## **Mixed Messages Responding To Interracial Marriage:**

Love's Revolution Maria P. P. Root, 2001 When the Baby Boom generation was in college the last miscegenation laws were declared unconstitutional but interracial romances retained an aura of taboo Since 1960 the number of mixed race marriages has doubled every decade Today the trend toward intermarriage continues and the growing presence of interracial couples in the media on college campuses in the shopping malls and other public places draws little notice Love's Revolution traces the social changes that account for the growth of intermarriage as well as the lingering prejudices and false beliefs that oppress racially mixed families For this book author Maria P P Root a clinical psychologist interviewed some 200 people from a wide spectrum of racial and ethnic backgrounds Speaking out about their views and experiences these partners family members and children of mixed race marriages confirm that the barriers are gradually eroding but they also testify to the heartache caused by family opposition and disapproving strangers Root traces race prejudice to the various institutions that were structured to maintain white privilege but the heart of the book is her analysis of what happens when people of different races decide to marry Developing an analogy between families and types of businesses she shows how both positive and negative reactions to such marriages are largely a matter of shared concepts of family rather than individual feelings about race She probes into the identity issues that multiracial children confront and draws on her clinical experience to offer child rearing recommendations for multiracial families Root's Bill of Rights for Racially Mixed People is a document that at once empowers multiracial people and educates those who ominously ask What about the children Love's Revolution paints an optimistic but not idealized picture of contemporary relationships The Ten Truths about Interracial Marriage that close the book acknowledge that mixed race couples experience the same stresses as everyone else in addition to those arising from other people's prejudice or curiosity Their divorce rates are only slightly higher than those of single race couples which suggests that their success or failure at marriage is not necessarily a racial issue And that is a revolutionary idea Author note Maria P P Root Ph D is a clinical psychologist and past President of the Washington State Psychological Association

**Cross-cultural Marriages and the Church** J. Lawrence Driskill, 1995 **The Motives of Self-Sacrifice in Korean American Culture, Family, and Marriage** Chul Woo Son, 2014-01-24 The concept of self sacrifice is highly important to Korean Americans With hierarchy of age social status and gender defined roles taking primacy over equality and justice self sacrifice becomes instrumental in maintaining family and social relationships Unfortunately in family relationships sacrifice has more to do with submission and endurance than it does with sacrificial service that is redemptive and mutually beneficial When self sacrifice carries hidden motives coercive responsibility obligation shame guilt or one's reputation that self sacrifice is not self giving neither serving nor being of mutual benefit In this context it is important to explore the attitudes and motives of self sacrifice in Korean American families In unlocking and exploring the dynamics of the theology and practice of self sacrifice for Korean Americans this book explores cultural virtues

marital relationships gender inequality domestic violence and their theological implications The author introduces a new approach and model with a proposal for a healthier and a more judicious understanding of self sacrifice for Korean American family relationships The element of equal regard as pertaining to self sacrifice offers Korean Americans a refreshing hope in the perspective of familial relationships and a liberating casting off of culturally and religiously imposed burdens The Korean American family ought to be grounded on a love ethic of equal regard and place its value on mutuality self sacrifice and individual fulfillment When this is done sacrificial love can be understood as justly appropriated for both husbands and wives males and females and parents and children Thus Christian teaching and theology may deliver a more transparent message of true agape and its liberating effects for the marginalized especially women and children **Multiracial Child Resource**

**Book** Maria P. P. Root, Matt Kelley, 2003 *Black Men in Interracial Relationships* Kellina Craig-Henderson, 2017-07-28 Why is it that successful black men black men who are at the top of their game in the arts entertainment politics and athletics are four times as apt to be married to or dating a woman who is not an African American than they were only thirty years ago And why are twice as many black men involved in interracial relationships as black women In addition to their celebrity status which includes widespread popularity and wealth black men from Charles Barkley to James Earl Jones to Russell Simmons to Bryant Gumbel share something else in common something that also characterizes the experiences of more than 250 000 less well known black men in the United States They happen to be involved in interracial intimate relationships Less than fifty years ago such relationships were next to impossible leading to severe social sanctions The fact that this is no longer the case is concrete evidence of changes in the quality and character of contemporary race relations Drawing on her own observations and her examination of the responses of a small diverse group of black men who date in some cases exclusively have sexual relations with and marry women who are not of African descent the book provides insight into the continuing ways that race and ethnic status affect the choices people make in their lives Until this book though these types of relationships have received scant serious attention Craig Henderson forthrightly addresses the taboo interspersing analysis with verbatim accounts from black men involved in such relationships Grounded in serious research interviews and analysis of census data *Black Men in Interracial Relationships* examines why such relationships appear to be so popular among black male elites In the process the author unravels the mystery behind the apparent absence of black women in black men's lives It will be of interest to specialists in race gender family and sexual issues and appropriate for courses in these areas It is also highly readable and thought provoking for the general public who will find its observations and findings fascinating

