Keith Howick, 2003 The Life of Jesus the Messiah is a five volume set that discusses the life of Jesus Christ topically In volume 4 the earthly mission of Jesus is discussed Their nature of His life is explained and both the historical impact He had on the Jews living in His time and its significance to us today are discussed The volume s organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to quickly find relevant commentary **What Was The Mission Of Jesus** Anamaria Waeckerlin, 2021-07-08 Jesus was the Messiah Christ the Son of God who was crucified for the sins of humanity before rising from the dead according to Christian Gospels and early Christian writings Jesus came to earth to preach the Good News to give people an understanding of the Kingdom of God and the eternal hope that they had through Him Jesus Christ had one mission to unite disparate people to become ONE The night before His death He offered a monumental prayer John 17 In this prayer He made His heart s desire clear wants all people irrespective of differences in background ethnicity politics and or socio economic status to be ONE Just as Jesus and the Father are perfectly ONE Jesus desires His people to be included in this complete oneness He made the ultimate sacrifice to achieve His consummate goal He died on the cross for all people and in triumphant resurrection and ascension He gave three gifts so that they we may be ONE The Missions of Jesus and the Disciples According to the Fourth Gospel Andreas J. Abesamis,1987 Mission in the Gospels Robert Geoffrey Harris,2004 Mission was at the heart of the life of the Early Church and the Gospels yet very little attention has been given to the subject by New Testament scholars The churches at the time of the Gospels were compelled to forge their own identity over and against Judaism They were also wrestling with the practical and theological problems of successful mission to the Gentile nations In this book the author looks closely at the theme of mission in each of the Gospels before drawing his findings together and relating them to the life and the challenges faced by today s church **A Jesus Mission Life** Leonard Lee,2025-02-15 We are made for one life A Jesus Mission Life When Leonard Lee was only a kid he asked Jesus to come into his life and forgive him and then he promised to follow Him for the rest of his life Little did he know what this new friendship with Jesus would bring the places he would go and the lives that would be impacted From Cuba to Africa to India and places in between Leonard s life has been a series of adventures With candid storytelling and bold truth A Jesus Mission Life is a clarion call for Christian believers and the Church to embrace the adventure of living on Mission for Jesus Most Christians scattered across the world have yet to experience what it is to embrace a Jesus Mission Life one that declares Jesus is worth everything When we let go and embrace His Mission Jesus will lead us to places we never thought we would go to people we never thought we would meet and to say words we never thought we would say He will lead us to act in compassion serve communities know Truth and speak grace so we can experience the freedom He promises each of us in the Bible John 8 32 Following Jesus and embracing His Mission is what it means to be a Christian Read this book and get ready for a life full of adventure meaning and freedom a k a a Jesus Mission Life **What is God's Mission in the World and How Do We Join It?** Juan Francisco Martinez,Jamie Pitts,2021-03-30 What does God s mission look like Who is supposed to carry it out and how Juan F Mart nez and Jamie Pitts lead us on an inquiry into God s mission in the world what it is what it is not and who is invited to be part of it If Jesus is truly God s mission incarnate we need to look at what Jesus did and how he did it Mart nez helps readers understand what mission means why Christians in the past have made missteps and how we can learn from Christian communities that are spreading the good news of Jesus today Doing mission in the way of Jesus may look different from what many assume but it is a call that the church cannot afford to miss **Jesus Christ** Ave Maria Press,2017-04-13 Jesus Christ His Mission and Ministries objectives include sharing what Christ reveals about God uncovering the mystery of the Incarnation and exploring how growing in discipleship with Jesus helps students live a better life *The Historic Mission of Jesus* C. J. Cadoux,2022-07-28 First published in 1941 The Historic Mission of Jesus is one of the landmark texts on the life of Jesus his relation to the Father and his earthly task Counter to the prevailing scepticism of the reliability of the Synoptic sources chronicling Jesus life Cadoux presents a sweeping yet detailed illustration of the evidence while advancing theories for its interpretation that would go on to be significant facets of New Testament study While not going to the same lengths as Albert Schweitzer Cadoux nevertheless advances a thoroughly eschatological interpretation of Jesus self perception He thus emphasises the

nation wide character of his appeal his concern for the redemption of the Gentiles through Israel s fulfilment of the universalistic aspirations of the Old Testament his eager endeavour to avert a military clash between the Jews and the Roman Empire and his early expectation of being accepted and loyally followed by his fellow countrymen as a whole The result is a prime early example of the revival of interest in the historical Jesus on theological grounds **Generation** Dante Salces Barril,2024 A Biblical Approach to Mission in Context Michael Ufok Udoekpo,2022-12-19 A Biblical Approach to Mission in Context is an erudite collection of twenty essays with forewords and epilogue produced to honor Professor Teresa Okure s contribution to the study of biblical theology in context It also stands in its own right as a vade mecum of current trends in biblical scholarship gender and contextual hermeneutics Written by an international array of respected scholars Okure s colleagues former students siblings and fellow commentators this volume includes detailed exegetical studies discussion on theological methods and contextual approaches from a variety of standpoints and an effort to relate biblical exegesis theology and inculturation faith hermeneutics to the current interest in social contextual interpretation that reflects values beyond the African context In sum the breadth of interests and enthusiasm found in this volume is a testimony to the intellectual and pastoral vitalities and passion that Teresa Okure herself brought to the discipline of biblical studies The brief narrative of personal encounter written by Bernadette Okure SHCJ forewords by John Cardinal Onaiyekan and Bishop Camillus Raymond Umoh as well as an insightful epilogue by Fr Aniedi Okure OP provide additional insight into the historical and socio cultural contexts within which Okure s formation and contributions unfolded **Mission in the Gospels** Geoffrey Harris,2014-01-27 Mission in the Gospels considers the gospels through a twin lens first the nature of Jesus own mission as understood by the evangelists and secondly the desire of the gospel writers and their churches to gain some understanding of their own mission by interpreting Jesus attitudes and actions especially with regard to the Gentiles The principles for mission that arise out of this investigation shed a good deal of new light on the gospels and the motives for their writing and on their theological insights **Mission from a Position of Weakness** Paul Yonggap Jeong,2007 This book deals with mission from a position of weakness from the perspective of Kingdom of God missiology Both in the Bible and history God s power in mission is manifested through the weakness of the cross of Jesus and of his disciples in any era In this book the author asserts that the principles of mission from a position of weakness should be the foundational and guiding value for mission of the whole Church of Christ **Jesus: the Man, the Mission, and the Message** C.
