Romita Jr has also created a rich body of work that few can follow in his footsteps Having outgrown the shadow of his father early in his career John Romita Jr has shown the world why he is Mr Marvel From his early days working with Bob Layton on the Iron Man issues featuring the controversial issues of Tony Stark s alcoholism to his jump to stardom in the early 90 s on the Uncanny X Men almost a decade after his first stint on the Uncanny X Men with Chris Claremont to his unbelievable work on Daredevil Man Without Fear with Frank Miller and Al Williamson John proved that he was one of only a few artists who can shine working with a master such as Frank Miller Moving in to the new millennium John s work on Thor was nothing short of amazing as well as working on Daredevil with Ann Nocenti and Al Williamson But nothing has been more tailor made for John Jr s art than Marvel s flagship title Spider Man His return on Peter Parker Spider Man proved that he was Marvel s best choice for a Spider Man artist and when Joe Michael Straczynski took hold of Marvel s flagship title it was John Jr s art that made the great stories shine as well as they did One thing that s kept John s art fresh is his ability to move from character to character It definitely is bitter sweet to see John leave Spider Man and run around the Marvel Universe on characters such as The Eternals with Neil Gaiman proving that once again John Jr is the artists artist who can tackle such great projects and even on his run on the World War Hulk yes Hulk does indeed Smash one is mesmerized by his incredible artwork What s amazing is that as of this writing John Romita Jr will be returning to Amazing Spider Man 568 and this fan Nick Barrucci President of Dynamic Forces feels the excitement and energy to his return These are the things that we live for in comics it s rare to know when a series is going to be great because a great artist is working on it We are fortunate to be on the ground floor again but the anticipation is something that will only be quenched with the first read of a series that will be great The Romit s are one of the few royal families in comics If you haven t had a chance to fully appreciate their work here s your chance it s a fun ride I hope you enjoy it as much as we have in putting this book together With an introduction by Alex Ross and an afterword by Stan The Man Lee this hard cover book is perfect for every Spider Man fan young and old
