Looking Forward Fdr And The Era Of The New Deal Series:

Looking Forward Franklin Delano Roosevelt, 2009-01-13 Originally published New York J Day Co 1933 *Reprint Expediting Service Bulletin* ,1973 **The Reprint Bulletin Book Reviews** ,1973 *Reprint Bulletin* ,1972 **The Proud Decades** John P. Diggins, 1988 What happens when public figures private selves are put forth for examination by public audiences How do the personal struggles of music artists specifically those with immigrant backgrounds compare to the private struggles of other individuals At a time when many countries in the European Union experience an increase in far right political party activities how do individuals from the margins negotiate new ways of thinking about identity offering hope for greater understanding of shared struggles across societies This book offers interpretations of identity and belonging by examining the work of two music artists Faudel Belloua from France and Adam Tensta from Sweden By analyzing texts produced by these individuals I argue that ongoing engagement with the materials produced by Belloua and Tensta a process which I refer to as living biography presents a unique window into the process of how Belloua and Tensta connect personal struggles to public issues providing a compelling departure point for further discussions on how interpretations of national identity are changing in France and Sweden and beyond **The End of American Exceptionalism** David M. Wrobel, 1993 A lucid and rewarding synthesis of cultural and western history Richard W Etulain author of *Writing Western History* Wrobel makes a fine contribution to the study of myth by analyzing the anxiety or angst Americans felt about the frontier in the half century after 1890 This is an excellent book on a big subject executed with much skill *Western Historical Quarterly* Direct admirably brief and crisply written *Journal of American History* **Franklin D. Roosevelt and the Third American Revolution** Mario R. DiNunzio, 2011-04-07 This book argues that Franklin D Roosevelt s work of which the New Deal was a prime example was rooted in a definitive political ideology tied to the ideals of the Progressive movement and the social gospel of the late 19th century Roosevelt s New Deal resulted in such dramatic changes within the United States that it merits the label revolutionary and ranks with the work of Washington and Lincoln in its influence on the American nation The New Deal was not simply the response to a severe economic crisis it was also an expression of FDR s well developed political ideology stemming from his religious ideas and his experience in the Progressive movement of Theodore Roosevelt and Woodrow Wilson *Franklin D Roosevelt and the Third American Revolution* describes the unfolding of his New Deal response to the crisis of the Depression and chronicles the bitter conservative opposition that resisted every step in the Roosevelt revolution The author s analysis of Roosevelt s political thought is supported by FDR s own words contained in the key documents and various speeches of his political career This book also documents FDR s recognition of the dangers to democracy from unresponsive government and identifies his specific motivations to provide for the general welfare **Hillary's America** Dinesh D'Souza, 2016-07-18 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country Political Communication Richard M. Perloff, 2013-10-18 In this

political communication text Richard M Perloff examines the various ways in which messages are constructed and communicated from public officials and politicians through the mass media to the ultimate receivers the people With a focus on the history of political communication he provides an overview of the most significant issues in the study of politics and the media In addition to synthesizing facts and theories and highlighting the scholarly contributions made to the understanding of political communication effects Political Communication addresses such factors as the rhetorical accomplishments of American presidents the ongoing tangles between the press and the presidency and the historical roots of politics as it is practiced and studied today It also addresses major issues about the press and politics that continually resurface such as question of press bias and the use and manipulation of media by politicians to accomplish national goals As a comprehensive and engaging introduction to contemporary political communication this volume provides all readers with a historical perspective on American politics and press and offers a unique appreciation of the strengths and virtues of political communication in America

The Three Roosevelts James MacGregor Burns, Susan Dunn, 2001 Examines the lives of American leaders Theodore Franklin and Eleanor Roosevelt looking at how they emerged from lives of privilege to become the instigators of progressive change in the United States and considering their impact on the political and moral landscape of the country

The New Deal's War on the Bill of Rights David T. Beito, 2023-10-10 Spying on citizens Censoring critics Imprisoning minorities These are the acts of dictators not American presidents Or are they The legacy of President Franklin D Roosevelt enjoys regular acclaim from historians politicians and educators Lauded for his New Deal policies leadership as a wartime president cozy fireside chats and groundbreaking support of the forgotten man FDR we have been told is worthy of the same praise as men like Washington Jefferson and Lincoln But is that true Does the father of today's welfare state really deserve such generous approbation Or is there a dark side to this golden legacy The New Deal's War on the Bill of Rights The Untold Story of FDR's Concentration Camps Censorship and Mass Surveillance unveils a much different portrait than the standard orthodoxy found in today's historical studies Deploying an abundance of primary source evidence and well reasoned arguments historian and distinguished professor emeritus David T Beito masterfully presents a complete account of the real Franklin D Roosevelt a man who abused power violated human rights targeted dissidents and let his crude racism imprison American citizens merely for being of Japanese descent Read it and discover how FDR shamelessly censored critics of his administration barred them from the public square destroyed their careers and even bankrupted them when possible locked up Japanese American citizens in concentration camps built on American soil sowed the seeds of today's out of control surveillance state and much much more Here is an all too rare portrait of a man who changed the course of American history not for the better Read it and you'll never view the fireside president the same again

