Mistress Cook:

Mistresses Elizabeth Abbott, 2011-09-01 A lively and nuanced look at gender roles as they have been revealed by the lives of concubines and mistresses over the centuries Kirkus She exists as both a fictional character and as a flesh and blood human being But who is she really Why do women become mistresses and what is it like to have a private life that is usually also a secret life Is a mistress merely a wife in waiting or is she the very definition of the emancipated independent female Elizabeth Abbott intelligently examines the motives and morals of some of history's most infamous and fascinating women from antiquity to today Drawing intimate portraits of those who have by chance coercion or choice assumed this complex role *Mistresses* offers a rich blend of personal biography and cultural insight Ms Abbott is delightfully indiscreet with an eye for a good story and a colloquial style She has done the ladies a service by bringing them out of the shadows *The Economist*

Growth of the Soil Knut Hamsun, 2021-11-19T23:27:36Z *Growth of the Soil* was published in 1917 to universal acclaim A mid to late career work for Hamsun it was celebrated for its then revolutionary use of literary techniques like stream of consciousness and for its unadorned depiction of pastoral life Its focus on the quotidian lives of everyday people has led scholars to classify it as a novel of Norwegian New Realism Isak a man so strong and so simple that he echoes a primitive foundational everyman finds an empty plot of land in turn of the century Norway and builds a small home He soon attracts a wife Inger whose harelip has led her to be ostracized from town life but who is nonetheless a hard and conscientious worker Together the two earthy beings build a farm and a family and watch as society and civilization grows and develops around them Isak and Inger's toils sometimes bring them up against the burgeoning modernity around them but curiously the novel is not one driven by a traditional conflict oriented plot Instead the steady progression of life on the farm with its ups and downs its trials and joys makes the people and their growth the novel's main propellant While the humble homespun protagonists occasionally come into conflict with the awe inspiring forces of civilization more often than not those forces are portrayed as positive and symbiotic companions to the agrarian lifestyle Hamsun was awarded the Nobel Prize in Literature in 1920 for *Growth of the Soil* one of the rare instances in which the Nobel committee awarded a prize for a specific novel and not a body of work It has since come to be regarded as a classic of modernist and Norwegian literature This book is part of the Standard Ebooks project which produces free public domain ebooks

nuanced study of the lives of enslaved plantation cooks from colonial times through emancipation and beyond She reveals how these men and women were literally bound to the fire as they lived and worked in the sweltering and often fetid conditions of plantation house kitchens These highly skilled cooks drew upon knowledge and ingredients brought with them from their African homelands to create complex labor intensive dishes However their white owners overwhelmingly received the credit for their creations Deetz restores these forgotten figures to their rightful place in American and Southern history by uncovering their rich and intricate stories and celebrating their living legacy with the recipes that they created and passed down to future generations

The British Drama ,1871 **Works** John Banim,Michael Banim,1881 *Moses and the Monster and Miss Anne* Carole C. Marks,2024-03-18 This engaging history presents the extraordinary lives of Patty Cannon Anna Ella Carroll and Harriet Tubman three dangerous women who grew up in early nineteenth century Maryland and were vigorously enmeshed in the social and political maelstrom of antebellum America The monstrous Patty Cannon was a reputed thief murderer and leader of a ruthless gang who kidnapped free blacks and sold them back into slavery whereas Miss Anna Ella Carroll a relatively genteel unmarried slaveholder foisted herself into state and national politics by exerting influence on legislators and conspiring with Governor Thomas Holliday Hicks to keep Maryland in the Union when many state legislators clamored to join the Confederacy And of course Harriet Tubman slave rescuer abolitionist and later women s suffragist was both hailed as the Moses of her people and hunted as an outlaw with a price on her head worth at least ten thousand dollars All three women lived for a time in close proximity on the Eastern Shore of Maryland an isolated region that thrived on tobacco and then lost it procured slaves and then lost them and produced strong minded women and then condemned them Though they never actually met and their backgrounds and beliefs differed drastically these women s lives converged through their active experiences of the conflict over slavery in Maryland and beyond the uncertainties of economic transformation the struggles in the legal foundation of slavery and most of all the growing dispute in gender relations in America Throughout this book Carole C Marks gleans historical fact and sociological insight from the persistent myths and exaggerations that color the women s legacies and she investigates the common roots and motivations of three remarkable figures who bucked the era s expectations for women She also considers how each woman s public identity reflected changing ideas of domesticity and the public sphere spirituality and legal rights and limitations Cannon Carroll and Tubman each in her own way passionately fought for the future of Maryland and the United States and from these unique vantage points *Moses and the Monster and Miss Anne* portrays the intersecting and conflicting forces of race economics and gender that threatened to rend a nation apart
