gay liberation movements Examining the youth cult film the neo Western southern and the new nightlife film Nystrom shows how these cinematic renderings of white working class masculinity actually tell us more about the crises facing the middle class during the 1970s than about working class experience itself Hard Hats thus demonstrates how these representations of the working class serve as fantasies about a class Other fantasies that offer imaginary resolutions to middle class anxieties provoked by the decade s upheavals Drawing on examples of iconic films from the era Saturday Night Fever Cruising Five Easy Pieces and Walking Tall among others Nystrom presents an incisive evocative study of class and American cinema during one of the nation s most tumultuous decades
