**English Teaching and Evangelical Mission** Bill Johnston,2017-01-25 Debates about the place of mission work in English Language Teaching continue to rage and yet full length studies of what really happens at the intersection of ELT and evangelical Christianity are rare In this book Johnston conducts a detailed ethnography of an evangelical language school in Poland looking at its Bible based curriculum and analyzing interaction in classes for adults He also explores the idea of relationship in the context of the school and its mission activity and more broadly the cultural encounter between North American evangelicalism and Polish Catholicism The book comprises an in depth examination of a key issue facing TEFL in the 21st century and will be of interest to all practitioners and scholars in the field whatever their position on this topic

**The Complete Idiot's Guide to Indigo Children** Carolyn Flynn,Wendy H. Chapman Dir. MA Ed,2007-08-07 Forget the Age of Aquarius and hang on tight The term Indigo Children entered the lexicon in 1982 when psychic and author Nancy Ann Tappe talked about the coming Indigo Age in her book *Understanding Your Life Through Color* In this guide the authors explain why Indigo Children require lots of attention they tend to think holistically and intuitively and they process emotions differently Parenting these high level children is a challenge and their years in school may be challenging Articles about the Indigo phenomenon have appeared in newspapers throughout the U S and as far away as Russia over the last few years including one in the New York Times 1 06 Author Wendy H Chapman is considered one of the foremost experts on Indigo Children **The Big Picture** Edward Jay Epstein,2006-01-10 In this unprecedented all encompassing and thoroughly entertaining account of the movie business acclaimed writer Edward Jay Epstein reveals the real magic behind moviemaking how the studios make their money Epstein shows that in Hollywood the only art that matters is the art of the deal Major films

turn huge profits not from the movies themselves but through myriad other enterprises from video game spin offs and soundtracks to fast food tie ins and even theme park rides The studios may compete for stars and Oscars but their corporate parents view with one another in less glamorous markets such as cable home video and pay TV Money though is only a small part of the Hollywood story the social and political milieu power prestige and status tell the rest Alongside its remarkable financial revelations and incisive profiles of the pioneers who helped build Hollywood *The Big Picture* is filled with eye opening insider stories If you are interested in Hollywood today and the complex and fascinating way it has evolved in order to survive you haven't seen the big picture until you've read *The Big Picture* *50 Management Ideas You Really Need to Know* Edward Russell-Walling, 2024-06-06 Master the management ideas that shape the business world today In a series of 50 accessible essays Edward Russell Walling introduces and explains the central ideas tools and theories from some of the world's biggest business gurus and leaders From branding and outsourcing to supply and demand and the latest commercial concepts from the online world *50 Management Ideas You Really Need to Know* is complete introduction to the most important management ideas in history *Political Communication* Richard M. Perloff, 2013-10-18 In this political communication text Richard M Perloff examines the various ways in which messages are constructed and communicated from public officials and politicians through the mass media to the ultimate receivers the people With a focus on the history of political communication he provides an overview of the most significant issues in the study of politics and the media In addition to synthesizing facts and theories and highlighting the scholarly contributions made to the understanding of political communication effects *Political Communication* addresses such factors as the rhetorical accomplishments of American presidents the ongoing tangles between the press and the presidency and the historical roots of politics as it is practiced and studied today It also addresses major issues about the press and politics that continually resurface such as question of press bias and the use and manipulation of media by politicians to accomplish national goals As a comprehensive and engaging introduction to contemporary political communication this volume provides all readers with a historical perspective on American politics and press and offers a unique appreciation of the strengths and virtues of political communication in America **Coming to Terms** Jane Blankenship, 2011-12-23 *Coming to Terms* The Collected Works of Jane Blankenship an edited collection from Jane Blankenship and Janette Kenner Muir is the story of one academic journey through self discovery intellectual development and mentorship It is a conversation that illustrates how in Mary Catherine Bateson's terms one composes a life that has meaning and makes a significant difference in other lives as well Jane Blankenship was an active member of the speech communication discipline starting with her first job teaching in the Rhetoric and Composition program at Mount Holyoke College and finishing with the great distinction of Professor Emeritus at the University of Massachusetts Amherst As a noted rhetorical scholar in both criticism and theory Jane Blankenship was a long time leader within the National Communication Association including one of a handful of women who served as president in the 20th Century and

an award winner of numerous teaching and scholarship awards Throughout her academic career Blankenship made important contributions to the understanding of language and form specific literary critics such as Kenneth Burke and Samuel Coleridge and the role of women in politics Most importantly she worked with and inspired a cadre of graduate students who continue to reflect her ideas and perspectives in their own work particularly in the area of political communication Through her writing and mentoring she impacted and changed thousands of lives Coming to Terms brings together some of the significant pieces that marked Jane Blankenship's career and also shows the process wherein one makes choices in writing and publishing that underscore the interrelationship between scholarship and teaching an important element throughout her academic life *Travels from Paris Through Switzerland and Italy, in the Years 1801 and 1802* Joseph Sansom, 1808 *Luther* Hartmann Grisar, 1914 *Viking Women* Lisa Hannett, 2023-01-31 Let's travel in time together a thousand or so years back and meet Viking women in their hearth lit world How did these medieval viragoes live love and die How can we encounter them as flesh and blood beings with fears and feelings not just as names in sagas or runes carved into stone In this groundbreaking work Lisa Hannett lifts the veil on the untold stories of wives and mothers girls and slaves widows and witches who sailed settled suffered survived and thrived in a society that largely catered to and memorialised men Hannett presents the everyday experiences of a compelling cast of women all of whom are resourceful and petty hopeful and jealous and as fabulous and flawed as we are today Lisa Hannett is an award winning Canadian Australian writer and academic