FDR Iwan Morgan, 2022-07-14 One of the greatest American presidents Franklin Delano Roosevelt built a coalition of labour ethnic urban low income and African American voters that underwrote the Democratic Party's national ascendancy from the 1930s

to the 1980s Over his four terms he promoted the New Deal the greatest reform programme in US history to meet the challenges of the Great Depression led the United States to the brink of victory in the Second World War and established the modern presidency as the driving force of American politics and government Iwan Morgan takes a fresh look at FDR showing how his leadership enabled the United States of America to become the most successful country of the twentieth century This astute and original assessment of a highly consequential presidency explains how Roosevelt enhanced the governing capacity of his office promoted a constitutional revolution through his dealings with the Supreme Court and forged a new intimacy between the president and the American people through his genius for political communication It also demonstrates the significance of his organizational and strategic leadership as commander in chief in America s greatest foreign war his role in holding together the US British Soviet Grand Alliance against the Axis powers and his pioneering development of the national security presidency that sought to promote a lasting post war peace for the world In fluid immensely readable prose Morgan focuses on the ways in which FDR transformed the presidency into an institution of domestic and international leadership to establish the modern ideal of the office as an assertive democratic executive charged with meeting the challenges facing the US at home and abroad

Lionel Barrymore Kathleen Spaltro, 2024-08-13 Once called the most gifted character actor of our time by Broadway theater producer Arthur Hopkins Lionel Barrymore 1878 1954 was part of the illustrious Barrymore acting dynasty Although he garnered success on stage and screen and was a talented actor writer director visual artist and composer he never quite escaped the shadow of his family members including his brother John famous for his leading roles Barrymore won the Academy Award for Best Actor in *A Free Soul* 1931 and was nominated for Best Director for *Madame X* 1930 However he is best known for his role as Mr Potter in *It s a Wonderful Life* 1946 and as the voice of Ebenezer Scrooge in radio broadcasts of *A Christmas Carol* from 1934 to 1953 He spent the last two decades of his career playing versions of his signature character the curmudgeonly but lovable gentleman in a variety of films from *You Can t Take It With You* 1938 to *Key Largo* 1948 Barrymore worked alongside some of Hollywood s most recognizable names including Humphrey Bogart James Stewart Frank Capra Lauren Bacall Clark Gable and Ava Gardner and his legacy is enshrined at the Hollywood Walk of Fame where he has two stars one for radio and one for film In *Lionel Barrymore Character and Endurance in Hollywood s Golden Age* Kathleen Spaltro examines Barrymore as an individual rather than just a supporting cast member of the famous dynasty This comprehensive study divides Barrymore s life into three compelling acts Act One follows Barrymore s early days his failed endeavor as a visual artist his performances in the family vaudeville acts his first silent motion pictures and his greatest successes and failures on the stage Act Two details Barrymore s establishment as a fixture at MGM his foray into directing his success as the first actor to thrive in the talkies and his estimable Oscar winning performance Finally Act Three expounds on Barrymore s curation of his trademark character the endearing grouch his exploits in radio and his fateful final years Spaltro also unearths Barrymore s personal challenges recounts his difficulties with and sometimes estrangement from

members of his family and delves into the devastating losses Barrymore suffered his divorce the deaths of his two daughters and later the death of his second wife and the accidents that eventually led to permanent disabilities requiring the use of a wheelchair Lionel Barrymore is a detailed multifaceted portrait of a brilliant character actor

FDR's Republicans Robert E. Jenner,2010-01-01 FDR s Republicans illuminates the debate over foreign policy that took place in the United States prior to World War II Robert E Jenner approaches this issue from the perspective of Republican members of the House and Senate who eventually came to support the interventionist position of a Democratic president Unlike other diplomatic histories of this period FDR s Republicans focuses on domestic components of the foreign policy debate combining historical analysis and political theory Jenner recounts the Republican Party s internationalist roots under McKinley the split of 1912 and the defeat of the League of Nations in deference to its agrarian progressive wing Taking both a local and national approach he provides in depth analysis of the party s reaction to the FDR landslides of 1932 and 1936 the party s resurgence in 1938 FDR s aggressive defense of the New Deal and the decline of the party s agrarian progressive faction The result is a broader explanation of the battle that raged between isolationists and interventionists as well as the failure of policy makers to deter fascism at an earlier date

