army struggled to contain the remnants of its own dictatorial creation In 1966 the army dedicated to staunch anti Peronism again seized the state and revived the dream of reconciling social order and modernization through military rule Although militarism has been a central problem in Argentine political life it is also the fever that suggests deeper maladies in the body politic Marvin Goldwert seeks to relate developments in the military to the larger political social and economic developments in Argentine history The army and its factions are viewed as integral parts of the whole political spectrum during the period under study The Equal Employment Opportunity Commission Collection of Federal Affirmative Action Goals and Timetables and Enforcement of Federal Sector EEO Complaints United States.
