Reimagining Mission From Urban Places Anna Ruddick, 2020-02-28 Reimagining Mission from Urban Places offers much needed reflection about the nature of mission and about expectations for missional outcomes Using the stories of team members within the Eden Network which emphasises an incarnational approach to urban mission the book demonstrates that at its best mission happens in a shared life rather than being about us telling the listening world

Mission Bound Rodney Aist, 2023-07-14 Embracing pilgrimage as a comprehensive image of the Christian life Mission Bound offers a transformative approach to short term mission Although the relationship of pilgrimage to short term mission has been previously considered it s been invariably dismissed understood in terms of personal spirituality while its social applications and biblical images have been overlooked Transcending the inner journey pilgrimage is crossing boundaries following God in unfamiliar places both being and befriending the stranger and walking alongside one another As the imitation of Christ pilgrimage embodies humility service love and compassion as well as our vulnerability with others Espousing the union of God self and the Other as the objective of the Christian life the book casts the mission partnership as one of reciprocal relations based on the body of Christ Addressing the entirety of the mission journey including a spirituality of religious travel the intragroup experience and individual Christian formation the heart of the book explores short term mission through the lens of the hero s journey Having loved served and listened to others short term missionaries return home as more Christlike people where their lifelong journey of faith continues Mission Bound is written as a pre departure discussion guide for leaders and participants of short term mission

Mission Manifest Matthew K. Shannon, 2024-06-15 In Mission Manifest Matthew Shannon argues that American evangelicals were central to American Iranian relations during the decades leading up to the 1979 revolution These Presbyterian missionaries and other Americans with ideals worked with US government officials nongovernmental organizations and their Iranian counterparts as cultural and political brokers the living sinews of a

binational relationship during the Second World War and early Cold War As US global hegemony peaked between the 1940s and the 1960s the religious authority of the Presbyterian Mission merged with the material power of the American state to infuse US foreign relations with the messianic ideals of Christian evangelicalism In Tehran the missions of American evangelicals became manifest in the realms of religion development programs international education and cultural associations Americans who lived in Iran also returned to the United States to inform the growth of the national security state higher education and evangelical culture The literal and figurative missions of American evangelicals in late Pahlavi Iran had consequences for the binational relationship the global evangelical movement and individual Americans and Iranians Mission Manifest offers a history of living breathing people who shared personal professional and political aims in Iran at the height of American global power

The Dominican Mission Frontier of Lower California Peveril Meigs, 2023-12-22 The network of missions founded under the Dominicans in the latter part of the eighteenth century in northern Baja California established there a new and distinct culture landscape Although at the very doorway of Alta California these missions have remained almost unknown A geographic analysis of them has not heretofore been attempted and history has so greatly neglected them that the very existence of the last two missions has been overlooked or questioned The present study based upon field work from 1925 to 1929 and upon such written knowledge as is available delineates this almost forgotten scene of activity This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1935
