The Mistressclass Michèle Roberts, 2003-09-10 Set in contemporary London and provincial France this is a story of past impulses and present day repercussions. The dead father haunts his son in real life Vinny haunts her sister and the whole novel is haunted by one the form's great early exponents Charlotte Bronte and her passionate search for creative fulfilment Women Writing the Neo-Victorian Novel Kathleen Renk, 2020-07-27 Women Writing the Neo Victorian Novel Erotic Victorians focuses on the work of British Irish and Commonwealth women writers such as A S Byatt Emma Donoghue Sarah Waters Helen Humphreys Margaret Atwood and Ahdaf Soueif among others and their attempts to re envision the erotic Kathleen Renk argues that women writers of the neo Victorian novel are far more philosophical in their approach to representing the erotic than male writers and draw more heavily on Victorian conventions that would proscribe the graphic depiction of sexual acts thus leaving more to the reader's imagination. This book addresses the following questions Why are women writers drawn to the neo Victorian genre and what does this reveal about the state of contemporary feminism How do classical and contemporary forms of the erotic play into the ways in which women writers address the Victorian woman question How exactly is the erotic used to underscore women s creative potential Mistressclass Michele Roberts, 2003 Adam is a writer struggling to come to terms with the death of his painter father Robert and his difficult marriage to Catherine Before he married Catherine he had been the lover of her sister Vinny The classic menage trois seems about to repeat itself when Adam discovers his wife s father was less innocent than he had thought Set mainly in contemporary London partly in France the action also harks back to the 1970 s The narrative evokes the style of the nineteenth century novelists and their themes desire guilt pleasure Pastoral landscapes alternate with those of the inner city and the past s interaction with the present is acted out by ghosts The dead father haunts his son in real life Vinny haunts her sister and the whole novel is haunted by one of its great earliest exponents Charlotte Bronte and her passionate search Biographical Fiction Michael Lackey, 2017-01-01 In recent years the biographical novel has become for creative fulfilment. one of the most dominant literary forms J M Coetzee Margaret Atwood Hilary Mantel Colum McCann Anne Enright Joyce Carol Oates Peter Carey Russell Banks and Julia Alvarez are just a few luminaries who have published stellar biographical novels But why did this genre come into being mainly in the 20th century Is it ethical to invent stories about an actual historical figure What is biofiction uniquely capable of signifying Why are so many prominent writers now authoring such works And why are they winning such major awards In Biographical Fiction A Reader some of the finest scholars and writers of biofiction clarify what led to the rise of this genre reflect on its nature and form and specify what it is uniquely capable of doing Combining primary and critical material this accessible reader will be invaluable to students teachers and scholars of biofiction Nations, Traditions and Cross-cultural Identities Annamaria Lamarra, Eleonora Federici, 2010 European Connections Studies in Comparative Literature Intermediality and Aesthetics is a peer reviewed series that focuses on the
