collaborated with Warne to publish a number of small format books between 1902 as well as 1905 Her attempt in 1906 at an unusual panorama design for Miss Moppet disappointed booksellers The story was reprinted in 1916 as a little book Miss Moppet the story's eponymous principal character is a kitten teased by a mouse She bumps her head on a cabinet while following him She then wraps a duster about her head and sits before the fire looking really ill The curious mouse moves closer is caught and because the Mouse has teased Miss Moppet Miss Moppet believes she will tease the Mouse Miss Moppet displayed a lack of kindness by doing this She ties him up inside the drier and throws him around The mouse escapes and dances a jigger atop the cupboard once completely out of reach The Story of Miss Moppet might be considered among Potter's weakest creations but for small kids it serves as a fantastic introduction to books and Peter Rabbit in particular Miss Moppet was initially released as a porcelain figure in the year 1954 along with a plush totem in 1973 The book was made available in Braille translated in 7 languages and launched electronically in 2005 Antiquarian booksellers offer original first editions
