Our Dogs, Ourselves Alexandra Horowitz, 2019-09-03 From the 1 New York Times bestselling author of Inside of a Dog and The Year of the Puppy an eye opening informative entertaining and enlightening BookPage celebration of the human canine relationship for the curious dog owner and science lover alike We keep dogs and are kept by them We love dogs and we assume we are loved by them We buy them sweaters toys shoes we are concerned with their social lives their food and their health The story of humans and dogs is thousands of years old but is far from understood In Our Dogs Ourselves Alexandra Horowitz explores all aspects of this unique and complex relationship that dog lovers will savor and absorb Shelf Awareness As Horowitz considers the current culture of dogdom she reveals the odd surprising and contradictory ways we live with dogs We celebrate their individuality but breed them for sameness Despite our deep emotional relationships with dogs legally they are property to be bought sold abandoned or euthanized as we wish Even the way we speak to our dogs is at once perplexing and delightful In thirteen thoughtful and charming chapters Our Dogs Ourselves affirms our profound affection for this most charismatic of animals and makes us see canine companions in new ways Science News

Tracking dogs Roland Berger, 2022-04-15 Tracking or Mantrailing in a slightly different form is a useful activity for your dog Actually you do not have to teach him much here because your dog can sniff quite certainly and he also does day after day with every walk So why do you need to train your dog in tracking Well tracking work is a bit more profound You yourself or another person lay a track for your dog to follow But of course not somehow because there are rules for this You can even take certain exams to be able to lead your dog as a recognized tracking or rescue dog For mantrailing similar rules apply but here no artificially laid track is followed by your four legged friend but the dog is trained so that he can follow the scent of a very specific person and thus for example find a missing person The contents of the book are The

tracking work The tracking training Difficulties in nature Mantrailing and ID tracking The trail The examination to the recognized tracking dog Learning tips Conclusion Can your dog do it Most definitely there are very few exceptions where this sport should be avoided These will be explained to you in this guide In addition you will learn how to train your tracking dog to be a tracking dog and what you need to do it You will get all the background information you need to take your fdog on the trail Enjoy reading learning and training
