Complete Home Video Directory ,1988 **Romance and the Yellow Peril** Gina Marchetti,1994-02-15 Hollywood films
about Asians and interracial sexuality are the focus of Gina Marchetti s provocative new work While miscegenation might
seem an unlikely theme for Hollywood Marchetti shows how fantasy dramas of interracial rape lynching tragic love and
model marriage are powerfully evident in American cinema The author begins with a discussion of D W Griffith s Broken
Blossoms then considers later films such as Shanghai Express Madame Butterfly and the recurring geisha movies She also
includes some fascinating forgotten films that have been overlooked by critics until now Marchetti brings the theoretical
perspective of recent writing on race ethnicity and gender to her analyses of film and television and argues persuasively that
these media help to perpetuate social and racial inequality in America Noting how social norms and taboos have been
simultaneously set and broken by Hollywood filmmakers she discusses the orientalist tensions underlying the construction of
American cultural identity Her book will be certain to interest readers in film Asian women s and cultural studies *Man of*
Taste Rob King,2025-04-02 Radley Metzger was one of the foremost directors of adult film in America with credits including
softcore titles like The Lickerish Quartet and the hardcore classic The Opening of Misty Beethoven After getting his start
making arthouse trailers for Janus Films Metzger would go on to become among the most feted directors of the porno chic
era of the 1970s working under the pseudonym Henry Paris In the process he produced a body of work that exposed the
porous boundaries separating art cinema from adult film softcore from hardcore and good taste from bad Rob King uses
Metzger s work to explore what taste means and how it works tracing the evolution of the adult film industry and the
changing frontiers of cultural acceptability Man of Taste spans Metzger s entire life his early years in Manhattan s
Washington Heights neighborhood his attempt to bring arthouse aesthetics to adult film in the 1960s his turn to
pseudonymously directed hardcore movies in the 1970s and his final years which included making videos on homeopathic
medicine Metzger s career King argues sheds light on how the distinction between the erotic and the pornographic is drawn
and it offers an uncanny reflection of the ways American film culture transformed during these decades Lavishly illustrated
with rare photos and publicity images this book paints a vivid picture of a filmmaker who channeled his artistic aspirations
into some of the most disreputable movie genres of his day **Library of Congress Catalog** Library of Congress,1974-10 A
