Mithras The Fellow In The Cap:

Mithras Esmé Wynne-Tyson, 1972 **The Mysteries of Mithras** Payam Nabarz, 2005-06-09 The Mysteries of Mithras presents a revival of this ancient Roman mystery religion popular from the late second century B C Payam Nabarz reveals the history and tenets of Mithraism its connections to Christianity Islam and Freemasonry and the modern neo pagan practice of Mithraism today Included are seven of its initiatory rituals Paradise Rediscovered Michael A. Cahill, 2012 In a long forgotten era an age of slavery of glorious new scientific innovations revolutionary wonders warrior heroes Titans Druids and bards magicians dragons and serpents of angels and gods an age of immortality and sacrificial death of oppression exploitation social upheaval indeed the age of the catastrophic biblical flood and the fulcrum to social structure of the struggle for control of the closely guarded secret and eternal wisdom of the undying Holy Elect of Paradise in a long forgotten era a man just a mortal man may have escaped his death by usurping the power of the goddess and her people to his own ends in a political coup that changed his world and produced ours Join Dr Michael Cahill as he explores the origins of civilisation using information from history archaeology mythology linguistics geology astronomy and philosophy to learn more about who we are Paradise Rediscovered will challenge your intellect and spur your imagination as you journey with him to uncover secrets solve mysteries and consider the foundations that shaped our modern society and may yet change its face again Note This title is published as a two volume work in its physical edition and as a complete work in its digital editions *You Have Control* Steven Georgieff, 2022-05-09 You Have Control is a unique and highly personal memoir that delves into the author s most intimate and painful experiences and explores how they changed him with a view to freeing others from having to suffer a similar fate After a successful career as pilot and years of searching for true love he realized that the only way to find such a thing is to begin with yourself But first he had to endure a painful reckoning that included notably a near death experience The author equates much of his experience to the concept of the Matrix and the awakening that accompanies an alignment with the more enlightened option With this his once distressed soul enjoyed a spiritual awakening that left him with certain clairvoyant gifts Here is his account of the journey shared with the intention of helping others to enjoy the light without having to tolerate the darkness **The History of the Christian Church from the Earliest Times to A.D. 461** Frederick John Foakes-Jackson, 1924 **Romanising Oriental Gods** Jaime Alvar, 2008-07-31 The traditional grand narrative correlating the decline of Graeco Roman religion with the rise of Christianity has been under pressure for three decades This book argues that the alternative accounts now emerging significantly underestimate the role of three major cults of Cybele and Attis Isis and Serapis and Mithras Although their differences are plain these cults present sufficient common features to justify their being taken typologically as a group All were selective adaptations of much older cults of the Fertile Crescent It was their relative sophistication their combination of the imaginative power of unfamiliar myth with distinctive ritual performance and ethical seriousness that enabled them both to focus and to articulate a sense of the

autonomy of religion from the socio political order a sense they shared with Early Christianity The notion of mystery was central to their ability to navigate the Weberian shift from ritualist to ethical salvation

Mushrooms, Myth and Mithras Carl Ruck,2021-02-24 This illustrated book traces the history of an unlikely force in the shaping of Western civilization the use of psychedelic mushrooms namely by a secret society called the cult of Mithras Nero was the first emperor to be initiated by the group s magical dinners and most of his successors embraced the ritual as a source of spiritual transcendence The cult was officially banned after the Conversion but aspects of their rituals were assimilated or co opted by Christianity and the brotherhoods persist today as secret societies such as the Freemasons This is a fascinating exploration of a powerful force kept behind the scenes for thousands of years Embracing the Darkness John Callow,2017-10-30 As dusk fell on a misty evening in 1521 Martin Luther hiding from his enemies at Wartburg Castle found himself seemingly tormented by demons hurling walnuts at his bedroom window In a fit of rage the great reformer threw at the Devil the inkwell from which he was preparing his colossal translation of the Bible A belief like Luther s in the supernatural and in black magic has been central to European cultural life for 3000 years From the Salem witch trials to the macabre novels of Dennis Wheatley from the sadistic persecution of eccentric village women to the seductive sorceresses of TV s Charmed and from Derek Jarman s punk film Jubilee to Ken Russell s The Devils John Callow brings the twilight world of the witch mage and necromancer to vivid and fascinating life He takes us into a shadowy landscape where in an age before modern drugs the onset of sudden illness was readily explained by malevolent spellcasting And where dark winding country lanes could terrify by night as the hoot of an owl or shriek of a fox became the desolate cries of unseen spirits Witchcraft has profoundly shaped

the western imagination and endures in the forms of modern day Wicca and paganism Embracing the Darkness is an enthralling account of this fascinating aspect of the western cultural experience *Hidden Zodiac* Penelope Baird, 2007-04 Drawing together threads from an eclectic mix of sources both ancient and modern the storylines discussed in this volume explore the astrological design formulated by the Sumerian civilization This guidebook delves into the astrology based Wheelform design and relates other familiar epics including the tale of Odysseus Jesus betrayal trial and crucifixion and the mysterious Bayeux Tapestry to the 12 sections of this fundamental design for life inviting readers to examine their lives in terms of the 12 Wheelform sections **Introduction to the New Testament: History, culture, and religion of the**
