Bipolar, Abba (Father) and My Inner Child Magdalen Preast, 2015-08-14 In October of 2001 after taking an anti depressant I flipped into a manic episode I was hospitalized and diagnosed with bi polar disorder 1 with psychotic features Many years went by and I had taken pretty much all of the medications that were prescribed for my mental illness I knew that I had to be on some kind of medication but I was frustrated with all of the combinations and side effects that caused havoc in my life At times I found myself thinking about ending it all but deep in my heart I knew that was not going to be the story of my life Abba has much

more in His plan for my life and you are involved in it After much searching and praying I found my sense of spiritual awareness and my gifts of writing and artwork I also found the child within me who was longing to come out and let me know that my life really mattered With her I was taken to unforeseen places and mysterious happenings began to unfold So come with me for a little while and experience what happens to the mind when it leaves the world behind and takes you soaring into another time On the front cover is my own artistic interpretation of bi polar disorder Magdalen Preast A portion of the proceeds will go to N A M I National Alliance for Mental Illness in Boise Idaho for the surrounding areas The Idolatry of the Church of Rome Discussed by the Rev.
