Look Back To Earth:

2012...The Year Jesus (Yeshua) Finally Came Back to Earth Dante P. Chelossi Jr,2012-09-13 This controversial subject matter about the return of Jesus Yeshua to earth in modern times to come face to face with humanity once again after almost twenty centuries has been something thought about and anticipated by millions of people since the time of his physical departure There is also the human curiosity about what would happen if and when he did actually return to earth There have been many times when this event was predicted over the centuries about when he would arrive and every time it did not happen Patience and faith still continued afterwards after much disappointment of the believers This hope of his return is embedded within the souls of millions of people on our planet Even though this story in this book is fiction it will still make the reader wonder about how he or she would react if someone were to show up one day in the near future on a world stage and declare that he is indeed the very same man that modern day people call Jesus Yeshua who was crucified on a wooden cross almost two thousand years ago by the Romans Certainly unarguable proof from this man claiming to be Jesus Yeshua would need to be so utterly convincing that even nonbelievers who are not necessarily religious would be convinced without argument The author will be able to show an event that he has created in this book and prove to anyone that if this event were to actually happen before their eyes it would be hard for them to deny that this person is in fact who he claims to be This event is so extraordinary and unbelievable that denial that this person is Jesus Yeshua would be impossible **NASA Magazine** United States. Villarreal,2013-02-14 An earthquake and nuclear meltdown in Japan has forced the worlds governments to inoculate earths population against a new form of radiation being used at the Fukushima nuclear plant in Japan Those inoculated the majority of the worlds population had a reaction which turned them into violent primitive humans With all of the governments gone a group of survivors must scavenge the abandoned world for supplies and fight off the primitive monsters to keep our civilization and our race from disappearing With the worlds population dwindling they find out that these primitive beings are not their worst enemies but rather man himself Glimpses into the heavens Samuel Fellows,1901 **Between Heaven and Earth** Steve Berger,2014-03-04 Be Transformed by a Glimpse of Paradise What will heaven be like What will we do Who will we see How can I become more excited about heaven as my true home Is it possible that knowing more about heaven will result in greater joy and purpose in my daily life It s not easy separating fact from fiction when it comes to heaven nor is it always easy to see how the afterlife can affect our lives today After a car accident caused his nineteen year old son to unexpectedly enter heaven Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son s new eternal home He had no idea how much there was to learn and his life hasn t been the same since This biblical and deeply personal study of heaven will give you hope for the future But more than that it will show you what it means to live today in light of the reality of heaven If your

view of heaven isn't life changing it needs to be adjusted Let Pastor Berger's exploration of eternity fill you with overflowing hope courage and purpose Sometimes we feel stuck stuck between the hope of heaven and the pain of this world In Between Heaven and Earth my friend Steve Berger shows us how to not only live in that tension but how and why we should embrace it Dave Ramsey New York Times bestselling author and nationally syndicated radio show host I grew up hearing people say Some Christians are so heavenly minded they are of no earthly good Nowadays it seems like the church has become so earthly minded we're of no heavenly good In Between Heaven and Earth my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind set Colossians 3:1-2 in order to make a real difference in people's lives while we remain on earth Embrace the truths of this book learn how to have your heart in heaven and your hand in the harvest It's one decision you'll never regret Jeremy Camp When my friend Steve Berger talks about heaven I sit up and listen I've walked with Steve as he's faced the trials of this life and I've observed how he has emerged with a deeper faith and love for the Father and the people around him What he has taught me makes me long for heaven It also makes me want to spend my time on earth making a difference and finishing well Michael W Smith A beloved pastor and teacher Steve Berger taught for years on the reality of heaven even as we serve Christ on earth never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment Some of God's greatest mysteries are wrapped up in tragedy but the tear stained wisdom mined in that darkness is a gift to us all In this marvelous book heaven will become a greater reality even as we are invited to live our lives on earth with greater passion Sheila Walsh author of The Storm Inside Steve has a rich compelling perspective on Glory that will give you fresh grace to lean into the perfect love of Jesus today Therefore I encourage readers not to stop at just one instead buy a whole case of these puppies and pass them out to all your friends and family Lisa Harper author Bible teacher and Women of Faith speaker In stark contrast to the Bible and the whole of Christian history today's believers think little about heaven and much about the comforts challenges and distractions of this life In this much needed corrective Pastor Steve Berger challenges and equips us to be more heavenly minded so we can in fact be more earthly good Michael Hyatt New York Times bestselling author

Descendants of Earth Tara Jade Brown,2023-06-01 Five thousand years in the future the Earth is dead A galactic network of terraformed planets connected by teleportation portals is populated by the genetically improved Descendants The original Humans labeled dangerous and barbaric are kept under constant surveillance and contact with the Descendants is strictly forbidden In this seemingly peaceful society Dora Dana Dasnan a gifted Visionaire serves the leading race of Descendants by reporting her Visions of the future But when she witnesses a forbidden Vision an intimate contact with a Human man she realizes her life is in danger Escape from this disciplined and controlled society seems impossible but just when Dora loses all hope a teleportation error sends her to a new and astoundingly beautiful planet Here begins a remarkable journey where she adapts to an alien culture learns the frightening truth behind her dystopic world and experiences a Vision of the future that could save the Human race Descendants of Earth is a trilogy comprising The Senthien The Mind and The Vision blending science fiction and dystopian fiction with romance **The Earth Story in the New Testament** Norman C. Habel,Vicky Balabanski,2002-10-01 The Earth Bible is an international project including volumes on ecojustice readings of major sections of the Bible The basic aims of the Earth Bible project are to develop ecojustice principles appropriate to an Earth hermeneutic for interpreting the Bible and for promoting justice and healing for Earth to publish these interpretations as contributions to the current debate on ecology ecoethics and ecotheology to provide a

responsible forum within which the suppressed voice of Earth may be heard and impulses for healing Earth may be generated The project explores text and tradition from the perspective of Earth employing a set of ecojustice principles developed in consultation with ecologists suspecting that the text and or its interpreters may be anthropocentric and not geocentric but searching to retrieve alternative traditions that hear the voice of Earth and value Earth as more than a human instrument The lead article in Volume V is a reflection in responses to the ecojustice principles employed in the hermeneutic of the project Several articles offer insights into New Testament texts that seem to devalue Earth in favour of heaven The final article by Barbara Rossing challenges the popular apocalyptic notion that in the new age Earth will be terminated A feature of this volume is a dialogue between Norman Habel who argues that John One seems to devalue Earth and two respondents Elaine Wainwright and Vicky Balabanski who is coeditor of this volume with Norman Habel 1 **The Living Age** ,1905 The Second Jewel of Earth James W. Greenhalge,2003-12-11 So much collected wisdom and still no answers observed a very familiar male voice behind him The hair on the back of his neck rose No it couldn't be That was yesterday in another reality He shivered involuntarily hoping he was wrong about the voice The traveling begins again The Second Jewel of Earth follows the continuing story of a solitary man swept up in a fantastic battle to save his world But is it really his world Centaurs trolls and animal headed human compromises inhabit this strange new reality with malevolent enemies bent on his destruction And the pendant about his neck glows with the presence of the First Jewel a blood red reminder that the King he serves is more fearsome than his enemies Sequel to his popular novel The First Jewel of Earth the author takes you on yet another journey to the distant past as the Traveler searches for the second jewel to his incredible pendant This series surveys Biblical prophesy and ancient history revealing the origins of a supernatural war whose decisive battle is being fought today As you join in this adventure you will never travel alone Come enjoy your journey The Third Jewel of Earth is expected in late 2004