**Clinical Issues with Interracial Couples** Volker Thomas, Joseph L. Wetchler, Terri Karis, 2014-02-25 Go beyond cookie cutter therapy and interventions to provide culturally relevant therapy that works for your clients in interracial relationships With this book you'll explore an array of relational issues faced by various configurations of interracial couples Then you'll learn specific intervention strategies for treating these couples in therapy The first section presents research and theoretical

chapters on issues faced by interracial couples who are heterosexual the second focuses on issues facing racially mixed gay and lesbian couples and the third provides you with specific interventions to use with couples in interracial relationships

**Clinical Issues with Interracial Couples Theories and Research** is an important addition to the collection of any therapist who counts an interracial couple among his or her clients From the editors Although interracial couples face challenges related to differences in their racial backgrounds couple and family theories have had little to say about how to work with these differences Not all couples are white married and heterosexual and there is a growing understanding that clinical practices based on these assumptions may not be adequate when working with interracial couples Recognizing the diversity of our clients the intent of this book is to contribute to more respectful and inclusive clinical practices that can address the treatment issues we face in the first decade of the twenty first century The first section of this book examines challenges faced by heterosexual interracial couples focusing on how black white couples experience and respond to racism and how they negotiate the racial and ethnic differences they face in their relationships the significance of race or lack of it in white women s relationships with black men with suggestions on how to create a therapeutic space for discussing race without over determining its significance marriages where one partner is of Latino a descent and the other of non Latino a white descent a pilot study of a rarely investigated population approaches interventions and strategies to use when treating multicultural Muslim couples Hawaii s unusual history of interracial ties and relationships the common challenges that face interracial couples there and therapeutic interventions that can benefit them The second section of **Clinical Issues with Interracial Couples** looks at the issues faced by same sex interracial couples Here is a sample of what you ll find clinical considerations for working with interracial intercultural lesbian couples pitfalls to avoid in therapy as well as suggestions for a conceptual approach for gay Latino men in cross cultural relationships The book s final section presents interventions for use with interracial couples Here you ll find assessment techniques and interventions geared toward black white couples information on doing effective therapy with Latino a white couples a case study of the therapeutic process as applied to an Asian American woman married to a white man seven therapists perspectives on working with interracial couples focusing on the historical context of intermarriage specific concerns and issues that interracial couples experience in their relationships and the experiences of therapists working with this diverse and challenging client population

**Mixed Messages** David L. Brunson, 2006 The experiences and voices of multiracial individuals are challenging current categories of race profoundly altering the meaning of racial identity and in the process changing the cultural fabric of the nation Exploring this new reality the authors of **Mixed Messages** examine what we know about multiracial identities and the implications of those identities for fundamental issues of justice and equality

**Hotbeds** Pia Thielmann, 2004 Inter racial relationships may be complicated by social attitudes and mind sets born in colonialism slavery or more modern invidious European or African racism or they may be challenged by differing expectations of cultural norms Drawing on theories of black American cultural criticism African

