Low Man Rides Again:

Low Man on a Totem Pole H Allen Smith, 2015-07-27 H Allen Smith has sometimes been referred to as the best selling humorist since Mark Twain. Considering that he wrote against the likes of James Thurber, Robert Benchley, and S J Perelman, that's quite a statement and probably true. He sold a million copies of each of his first several books, starting with *Low Man on a Totem Pole*. In this book, which might be called a fraction of his memoirs, Mr Smith claimed he could have filled twenty he recounts the high points of his life amid the human race, a race he appreciated and observed with a keen nose for the humor hiding in the most unexpected places. Here is a panorama of unlikely people who really existed, of inconceivable things that actually happened, of the commonplace rarities of our frenzied epoch. Among others, there is the newspaperman who suffered under the delusion that Herbert Hoover had bladders on his feet, the man who thoughtfully and perpetually bounced turtle eggs on a bar, a deaf dentist who trained his dog to act as his receptionist, a child prodigy who couldn't talk any too well but appeared to know more about swing music than the head usher at the Paramount Theater. All these are part of Mr Smith's life and times. **The Bar 20 Rides Again** Clarence Edward Mulford, 1926 **Encyclopedia of American Humorists** Steven H. Gale, 2016-04-14

First published in 1988, this book contains entries on famous American Humorists. Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character, both regional and national. Although American literature was in the past treated as inferior to British literature, there has always been a large popular audience for the genre, which this book shows. The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten, setting out to expose the foibles and foolishness of society and the individuals who compose it. It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume. Indeed, the book will demonstrate that the best humor has at its base a ready understanding of human nature.

Readers, Reading, and Librarians Linda S Katz, 2021-02-27 This vital book reaffirms librarians' enthusiasm for books and readers in the midst of the evolution of libraries from reading centers to information centers where librarians are now Web masters, information scientists, and media experts. *Readers, Reading, and Librarians* explores the future of the book as a medium. With nearly two hundred open-ended interviews with readers who read for pleasure, this book looks at how and why they choose or reject certain books. *Readers, Reading, and Librarians* examines reasons for the current decline in pleasure reading, the need for librarians to sponsor book groups, the current focus on electronic wonders, balancing the missions of

acting as an advisory service for readers and maintaining your library's technological services and much more *Lost in the Horse Latitudes* H Allen Smith, 2015-07-24 The horse latitudes are certain zones in the ocean which used to be the despair of sailing vessels. They are characterized by dead calms, light baffling winds, and hot dry weather. If a ship came along and got stuck in one of those dead calms, drinking water might soon run out, and then everyone would go berserk, including the horses if they were onboard. In fact, as passengers and crew clambered around in their berserkness, the horses might get thrown overboard. At least that's H Allen Smith's story, and he's sticking to it. Always quick to see the zany side of even the most serious of situations and known as a prankster, Smith descended on the Paramount lot like a plague of locusts and then proceeded to offer such vital contributions as mowing the lawn and asking for the men's room. He rubbed elbows daily with such great names as Charlie McCarthy and Edgar Bergen, W. C. Fields and James Cagney, as well as leading agents, directors, and producers. *Fred Allen's Radio Comedy* Alan Havig, 2010-06-09 Tracing a career that lasted from 1912 into the 1950s, Havig describes the verbal slapstick style that was Fred Allen's hallmark and legacy to American comedy. **FREDDY RIDES AGAIN** WALTER R. BROOKS., 2023-06-01 With the help of Cy the steed who taught Freddy to ride, Freddy tries to rid the countryside of several menaces, including a rattlesnake and the hunter Elihu Margarine, making even Henrietta the chicken happy. It all makes for a stirring saga of a remarkably colorful pig and his steadfast barnyard compatriots.

Rhubarb H Allen Smith, 2015-08-01 A riotous, bawdy, and often slapstick story about a large yellow cat who, according to numerous complaints, had been assaulting dogs, stealing tennis balls, stalking mailmen, and attacking Macy's trucks. An eccentric millionaire who loathes all canines is struck with admiration for any cat with the guts to go out and avenge his entire race and decides to adopt him. Thaddeus Whitcomb Banner, the dog-hating millionaire charmed by the cat's pugnacious attitude, calls his new pet Rhubarb a baseball term for a violent and noisy altercation. Rhubarb takes a liking to Thad and his press secretary Eric Yaeger, but he is indifferent if not downright vicious to everyone else. When his owner dies only forty-eight hours after signing his last will and testament, Rhubarb is there sitting in his master's lap. In his will, Thad praises Rhubarb for his unsparing love and solace and thereby leaves him his entire fortune, including ownership of a professional baseball team, the New York Loons. Eric Yaeger is appointed Rhubarb's guardian, and Thad's daughter Myra, a mean-spirited young hipster doofus, is summarily disinherited. Although initially reluctant to play baseball for a team owned by a cat, Loons players are tricked into believing that Rhubarb is a good luck charm and subsequently begin winning games. Meanwhile, Myra, not about to let a cat get away with her millions, begins a lawsuit to have the will invalidated while her lawyer is part of a scheme to have Rhubarb murdered by a woman who has a mysterious connection to Myra. As for Eric, Rhubarb's frantic guardian, well, Eric faces challenges only a fierce and concupiscent kitty cat can provide. **Readers, Reading, and Librarians** William A.