Lee, 2009-12-09 Known as Asia's evangelical superpower South Korea today has some of the largest and most dynamic churches in the world and is second only to the United States in the number of missionaries it dispatches abroad Understanding its evangelicalism is crucial to grasping the course of its modernization the rise of nationalism and anticommunism and the relationship between Christians and other religionists within the country Born Again is the first book in a Western language to consider the

introduction development and character of evangelicalism in Korea from its humble beginnings at the end of the nineteenth century to claiming one out of every five South Koreans as an adherent at the end of the twentieth In this thoughtful and thorough study Timothy S Lee argues that the phenomenal rise of this particular species of Christianity can be attributed to several factors As a religion of salvation evangelicalism appealed powerfully to multitudes of Koreans arriving at a time when the country was engulfed in unprecedented crises that discredited established social structures and traditional attitudes Evangelicalism attracted and empowered Koreans by offering them a more compelling worldview and a more meaningful basis for association Another factor is evangelicals positive connection to Korean nationalism and South Korean anticommunism It shared in the aspirations and hardships of Koreans during the Japanese occupation and was legitimated again during and after the Korean conflict as South Koreans experienced the trauma of the war Equally important was evangelicals relentless proselytization efforts throughout the twentieth century Lee explores the beliefs and practices that have become the hallmarks of Korean evangelicalism kibok this worldly blessing saebyok kido daybreak prayer and kumsik kido fasting prayer He concludes that Korean evangelicalism is distinguishable from other forms of evangelicalism by its intensely practical and devotional bent He reveals how after a long period of impressive expansion including the mammoth campaigns of the 1970s and 1980s that drew millions to its revivals the 1990s was a decade of ambiguity for the faith On the one hand it had become South Korea s most influential religion affecting politics the economy and civil society On the other it found itself beleaguered by a stalemate in growth the shortcomings of its leaders and conflicts with other religions Evangelicalism had not only risen in South Korean society it had also for better or worse become part of the establishment Despite this significance Korean evangelicalism has not received adequate treatment from scholars outside Korea Born Again will therefore find an eager audience among English speaking historians of modern Korea scholars of comparative religion and world Christianity and practitioners of the faith

Circle of Ouroboros , In this sequel to Flight of the Marbles the marbles heist team is back in Athens Adam and Irini have married and are on their honeymoon in Rome Adam is to deliver a speech to the Collegio Romano High School about Quantum Computing the key that opened the doors of the British Museum But the British Prime Minister has not forgotten or forgiven there are warrants out from him for all of them His British MI5 agents succeed in capturing Irini in Rome and return her to the UK as hostage to justice on a capital charge of double homicide They begin with the juice at Britmo a secret MI5 terrorist prison The team must do it all over again and it will take all their ingenuity to pull off another heist this time to bring Irini safely home Adam isn t interested in operating under Queen Helena s control and risks all by returning to the UK under cover with a plan of his own What husband would do less for a beloved wife of Irini s beauty and charm In the Greek tradition there will undoubtedly be at least one more personal sacrifice on top of all the others before this affair is resolved

**The New Generation in Chinese Animation** Shaopeng Chen, 2021-09-23 In 1995 Chinese animated filmmaking ceased to be a state run enterprise and was plunged into the free

market Using key animated films as his case studies Shaopeng Chen examines new generation Chinese animation in its aesthetic and industrial contexts He argues that unlike its predecessors this new generation does not have a distinctive national identity but represents an important stage of diversity and exploration in the history of Chinese animation Chen identifies distinct characteristics of new generation filmmaking including an orientation towards young audiences and the recurring figure of the immortal monkey like Sun Wukong He explores how films such as Lotus Lantern Baolian Deng 1999 responded to competition from American imports such as The Lion King 1994 retaining Chinese iconography while at the same time adopting Hollywood aesthetics and techniques Addressing the series Boonie Bears Xiong Chumo 2014 5 Chen focuses on the films adaptation from the original TV series and how the films were promoted across generations and by means of both online and offline channels Discussing the series Kuiba Kui Ba 2011 2013 2014 Chen examines Vasoon Animation Studio s ambitious attempt to create the first Chinese style high fantasy fictional universe and considers why the first film was a critical success but a failure at the box office He also explores the relationship between Japanese anime and new generation Chinese animation Finally Chen considers how word of mouth social media engagement lay behind the success of Monkey King Hero is Back 2015

**Chinese Animation** Rolf Giesen, 2014-12-19 With an output of more than 250 000 minutes annually and with roughly 5 000 producers and production units the Chinese are leading the field of animated films Although it is almost impossible to completely cover 90 years of filmmaking this book provides a comprehensible introduction to the industry s infancy its Golden Age Shanghai Animation Film Studio and today s Chinese animation in feature films television series and student films There are classics such as Princess Iron Fan made at the time of the Japanese occupation and the color Havoc in Heaven both starring the Monkey King Sun Wukong as well as countless TV stars Blue Cat Pleasant Goat and Big Big Wolf and many almost unknown works by young filmmakers who are not focusing on an audience of children like most of the industry output
