VOLUME ONE

## Marguerite Young

"A work of stunning magnificence and beauty. . . . Its mysterious irresistibility is effected through sheer lucidity and hypnotism. Its scope is encyclopedic; its method is assessment, as in the great styles of Joyce or Hemingway, Broch or Melville or Faulkner. . . . It is a masterpiece." — William Goyen, *New York Times Book Review*

## **Miss Macintosh My Darling Volume 1:**

**Miss MacIntosh, My Darling** Marguerite Young, 1979 This novel is one of the most ambitious and remarkable literary achievements of our time. It is a picaresque psychological novel, a novel of the road, a journey or voyage of the human spirit in its search for reality in a world of illusion and nightmare. It is an epic of what might be called the Arabian Nights of American life. Marguerite Young's method is poetic, imagistic, incantatory in prose of extraordinary richness; she tests the nature of her characters and the nature of reality. *Miss MacIntosh My Darling* is written with oceanic music moving at many levels of consciousness and perception, but the toughly fibred realistic fabric is always there in the happenings of the narrative. The humor, the precise details, the definitions of the characters. *Miss MacIntosh* herself, who hails from What Cheer, Iowa, and seems downright and normal with an incorruptible sense of humor and the desire to put an end to phantoms. Catherine Cartwheel, the opium lady, a recluse who is shut away in a great New England seaside house and entertains imaginary guests. Mr Spitzer, the lawyer, musical composer and mystical space traveler, a gentle man wholly unsure of himself and of reality. His twin brother, Peron, the gay and raffish gambler and virtuoso in the world of sports. Cousin Hannah, the horsewoman, balloonist, mountain climber and militant Boston feminist known as Al Hamad through all the seraglios of the East Titus Bonebreaker of Chicago, wild man of God, dreaming of a heavenly crown. The very efficient Christian hangman, Mr Weed of the Wabash River Valley, a featherweight champion who meets his equal in a graveyard. These are a few who live with phantasmagorical vividness in the pages of *Miss MacIntosh My Darling*. The novel touches on many aspects of life: drug addiction, woman's suffrage, murder, suicide, pregnancy, both real and imaginary, schizophrenia, many strange loves, the psychology of gambling, perfectionism, but the profusion of this huge book serves always to intensify the force of the central question: What shall we do when fleeing from illusion we are confronted by illusion? What is real, what is dream? Is the calendar of the human heart the same as that kept by the earth? Is it possible that one may live a secondary life of which one does not know? In every aspect, *Miss MacIntosh My Darling* stands by itself in the lyric beauty of its prose, its imaginative vitality and cumulative emotional power. It is the work of a writer of genius.

*Midwest Futures* Phil Christman,2020-04-07 A combination of history memoir reportage and lit crit that taught me a lot about a region I've reported on Check it out James Fallows The Atlantic A Commonweal Notable Book of 2020 Finalist Midwest Independent Book Award Winner Independent Publisher Awards Bronze Medal What does the future hold for the Midwest A vast stretch of fertile farmland bordering one of the largest concentrations of fresh water in the world the Midwestern US seems ideally situated for the coming challenges of climate change But it also sits at the epicenter of a massive economic collapse that many of its citizens are still struggling to overcome The question of what the Midwest is and what it will become is nothing new As Phil Christman writes in this

idiosyncratic new book ambiguity might be the region's defining characteristic Taking a cue from Jefferson's grid the famous rectangular survey of the Old Northwest Territory that turned everything from Ohio to Wisconsin into square mile lots Christman breaks his exploration of Midwestern identity past and present into thirty six brief interconnected essays The result is a sometimes sardonic often uproarious and consistently thought provoking look at a misunderstood place and the people who call it home     *Postmodernism: A Bibliography, 1926-1994* Deborah L. diaspora and exile     **Fear of Losing Eurydice** Julieta Campos, 1994-05 This lyrical novel by one of Mexico's leading women writers explores both desire and the desire to tell a love story. In an idle moment between grading assignments a French teacher sitting in a cafe in a Caribbean seaport town sketches an island on his white napkin. Like Proust's petite madeleine the island opens up a host of images. Island the sum of all improbabilities intoxicating improbability of fiction. Island image of desire. All the islands formulated by human beings and all islands appearing on the maps comprise a single imaginary archipelago the archipelago of desire. Monsieur N's original plan to use a Jules Verne novel about shipwrecked schoolboys as a translation exercise for his pupils becomes an obsession to collect every reference to islands he can find and to meditate on them in a diary of his imaginary travels his Islandary Parallel to this quest is an archetypal love story that he begins writing in his notebook printed in a narrow column with islands of quotations surrounding it. Voyaging and the quest for islands becomes a metaphor for the search for paradise for the island as an imagined place where love achieves perfection. It also becomes a metaphor for writing. Every text is an island.

**Encounters with American Culture** Peter Prescott, 2018-01-18 This collection of essays discusses some of the important books authors and literary trends of a volatile era in American and world literature whose cultural repercussions are still being felt. Peter S. Prescott was one of the most penetrating knowledgeable and sensitive critics to write for a general audience in the tradition of Edmund Wilson. Readers will discover not only Prescott's acute and subtle comments on the enduring and or representative books of the time but also his humor and style his way with an anecdote or aphorism his talent for parody and his ability to laugh at himself as well as at the authors he sometimes skewers. Prescott's writing has an immediacy and vivacity that suggests what it was like to read new books during his time. Here is one critic's view ironic and complex of good books by famous writers like Norman Mailer Jorge Luis Borges Joyce Carol Oates Aleksandr Solzhenitsyn and Vladimir Nabokov as well as of good books by little known writers and others who would later achieve reknown. Here too is some astringent criticism of distinguished and popular authors who have fallen into self indulgence. Prescott writes about the New Journalism in its early days and about fragmentary autobiography as a literary form genres whose importance he was among the first to recognize. His essays also touch on theater film food and politics. The criticism in this volume are examples of the literary essay in its truest sense an attempt to explore in however brief space allowed what the author sees around him and connections between books and other aspects of the way people live. Always personal and urbane these essays are often hilarious generally moving and exemplify the essay as an art form.
