Lord Reigns A Theological Handbook Of The Psalms:

The Lord Reigns James Luther Mays,1994-01-01 James Mays convincingly argues that the declaration The Lord reigns is not only a statement of faith but a statement of a particular worldview that is there is a God and all of reality can be understood only in terms of God and God s sovereignty By addressing the importance of the language associated with the reign of God as expressed in the Psalms The Lord Reigns offers a way to better understand the relationship between God and creation

Psalms 118 in the Gospel of John Andrew C. Brunson,2003 Andrew Brunson examines the presence and function of Ps 118 in the Gospel of John placing particular emphasis on its interpretation in a New Exodus context which has previously not been developed in the Fourth Gospel Following a comprehensive survey of Ps 118 s Jewish setting its role in the festivals and its use in the Synoptic Gospels special attention is given to the quotations in the Entrance Narrative The author argues that John portrays Jesus as bringing an end to Israel s state of continuing exile by fulfilling the role reserved to Yahweh in the New Exodus This culminates in the Entrance to Jerusalem where Jesus embodies the return of Yahweh to reign among his people A literary study of the coming son theme in John underscores the extent to which Jesus is identified ontologically and functionally with the Father A previously unnoticed allusion to Ps 118 and Jubilees in John 8 56 is explored and attention is paid to establishing the presence and developing the function of several neglected allusions to the psalm in 10 7 10 10 24 25 and 11 41 42

The Biblical Psalms in Christian Worship John D. Witvliet,2007-01-22 The biblical Psalms in Christian worship a brief introduction and guide to resources by John D Witvliet 2007

Finding Lost Words G. Geoffrey Harper,Kit Barker,2017-03-31 The brokenness of this world inevitably invades our lives But how do you maintain faith when overwhelmed by grief When prayer goes unanswered When all you have are questions not answers What do you say to God when you know he is in control but the suffering continues unabated Is there any alternative to remaining speechless in the midst of pain and heartbreak This book is about finding words to use when life is hard These words are not new They are modes of expression that the church has drawn on in times of grief throughout most of its history Yet the church in the West has largely abandoned these words the psalms of lament The result is that believers often struggle to know what to do or say when faced with distress anxiety and loss Whether you are in Christian leadership training for ministry or simply struggling to reconcile experience with biblical convictions Finding Lost Words will help you consider how these ancient words can become your own

The 'Uncertainty of a Hearing' Federico Villanueva,2008-08-31 An interesting feature in the lament psalms is the sudden change of mood Unfortunately as the term that has come to be associated with the

subject indicates Certainty of a Hearing the change of mood is understood only in terms of a movement from lament to praise This has led to a redefinition of lament in terms of petition and an overemphasis on praise The present book seeks to redress this one sided emphasis by drawing attention to the other movements in the Psalter the reverse movement from praise to lament return to lament after praise and the alternation between the two We do not only have a Certainty of a Hearing we also have an Uncertainty of a Hearing

The Destiny of the Righteous in the Psalms, **Psalms** James Limburg, 2000-01-01 Limburg studies each Psalm and shows how the Psalms confront the issues of our contemporary culture transcending time and transforming our faith and experience from publisher description

BOOK REVIEWS

The Formation of the 'Book' of Psalms David Willgren, 2016-09-30 By conceptualizing the Book of Psalms as an anthology and by inquiring into its poetics by means of paratextuality David Willgren provides a fresh reconstruction of its formation and concludes that it preserves a selection of psalms that is best seen not as a book of psalms but as a canon of psalms back of book

Psalms for Sojourners James Limburg, 2002-01-01 A book of consolation as well as clarification Psalms for Sojourners is reissued with examples of each type of Psalm Limburg s reader friendly introduction to the psalms acquaints readers with the strength passion and fire of this ancient hymnbook

Suffering, Soul Care, and Community Ann Ahrens, 2023-01-10 What are believers to do when belief and lived experience collide Must the experience of suffering be hidden or pushed aside in favor of only positive expressions of praise during corporate worship Focusing on the premise that worship is not pain denial this book seeks to reveal the dearth of soul care within modern corporate worship and the multidisciplinary approach needed to build and implement a more thorough approach that calls and enables believers to weep with those who weep to bear one another s burdens and continue Christ s ministry of reconciliation

Jesus, Jubilee, and the Politics of God's Reign Christian T. Collins Winn, 2023-02-07 What if the kingdom of God is not a place but a person In this timely monograph Christian T Collins Winn argues that the kingdom of God is Jesus himself Drawing on a wide breadth of liberation theology Jesus Jubilee and the Politics of God's Reign amplifies the echoes of salvation history in contemporary struggles for social justice Collins Winn demonstrates how the institution of the Jubilee year exemplifies the kingdom of God A semicentennial celebration prescribed in the book of Leviticus Jubilee prescribed the redistribution of wealth and freeing of prisoners Hope for Jubilee persists in apocalyptic rhetoric from the exhortations of Old Testament prophets to those of modern progressives Likewise Jesus's ministry passion and resurrection convey the justice of Jubilee and urgency of apocalypse His conquest over death represents the ultimate vindication of the oppressed in the kingdom of God an outpouring of Spirit seen today in continuing restorative efforts by oppressed communities in the face of death dealing institutions Historically informed and passionately written Jesus Jubilee and the Politics of God's Reign challenges readers to find Jesus in the marginalized persons of our own time