nationalism and gender analysis the critic Pia Thielmann analyses a range of novels from three continents which in different ways thematise the personal cultural and social aspects of relationships and which in a manner of respect are deemed to be crossing social boundaries      Mixed Messages Fred W. Prinzing, Anita Prinzing, 1991 While their goal is not to promote or condemn interracial marriage the authors believe that the subject of interracial marriage is one that must be addressed by society and by Christians in particular      *Prejudice and the People of God* A. Charles Ware, 1998      **How Real Is Race?** Carol C. Mukhopadhyay, Rosemary Henze, Yolanda T. Moses, 2013-12-11 How real is race What is biological fact what is fiction and where does culture enter What do we mean by a colorblind or postracial society or when we say that race is a social construction If race is an invention can we eliminate it This book now in its second edition employs an activity oriented approach to address these questions and engage readers in unraveling and rethinking the contradictory messages we so often hear about race The authors systematically cover the myth of race as biology and the reality of race as a cultural invention drawing on biocultural and cross cultural perspectives They then extend the discussion to hot button issues that arise in tandem with the concept of race such as educational inequalities slurs and racialized labels and interracial relationships In so doing they shed light on the intricate dynamic interplay among race culture and biology For an online supplement to *How Real Is Race* Second Edition click here      **Race Mixing** Renee Christine Romano, 2009-06-30 Marriage between blacks and whites is a longstanding and deeply ingrained taboo in American culture On the eve of World War II mixed race marriage was illegal in most states Yet sixty years later black white marriage is no longer illegal or a divisive political issue and the number of such couples and their mixed race children has risen dramatically Renee Romano explains how and why such marriages have gained acceptance and what this tells us about race relations in contemporary America The history of interracial marriage helps us understand the extent to which America has overcome its racist past and how much further we must go to achieve meaningful racial equality      Race Mixing Suzanne W. Jones, 2006-02-15 In the southern United States there remains a deep need among both black and white writers to examine the topic of race relations whether they grew up during segregation or belong to the younger generation that graduated from integrated schools In *Race Mixing* Suzanne Jones offers insightful and provocative readings of contemporary novels the work of a wide range of writers black and white established and emerging Their stories explore the possibilities of cross racial friendships examine the repressed history of interracial love reimagine the Civil Rights era through children's eyes herald the reemergence of the racially mixed character investigate acts of racial violence and interrogate both rural and urban racial dynamics Employing a dynamic model of the relationship between text and context Jones shows how more than thirty relevant writers including Madison Smartt Bell Larry Brown Bebe Moore Campbell Thulani Davis Ellen Douglas Ernest Gaines Josephine Humphreys Randall Kenan Reynolds Price Alice Walker and Tom Wolfe illuminate the complexities of the color line and the problems in defining racial identity today While an earlier generation of black and white southern writers challenged the mythic unity of

southern communities in order to lay bare racial divisions Jones finds in the novels of contemporary writers a challenge to the mythic sameness within racial communities and a broader definition of community and identity Closely reading these stories about race in America *Race Mixing* ultimately points to new ways of thinking about race relations We need these fictions Jones writes to help us imagine our way out of the social structures and mind sets that mythologize the past fragment individuals prejudice people and divide communities

**New Faces in a Changing America** Loretta I. Winters, Herman L. DeBose, 2003 *New Faces in a Changing America* is a comprehensive penetrating authoritative and provocative examination of what it means to be multiracial in this country With contributions by the leading thinkers activists and researchers on the subject it admirably links theory and the powerful lived experiences of mixed race people This book will be the most important reference source on the subject for many years James P Allen California State University Northridge Not since the work of Root has there been as important of an anthology as *New Faces in a Changing America* This book explores the reality of multiracial people from a variety of theoretical and conceptual perspectives It is a must read for anybody who want to understand the multiracial movement and the multiracial people who lead that movement Any teacher who wants to introduce the concept of multiraciality to his her class must also have this book Winters and Debose are to be commended for putting together this first rate academic examination of an important social phenomenon George Yancey University of North Texas How multiracial people identify themselves can have major consequences on their positions in their families communities and society Even the U S Census has recognized the rapidly increasing numbers of those who consider themselves multiracial adding a new racial category to the 2000 Census form two or more races *New Faces in a Changing America* *Multiracial Identity in the 21st Century* examines the multiracial experience its history and the political issues and consequences surrounding biracial and multiracial identity bringing together top names in the field to give readers cutting edge views and insights gained from contemporary research This important new text follows the trail blazed by Maria Root who contributes its opening chapter An introduction places the issues of multiracial identity into context via a discussion of U S Census data and debates providing an overview of the varied readings to come covering such topics as Race as a social rather than biological construction The Multiracial Movement Racial Ethnic Groups in America and Beyond Race Gender human service professionals including psychologists counselors social workers and school personnel and importantly multiracial individuals themselves

