French Theatre Today Edward Baron Turk, 2011-06-15 font face font family Times font face font family Palatino p MsoNormal li MsoNormal div MsoNormal margin 0in 0in 0 0001pt font size 12pt font family Times New Roman div Section1 page Section1 In 2005 literary and film critic Edward Turk immersed himself in New York City's ACT FRENCH festival a bold effort to enhance American contact with the contemporary French stage This dizzying crash course on numerous aspects of current French theatre paved the way for six months of theatregoing in Paris and a month's sojourn at the 2006 Avignon Festival In French Theatre Today he turns his yearlong involvement with this rich topic into an accessible intelligent and comprehensive overview of contemporary French theatre Situating many of the nearly 150 stage pieces he attended within contexts and timeframes that stretch backward and forward over a number of years he reveals French theatre during the first decade of the twenty first century to be remarkably vital inclined toward both innovation and concern for its audience and as open to international influence as it is respectful of national tradition French Theatre Today provides a seamless mix of critical analysis with lively description theoretical considerations with reflexive remarks by the theatremakers themselves and matters of current French and American cultural politics In the first part New York Turk offers close ups of French theatre works singled out during the ACT FRENCH festival for their presumed attractiveness to American audiences and critics The second part Paris depicts a more expansive range of French theatre pieces as they play out on their own soil In the third part Avignon Turk captures the subject within a more fluid context that is most interestingly both eminently French and resolutely international The Paris and Avignon chapters contain valuable and well informed contextual and background information as well as descriptions of the milieus of the Avignon Festival and the various neighborhoods in Paris where he attended performances information that readers cannot find easily elsewhere Finally in the spirit of inclusiveness that characterizes so much new French theatre and to give a representative account of

his own experiences as a spectator Turk rounds out his survey with observations on Paris's lively opera scene and France's wealth of circus entertainments both traditional and newly envisioned With his shrewd assessments of contemporary French theatre Turk conveys an excitement and an affection for his topic destined to arouse similar responses in his readers His book's freshness and openness will reward theatre enthusiasts who are curious about an aspect of French culture that is inadequately known in this country veteran scholars and students of contemporary world theatre and those American theatre professionals who have the ultimate authority and good fortune to determine which new French works will reach audience

Contemporary Francophone African Writers and the Burden of Commitment Odile Cazenave, Patricia Célérier, 2011-02-02 By looking at engaging literature from the recent past when the francophone African writer was implicitly seen as imparted with a mission to the present when such authors usually aspire to be acknowledged primarily for their work as writers *Contemporary Francophone African Writers and the Burden of Commitment* addresses the current processes of canonization in contemporary francophone African literature Odile Cazenave and Patricia Célérier argue that aesthetic as well as political issues are now at the forefront of debates about the African literary canon as writers and critics increasingly acknowledge the ideology of form Working across genres but focusing on the novel the authors take up the question of renewed forms of commitment in this literature Their selected writers range from Mongo Beti Ousmane Sembène and Aminata Sow Fall to Boubacar Boris Diop Vronique Tadjo Alain Mabanckou and L'onora Miano among others *Race and Theatre in France*, 2025-08-26 These well researched essays speak to the situation of African descended artists on the French stage especially in prestigious government subsidized theatres Through documentation historical analysis close attention to productions and witnessing by Black French speaking artists Chalaye uncovers and critiques the unacknowledged racialization and racism that have circumscribed the careers of Black actors She ascribes responsibility for this frustrating situation in large part to the lingering impact of the colonial empire on the French imaginary one that sees otherness in French people perceived as non white She calls for a recognition of how race and racial tropes have operated in French theatre and she advocates exploding the concept of race while creating a theatre that represents the multicultural country that France has become A translator's preface examines the concepts of race nation and theatre as they operate in France and in the Anglo American sphere inviting readers to compare the impact of multiculturalism with the notion of the universal human Sylvie Chalaye is the foremost French scholar of theatre in French by African and African descended artists She is professor of theatre at the University of Paris III Sorbonne Nouvelle co founder of the journal *Africultures* and director of the Research Laboratory SeFeA Recent publications include *Scènes et détours d'Afrique* Les Aventuriers de la coopération théâtrale de Jean Marie Serreau Christian Schiaretta Passages 2022 and with Judith G Miller *Contemporary Francophone African Plays An Anthology* Bucknell 2024 Her book *Race et théâtre en France un impens politique* won the Prix André Malraux in 2020 **New Francophone African and Caribbean Theatres** John Conteh-Morgan, 2010-08-03 John Conteh Morgan

explores the multiple ways in which African and Caribbean theatres have combined aesthetic ceremonial experimental and avant garde practices in order to achieve sharp critiques of the nationalist and postnationalist state and to elucidate the concerns of the francophone world More recent changes have introduced a transnational dimension replacing concerns with national and ethnic solidarity in favor of irony and self reflexivity New Francophone African and Caribbean Theatres places these theatres at the heart of contemporary debates on global cultural and political practices and offers a more finely tuned understanding of performance in diverse diasporic networks