The Forgotten God Paul J. Achtemeier, A. Andrew Das, Frank J. Matera, 2002-01-01 This volume provides a comprehensive survey of the unity and diversity behind biblical conceptions of God This is accomplished by respecting the distinctive theology of each canonical book and by placing reflection about God in conversation with major themes of biblical theology Christology pneumatology anthropology Four essays examine the Old Testament images of God while ten essays address the way in which God is presented in the New Testament The volume is rounded off with an essay exploring biblical preaching about God

Psalms for Preaching and Worship Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and

substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and Preaching Christ from Genesis Here is something even better than a simple completion of The Lectionary Commentary which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunny P Lee Joel M LeMon James Limburg J Clinton McCann James K Mead Carol A Miles Luke A Powery Stephen Breck Reid Sandra L Richter Cynthia L Rigby Kathryn L Roberts Brent A Strawn Beth LaNeel Tanner Roger E Van Harn Raymond C Van Leeuwen J Ross Wagner Gerald H Wilson John Witvliet Christine Roy Yoder Soundings in the Theology of Psalms Rolf A. Jacobson,2010-11 The many introductions to the psalms available to readers tend to focus on various types and forms of psalms but overlook different theological approaches to the Psalter This volume brings together leading psalms scholars from Catholic and Protestant traditions and takes into account recent scholarship on the shape and shaping of the Psalter and on the rhetorical interpretation of the Psalms **A Voice Without End** Andrew C. Witt,2021-03-24 The past fifty years have seen a strong interest in the shape and the message of the book of Psalms In A Voice Without End Andrew C Witt evaluates the significance of Psalms 3 14 and in particular the presence and function of the figure of David Using representative interpreters and canonical and literary approaches Witt uncovers how the book of Psalms develops its own speaking personae He argues that the introduction to the book in Psalms 1 2 and the association with David in the superscriptions set up the figure of David as the principal voice within Psalms 3 14 constructing a Davidic persona who can speak as an ideal and representative figure as well as a typological figure in expectation of the establishment of a just kingdom in the context of the Davidic promises In addition to its original analysis of Psalms 3 14 this study contributes to Psalms research by sharpening our understanding of the Davidic voice and by showing that key themes and motifs at the seams of the Psalter and in its thematic center are already active and engaged at the very beginning Further it helps to bridge premodern and modern psalm interpreters by demonstrating the ongoing value of premodern conceptual models for analyzing voices in the text Pathbreaking and eminently readable this book changes both the way we read the Psalter and how we understand its relationship with David It will appeal to biblical studies scholars and seminarians **Biblical Worship** Benjamin K. Forrest,Walter C. Kaiser Jr.,Vernon M. Whaley,2021-02-23 A biblical theology of worship spanning both the Old and New Testaments While many books on worship focus on contemporary trends Biblical Worship plumbs

every book of the Bible to uncover its teaching on worship and then applies these insights to our lives and churches today A team of respected evangelical scholars unearths insights into a variety of issues surrounding worship including The Old Testament concept of worship Worship before the Exodus Worship in the Old Testament feasts and celebrations Worship in the Psalms of Lament and Thanksgiving The New Testament concept of worship Worship in the Gospels Worship in Acts Worship in the Pastoral Epistles and much more Pastors worship leaders instructors and anyone who wants to grow in their knowledge of the Bible s full teaching on worship and how it applies today will benefit from this volume part of the Biblical Theology for the Church series

Vindicating Vengeance and Violence? Elisabet Nord, 2023-11-22 Psalms that seem to vindicate vengeance and violence are generally omitted from liturgy as exemplified in most breviaries used by worshipping communities around the world Although seldom read the so called cursing psalms are known to many as their imprecatory passages pose challenges for readers who wish to use the entire Book of Psalms as their book of prayer Because passages that call for vengeance and violence are present throughout the psalm collection and often intertwined with the most exquisite things as noted by C S Lewis both liturgists and laypeople need to find substantial hermeneutical strategies that can help answer what to make of imprecatory passages But despite the ample exegetical advice made available through commentary literature past and present worshippers are stuck at a point of convergence between exegetical support and liturgical rejection Through the process of metacommentary on Psalms 58 109 137 and 139 Elisabet Nord identifies three popular and generic hermeneutical approaches often applied to cursing psalms including the tacit preconceived notions of these prominent approaches The latter helps to uncover the liturgical relevance and sometimes lack thereof of scholarly advice on how to interpret and navigate psalms calling for vengeance and violence as prayers