*Beyond Loving* Amy C. Steinbugler, 2012-09-06 In this book Amy Steinbugler challenges the widespread assumption that interracial intimacy represents the ultimate erasure of racial differences She finds that while interracial partners may be more racially progressive they are not necessarily enlightened subjects who have managed to get beyond race *Beyond Loving* adeptly examines how interracial couples experience race in their everyday lives and how they engage one another to address fundamental questions about the significance of race in contemporary life

Diversity in U.S. Mass Media Catherine A. Luther, Carolyn Ringer Lepre, Naeemah Clark, 2017-09-12 An updated edition of

the comprehensive resource that covers the various areas associated with representations of diversity within the mass media. The second edition of *Diversity in U S Mass Media* presents a review of the evolution and the many issues surrounding portrayals of social groups in the mass media of the United States. Unfortunately, all too often, mass media depictions play a crucial role in shaping our views about individuals and social groups. Filled with instructive insights into the ways social groups are represented through the mass media, *Diversity in U S Mass Media* offers a better understanding of groups and individuals different from ourselves. The revised second edition is filled with recent illustrative examples from the media. Comprehensive in scope, the authors address a wide range of issues that include representations of race, ethnicity, gender, sexual orientation, disability, class, and religion in films, television, and the press. The authors encourage readers to question what is being presented and explore the extent to which they agree with the perspectives that are described. *Diversity in U S Mass Media* is an important resource that offers an understanding of how various social groups are being represented in the mass media. Explores how diverse communities inform and intersect with one another. Draws on updated studies on the topic and presents original research and observations. Includes new chapters on media portrayals of mixed race relationships and multiracial, multiethnic people, and representations of religion and faith. Accompanied by a companion website for instructors including many useful pedagogical tools such as a test bank, viewing list, exercises, and sample syllabi. Revised and updated, the second edition of *Diversity in U S Mass Media* offers a broad perspective on the myriad issues that influence how the media portrays social groups. Throughout the text, the authors show consistencies as well as differences in media representations of minority groups in the United States.

**Counseling the Culturally Diverse** Derald Wing Sue, David Sue, Helen A. Neville, Laura Smith, 2022-03-22. The most up to date edition of a critically acclaimed and widely read cross cultural counseling resource. In the newly revised Ninth Edition of *Counseling the Culturally Diverse: Theory and Practice*, a team of veteran practitioners delivers an up to date and comprehensive exploration of multicultural counseling, combining the most recent research and theoretical concepts in the field. The book examines concepts like cultural humility, the role of white allies in multicultural counseling, social justice counseling, minority stress, and microaggressions. Readers will also find expansive discussions on the implications of numerous subjects for real world clinical practice. Reflection and Discussion Questions that encourage reader engagement, learning, and retention with the concepts discussed within. Access to an instructor's website that provides PowerPoint decks, exam questions, sample syllabi, and links to other valuable resources. Perfectly suited to researchers and practitioners who work in or study mental health and interact with a racially, ethnically, culturally, or socio-demographically diverse population. *Counseling the Culturally Diverse: Theory and Practice* also belongs in the libraries of social workers and psychiatrists.

*Raising Biracial Children* Kerry Ann Rockquemore, Tracey A. Laszloffy, 2005-11-10. As the multiracial population in the United States continues to rise, new models for our understanding of mixed race children and how their conception of racial identity must be developed. A wide divide between academics who

research biracial identity and the everyday world of parents and practitioners who raise and deal with mixed race children exists This book aims to fill this gap by providing an extensive synthesis of the existing research in the field as well as a model for better understanding the unique process of racial identity development for mixed race children *Raising Biracial Children* provides parents educators social workers and anyone interested in multiracial issues with an accessible framework for understanding healthy mixed race identity development and to translate those findings into practical care giving strategies *Advances in Experimental Social Psychology*, 2017-01-13 *Advances in Experimental Social Psychology* Volume 55 the latest release in this highly cited series in the field contains contributions of major empirical and theoretical interest that represent the best and brightest in new research theory and practice in social psychology This serial is part of the Social Sciences package on ScienceDirect and is available online beginning with volume 32 onward Provides one of the most sought after and cited series in the field of experimental social psychology Contains contributions of major empirical and theoretical interest Represents the best and the brightest in new research theory and practice in social psychology *Mixed Matches* June Duncan Owen, 2002 Reveals the impact of interracial marriage on Australian society and shows how Australian society has changed over time with the great majority of Australians now accepting mixed unions when once they were not only rare but provoked hostility and hate