Maury Maverick Richard B. Henderson,2010-07-22 Maury Maverick was possibly the first liberal United States Congressman from Texas to achieve national and even international stature A dedicated Democrat he was ready to attack Franklin D Roosevelt whenever he felt that Roosevelt was flagging in his enthusiasm for reform He was honest to the point of rudeness and he belonged to the damn the torpedoes class that pulled ahead regardless of political consequences He was at home with the literate he was a prodigious writer and speaker but always ready to puncture their pretensions And he could cuss with sailors pecan shellers and any breed of saloon keeper Put all that together with a short stocky bulldog frame a fierce face and a voice to match and you have one of the nation s more colorful political figures

FDR's Gambit Laura Kalman,2022-09-13 When Franklin Roosevelt proposed adding up to six new justices to the Supreme Court in 1937 a firestorm exploded FDR was accused of Court packing dictatorial ambitions political trickery undermining the rule of law and undercutting judicial independence Drawing upon extensive archival research Laura Kalman revises the conventional wisdom by telling the story as it unfolded in FDR s Gambit She argues that acumen not arrogance accounted for Roosevelt s actions Far from erring tragically he came very close to getting additional justices and the Court itself changed course

Supreme Power Jeff Shesol,2011-03-14 A stunning work of history Doris Kearns Goodwin author of No Ordinary Time and Team of Rivals Beginning in 1935 the Supreme Court s conservative majority left much of FDR s agenda in ruins The pillars of the New Deal fell in short succession It was not just the New Deal but democracy itself that stood on trial In February 1937 Roosevelt struck back with an audacious plan to expand the Court to fifteen justices and to pack the new seats with liberals who shared his belief in a living Constitution

The Big Lie Dinesh D'Souza,2017-07-31 Of course everything D Souza says here is accurate But it s not going to sit well with people on the American left who of course

are portraying themselves as the exact opposite of all of this RUSH LIMBAUGH The explosive new book from Dinesh D Souza author of the 1 New York Times bestsellers Hillary s America America and Obama s America What is the big lie of the Democratic Party That conservatives and President Donald Trump in particular are fascists Nazis even In a typical comment MSNBC host Rachel Maddow says the Trump era is reminiscent of what it was like when Hitler first became chancellor But in fact this audacious lie is a complete inversion of the truth Yes there is a fascist threat in America but that threat is from the Left and the Democratic Party The Democratic left has an ideology virtually identical with fascism and routinely borrows tactics of intimidation and political terror from the Nazi Brownshirts To cover up their insidious fascist agenda Democrats loudly accuse President Trump and other Republicans of being Nazis an obvious lie considering the GOP has been fighting the Democrats over slavery genocide racism and fascism from the beginning Now finally Dinesh D Souza explodes the Left s big lie He expertly exonerates President Trump and his supporters then uncovers the Democratic Left s long cozy relationship with Nazism how the racist and genocidal acts of early Democrats inspired Adolf Hitler s campaign of death how fascist philosophers influenced the great 20th century lions of the American Left and how today s anti free speech anti capitalist anti religious liberty pro violence Democratic Party is a frightening simulacrum of the Nazi Party Hitler coined the term the big lie to describe a lie that the great masses of the people will fall for precisely because of how bold and monstrous the lie is In The Big Lie D Souza shows that the Democratic Left s orchestrated campaign to paint President Trump and conservatives as Nazis to cover up its own fascism is in fact the biggest lie of all **Threshold** Thom Hartmann, 2009-07-23 From America s 1 progressive radio host the ideological heir to his influential The Last Hours of Ancient Sunlight More than three million listeners tune in every weekday to hear what Thom Hartmann has to say about the state of our world Now as the first decade of the twenty first century closes amid economic collapse and the seeming ruin of the American Dream America s 1 rated progressive radio host sounds an urgent call to arms for building a better more sustainable world while there s still time Offering not just an indictment of the failures that have courted economic demographic and environmental ruin Hartmann also outlines five critical personal and policy solutions to bring us back from the brink Threshold like Jared Diamond s Collapse is radical but rooted in common sense illuminating the necessary next steps in the evolution of mainstream thinking **Prologue** , 2015
