Bhatnagar,2012-11-14 Every author believes that his or her book is meant for everyone In this respect however I am the biggest beneficiary In the process of writing these reflections for over ten years and lately compiling and editing them I have finally understood my faith deeply Consequently confidence that I lacked about Hinduism during my adult years has been replaced with pride in graying years At times it has taken me to such a height that in a few reflections I have propounded a thesis that India will be a true secular country only when it will be constitutionally a Hindu state The practice of secularism in India since 1947 has been reduced to anti Hinduism and Hindu bashing paradoxically more so by Hindus than by non Hindus It is making India porous for attacks by the terrorists who are both homegrown and foreign based History is repeating itself The Hindus remain totally divided in half a dozen political parties A sterling lesson of India's history is that traders preachers and persecuted humanity of every foreign faith were permitted sheltered and welcomed by the Hindu kings whose kingdoms stretched from the coasts of Malabar in Kerala to Kuchh in Gujarat to Karachi in Sindh starting more than one thousand years ago Doesn't it make pristine Hinduism akin to humanism What an incredible journey of this realization to dawn after nearly six decades **Miracles of Face Yoga** Mansi Gulati,2021-10-10 *Miracles of Face Yoga* by Mansi Gulati is a comprehensive guide that introduces readers to the practice of face yoga an ancient technique that involves exercises and massage techniques to improve the tone elasticity and overall appearance of the face Gulati shares practical tips and exercises to help readers achieve a more youthful and radiant complexion Key Points Gulati explains the principles and benefits of face yoga highlighting how specific exercises and techniques can stimulate blood circulation strengthen facial muscles and promote a healthy glow offering readers natural and non invasive methods to enhance their facial appearance The book provides step by step instructions and visual illustrations for a wide range of face yoga exercises including facial massages acupressure points and muscle strengthening movements allowing readers to easily incorporate these practices into their daily routine *Miracles of Face*
