## **Mixing With Murder:**

Mixing Up Murder Emmie Lyn, 2025-05-01 Murder wasn't supposed to be on the menu at the Little Dog Diner but that's exactly what we got served anyway. Hi I'm Dani Mackenzie and I'm the unfortunate soul who owns said diner. Looks like business is going to be slow for a little while as the whole town scrambles to find whodunnit. At first I just needed something to keep me busy while on my forced vacation but now as the clues stack up I'm caught in the middle of this crazy mixed up murder. And I'll do anything to get to the bottom of what really happened and why it happened in my kitchen. Too bad the only known witness to the crime is the victim's terrier Pip and no one believes she bludgeoned her owner to death. But if not her then who? And perhaps more importantly who's next?

**Mixing with Murder** Ann Granger, 2005 Mickey Allerton has a problem. The best dancer at his night club has deserted him and he wants her back. Which means amateur sleuth Fran Varady has a problem too. Unless she agrees to find Lisa Fran's dog Bonnie will be for it courtesy of one of Mickey's bouncers. Following Lisa's trail to Oxford Fran stumbles on a floating corpse. Suddenly she's got the full attention of the Thames Valley police. They want to know why she's been sneaking around. When Fran meets Lisa she realises there's more to her disappearance than Mickey let on and decides to help her. But Fran's got herself mixed up in something dangerous and if she doesn't want to end up in a watery grave she'd better watch her back.

A Treatise on the Criminal Law of the United States Francis Wharton, 1874 **Precedents of Indictments and Pleas** Francis Wharton, 1871 Precedents of Indictments and Pleas, Adapted to the Use Both of the Courts of the United States and Those of All the Several States Francis Wharton, 1857 **Revolutionary Emotions in Cold War Egypt**

Christiane-Marie Abu Sarah, 2024-04-04 In autumn 1951 a diverse array of Muslim, Christian and Jewish students from clubs like the Muslim Brotherhood and the Worker's Vanguard launched a guerrilla struggle against British occupation of the Suez Canal Zone. **Revolutionary Emotions in Cold War Egypt** recovers this overshadowed revolution of 1951 and the part played by the Canal struggle in the overthrow of the Egyptian monarchy. In a study spanning a half dozen international archives the book delves into the divisive court cases and rousing club newspapers, intimate memoirs and personal poetry of Egyptian activists. These documents reveal that in the early years of the Cold War morality tales and moral emotions were at the heart of the methods and the successes of Egyptian activists. What stories did activists tell and how did the emotional appeals and moral talk of Islamist and communist clubs compare? How did Arabic speaking populations negotiate moral norms and what role did emotions like love, anger and disgust play in political campaigns? Taking a journey through Islamic parables about perilous beaches, communist adaptations of Greek myths and popular stories about Juha's Nail and Paul Revere's Ride through the Suez Canal, this book uncovers a rich history of activist storytelling. These practices uncover the mechanics of morality tales and reveal how activists used narratives to convert emotion to motion and drive social change. Still vitally

important for readers today such findings shed light on how paramilitary groups and protest movements use moral appeals to attract support and why activist campaigns become the controversial epicentre of polarizing emotional battles
