Looking Forward By Arthur F Burns:

Looking Forward [by] Arthur F. Burns National Bureau of Economic Research Staff, *Hearings, Reports and Prints of the Joint Economic Committee* United States. Congress. Joint Economic Committee, 1975 **Income Distribution Theory** Martin Bronfenbrenner, 2017-09-05 This is a well grounded restatement defense and development of the theory of income distribution in both its micro and macroeconomic aspects The author an authority in the field who has spent many years developing the ideas in this book balances neoclassical theories with Keynesian and radical approaches He considers income distribution theory in terms of ideology statistics micro and macroeconomics income policies and the poverty problem The result is a distinctive and comprehensive treatment of a subject that has polarized many economists over many decades Bronfenbrenner reacts against conventional theories that concentrate on output markets virtually ignoring input prices He also opposes the brand of institutionalism that regards democratic business unionism as an American institution that can do no wrong Overall Bronfenbrenner presents an eclectic defense of a traditional theory of economics that has been under attack from rival viewpoints with insufficient rebuttal and that proves to be a powerful tool of analysis in dealing with this subject The book is organized into three main parts an ideological and statistical personal introduction to income distribution microeconomic distribution theory and macroeconomic distribution theory A final chapter considers incomes policies with a rather skeptical view of the prospects for political control of income distribution within a basically free economy The manuscript has been widely used and class tested over the past thirty five years The book will be useful to professional economists It may be used as a basic text in courses on income distribution and as a supplementary text in microeconomic theory Hearings United States. Congress. House. Committee on Banking and Currency, 1970 **First Concurrent Resolution on the Budget, Fiscal Year 1978** United States. Congress. Senate. Banking, Currency and Housing Committee, 1975 Federal Reserve Consultations on the Conduct of Monetary Policy United States. Congress. House. Committee on Banking, Currency, and Housing, 1975 *Income Inequality in America: An Analysis of Trends* Paul Ryscavage, 2015-05-20 What is income inequality How is it measured Is the middle class really declining How does it relate to poverty How long has inequality been rising in the US Have there been other periods in history when income differences were as large as they are today What are the causes of growing income and wage inequality The author addresses these and other conceptual issues in eight carefully reasoned and clearly presented chapters Concluding with an analysis and comparison of trends in wage inequality in other developed countries he asks the final speculative question How much more growth in inequality can our society withstand **The ... Midyear Review of the Economy** United States. Congress. Joint Economic Committee, 1975 Bibliographical and biographical catalog of persons Universität Kiel. Institut für Weltwirtschaft. Bibliothek, 1966 **An Appraisal of the 1950 Census Income Data, Volume 23** National Bureau of

Economic Research,2015-12-08 This volume from the 1956 Conference deals with the nature reliability and the uses of the income data included in the 1950 census It contrasts this data with income information from other sources field surveys and administrative records of government regulatory fiscal and social security agencies Another group of papers deals with substantive findings based on income data Of three papers of a more general nature one surveys the frontiers of size distribution research another builds a bridge between the census data and other income data and a third provides an historical review of income questions in census surveys Originally published in 1958 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
