreneur created *Advantages of Age* out of a conversation in a hot tub in 2016. We didn't like how we were being depicted in the media as we got older. *Advantages of Age* is a social enterprise designed to passionately challenge the prevailing negative stereotypes around ageing. No, we're not all grandparents; some of us are over 50, single and childless. We don't wish to be defined by the reductive headlines we see around us. We are writers, filmmakers, singers, press officers, death doulas, psychotherapists and so much more. We are not all retired. We surf, play tennis, lift weights. We have sex, we don't have sex. We have partners, we don't have partners. We're an eclectic bunch. In this collection of essays gathered from seven years of commissioning *AoAers*, share their thoughts on life, love, sex, death, adventures on their terms, lockdown and everything in between. We hope we're doing our bit to re-define and re-frame what getting old means.

Queen of the Pulps Laurie Powers, 2019-09-26 Daisy Bacon, the opinionated autocratic

and complex editor of Love Story Magazine from 1928 to 1947 chose the stories that would be read by hundreds of thousands of readers each week. The first weekly periodical devoted to romance fiction and the biggest selling pulp fiction magazine in the early days of the Great Depression, Love Story sparked a wave of imitators that dominated newsstands for more than twenty years. Disparaged as a love pulp, the magazine actually championed the modern girl, bringing its heroines out of the shadows of Victorian poverty and into the 20th century. With Love Story's success, Bacon became a national spokesperson, declaring that the modern woman could have it all in love, in marriage, and in the business world. Yet Bacon herself struggled to achieve that ideal, especially in her own romantic life built around a long-term affair with a married man. Drawing on exclusive access to her personal papers, this first-ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships.

Stories of Four Decades Glenn Meeter, 2009-09

A number of the stories in Glenn Meeter's *Stories of Four Decades* have been reprinted most frequently in *Hard Row* and *A Harvest*, but they all made their first appearance in publications as diverse as *The Atlantic Monthly*, *Redbook*, *Epoch*, *The Literary Review*, and *The Reformed Journal*. Each story has its own individual appeal. Each has its own style, theme, mood, its own plot and setting, and its own cast of characters who come fully to life only within its boundaries. Even Peter Heitz in *The Oppressor* has different problems and preoccupations from the slightly older character with the same name in *The Convert*. But set with others in a collection that touches major points in life stories of youth, followed by those of marriage and parenthood, and finally *New Journeys*, each story takes on new dimensions. Together they form a tableau of life in the American Midwest and California, a mid-century Mecca for Midwesterners from the forties through the seventies. One thinks of the slow clank-clank of tire chains on mall-town winter streets in the first story, the visitors to Grandmother's house paying Chicago tolls in the last, and in between, Lost Angeles freeways and South Dakota gravel roads. Another dimension is as ancient as Joseph in Egypt, the clash of rural and village culture with urban modernity. Some characters need to break away from the village culture, faith, family, community; some lose it and re-create it. Some seek it out. All need to re-interpret it. And all struggle to maintain and pass on some aspects of that culture, if only the awed thankfulness of the traveler in *A Harvest* who exclaims about his own journey, but my God, what a delight just to travel through.

The Short Stories of Yūsuf Idrīs

Kurpershoek, 2023-09-20

Arabic literature is noted for its tradition-conscious consistency and sophistication. In the classical period, poetry and prose reached a high level of refinement and attained standards which are still being applied in the modern Arab world today. The literature of the modern post-classical period is no less sophisticated, being a vibrant and flourishing expression of the continued Arabic tradition. The series *Studies in Arabic Literature Supplements to the Journal of Arabic Literature*, founded in 1971, is concerned with all kinds of literary expression in Arabic, including the oral and vernacular traditions of both the modern and the classical periods. Studies in the series can be literary, historical, analytical, or comparative in nature and can treat of individual works, authors, and genres as well as literary traditions in a wider context.

Studies dealing with the social political and philosophical backgrounds of Arabic literature are particularly welcome in the series The series comprises monographs thematic collections of articles handbooks textual editions and annotated translations Text editions are as a rule accompanied by a translation on facing pages both text editions and translations should include comprehensive critical introductions which give a full and proper appreciation of the text or texts in question
