Mistress Of The Pearl:

Mistress of the Pearl Eric Van Lustbader, 2005-11-01 Kundala is Miina's world created by that Goddess with the help of the dragons But Miina is missing and her people have been enslaved by the alien V ornn Now a savior has come the Dar Sala at a messiah promised by prophecy yet unlike anyone's expectations within the body of a beautiful young woman is the mind and spirit of a unique Kundalan female who is joined in mystical partnership with the mind and spirit of Annon Ashera a V ornn male the last survivor of a noble family Together the two adolescents have matured and merged into a new joint identity Now their common destiny and Kundala's is in their own hands In Lustbader's richly imagined saga The Pearl magic and science clash on an epic scale As in the Midkemia novels of Raymond Feist the juxtaposition shows that neither is inherently good or evil It is the people using magic or science who give them meaning and Lustbader has created people you will never forget Riane the Dar Sala at Eleana the woman she loves twice over Kurgan the V ornn usurper who raped Eleana and sired her child Marethyn Stogggul Kurgan's defiant sister an artist who joins the Kundalan resistance Marethyn's lover chief trader Sornnn SaTrryn who secretly helps the resistance as well and the fabulous Krystren the Sarakkon woman from the mysterious southern continent who comes north on a secret mission and will change the lives of everyone she meets All the while the evil Sauromicians threaten the world as they seek to use banestones to bind a dragon With each new volume The Pearl has bloomed and ramified like a gorgeous flowering vine The Mistress of the Pearl is the best yet and those who have read the previous books will find new sources of excitement and enlightenment but this is also a great place to begin catching up with the series as the Pearl shines ever brighter At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
