The Loretto manual Loreto manual, 1891 *Our Lady of KIBEHO*

Immaculée Ilibagiza, 2008-11-28 No matter what your race religion political affiliation or personal belief system you will be inspired by Our Lady of Kibeho a true story of the power of faith and the great potential of forgiveness John Fund columnist for The Wall Street Journal Thirteen years before the bloody 1994 genocide that swept across Rwanda and left more than a million people dead the Virgin Mary and Jesus Christ appeared to eight young people in the remote village of Kibeho Through these visionaries Mary and Jesus warned of the looming holocaust which they assured could be averted if Rwandans opened their hearts to God and embraced His love Much like what happened at similar sites such as F tima and Lourdes the messengers of Kibeho were at first mocked and disbelieved But as miracle after miracle occurred in the tiny village tens of thousands of Rwandans journeyed to Kibeho to behold the apparitions For years countless onlookers watched as the Mother and Son of God spoke through the eight seers about God s love sending messages that they insisted were meant not only for Rwandans but for the entire world to hear Mary also sent messages to government and church leaders to instruct them how to end the ethnic hatred simmering in their country She warned them that Rwanda would become a river of blood a land of unspeakable carnage if the hatred of the people was not quickly quelled by love Some leaders listened but very few believed the prophetic and apocalyptic warnings tragically came true during 100 horrifying days of savage bloodletting and mass murder After the genocide and two decades of rigorous investigation Our Lady of Kibeho became the first and only Vatican approved Marian that is related to the Virgin Mary site in all of Africa But the story still remains largely unknown Now Immacul e Ilibagiza plans to change all that She made many pilgrimages to Kibeho both before and after the holocaust personally witnessed true miracles and spoke with a number of the visionaries themselves What she s discovered will deeply touch your heart

In Search of Mary Sally Cunneen, 2010-12-15 Mary relic of the religious past or beacon of the

future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and technology does devotion to Mary persist In Search of Mary is Sally Cunneen s provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life Survival United States.
