Mixing God with Money Dennis O. Tongoi, 2001 The Cape Town Commitment: A Confession of Faith, A Call to Action Darrell L. Bock, 2013-06-14 The Cape Town Commitment which arose from The Third Lausanne Congress on World Evangelization Cape Town 2010 stands in the historic line of The Lausanne Covenant 1974 and The Manila Manifesto 1989 It has been translated into twenty five languages and has commanded wide acceptance around the world The Commitment is set in two parts Part 1 is a Confession of Faith crafted in the language of covenantal love Part 2 is a Call to Action The local church mission agencies special interest groups and Christians in the professions are all urged to find their place in its outworking This annotated bibliography of The Cape Town Commitment arranged by topic has been compiled by specialists in a range of fields As such it is the first bibliography of its kind Arranged in sections for graduate level teaching Equally useful for research students

Neo-Pentecostalism Nelson Kalombo Ngoy, 2019-05-23 For centuries Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa Moreover its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in la mission civilisatrice mission to civilize However since the 1980s Neo Pentecostalism is increasingly reshaping the Congolese Christendom It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self theologizing informed by a lack of literal contextual translation effects This book argues that the prosperity gospel bankrupts its adherents in this case the vulnerable impoverished sections of Sub Saharan Africa and particularly the Postcolonial Congo and instead offers a balanced theological reflection that broadens Neo Pentecostal studies with an African voice encouraging the rewriting and rereading of the story of redemptive mission The research engages a paradigm shift within global missions and world Christianity or the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural baggage which affects how the Congolese interpret the Bible the interpreter has to be neutral and experience the voice of Christ in the text instead of the voice of Congolese culture they must be a prophetic voice to reconstruct the authentic meaning of the salvific story

In Search of Health and Wealth Hermen Kroesbergen, 2014-01-07 The prosperity gospel is very influential in Africa in Pentecostal churches and in Reformed churches But what is the prosperity gospel Where did it originate Is it biblically sound How should we evaluate the prosperity gospel Does it represent a wrong way of looking for health and wealth or can we learn something from it In this book the authors provide an analysis from different perspectives on the highly debated topic of the prosperity gospel It is intended to be accessible and helpful both to academic colleagues and to ordinary ministers Most of the authors are lecturers at Justo Mwale Theological University College in Lusaka Zambia Together with Prof L Togarasei from the University of Botswana they use their theological skills to examine and assess this important topic from

an African and Reformed perspective The articles in this book will help anyone who wants to deeply explore and evaluate the intriguing phenomenon of the prosperity gospel in Africa Missional Conversations Cathy Ross,Colin Smith,2018-10-30

Missional Conversations introduces the reader to key themes in contemporary mission through global conversations between theory and praxis Exploring emergent themes in missiology the book takes the form of a conversation between reflective practitioners both those in academia and with those who are practically engaged With contributions from Dave Bookless Amy Ross Daniel G Groody CSC Amy Roche Mark Poulson Richard Sudworth David Barclay Ash Barker Stephan de Beer Elisa Padilla Berdine van den Toren Lekkerkerker Andrea Campanale Michael Moynagh Kyama Mugambi Harvey Kwiyani Dennis Tongoi Paul Bickley Jonny Baker Ric Stott Ian Adams *Accessions List of the Library of Congress Office, Nairobi, Kenya* Library of Congress.
