Missing People Seth Balfour,2016-04-18 The Chilling True Stories Of Strange And Unusual Disappearances Unexplained Missing People And Missing Persons Cases Most of us just skip over the info about missing person cases on the news because our reality doesn t involve losing anyone we like or love But for those people whose day starts and ends with a prayer of safe homecoming the reality is cruel sad and dark Not that your reality will be affected if you listen to the missing persons updates but in an era when no child is left behind it s shameful to leave behind someone who somebody cares about Most missing people cases usually end up as murders A large number of them are just people who are trying to escape their life and forge a new identity But the most interesting cases are those with few clues and evidence to never be completely solved the cases remain as mysteries forever One thing s for sure even though they say that the truth always wins missing people cases can prove that with enough planning money and power you can make anybody disappear and get away with it
