Lord Harry Catherine Coulter, 1997 Dear Reader Lord Harry one of my first novels was originally titled Lord Harry's Folly I've rewritten the story extensively adding to and changing dialogue actions and descriptions yet the original plot is still here I'm convinced and I'm sure you will be too that the characters are much happier now that they've lived with me for fifteen years and taught me more about themselves Lord Harry is really Henrietta Rolland a young aldy who assumed the guise of a gentleman to track down and kill Jason Cavander the marquess of Oberlon the man she believes responsible for her brother Damien's death at the Battle of Waterloo She wants to challenge him to a duel When he's lying at her feet then and only then will she tell him why she's killed him and who she really is Unfortunately there's a really big snag You will laugh at Lord Harry's outrageous adventures Together Jason and Henrietta Rolland will touch you they did me and still continue to do so Do let me know what you think of my rewrite Enjoy
