Mo A Womens View Of Watergate:

The Truth About Watergate Nick Bryant, 2024-02-22 A delusion is a strong belief or conviction despite superior evidence to the contrary The Watergate delusion embraced by millions is that swashbuckling Bob Woodward and the left confronted the malevolent Nixon administration as it cast a sinister pall over America and slayed it with the lance of truth thereby saving democracy But the actual evidence demonstrates that Watergate was not a shining example of democracy and Bob Woodward's place among the pantheon of journalistic immortals is a grift One of the grand deceptions of Watergate is that Nixon's enemies on the left razed his presidency but it was actually his enemies on the right the far right who initially had the means motive and opportunity And although Bob Woodward and Carl Bernstein told numerous lies throughout their Watergate reporting Woodward's Big Lie was that he didn't meet Alexander Haig until 1973 As *The Truth About Watergate* takes the reader on a guided tour of the extraordinary lies and liars of Watergate it demonstrates that Woodward's fabrication about Haig has seismic implications If Woodward's Big Lie about Haig had been exposed then the synergistic mythologies of Bob Woodward and Deep Throat would have been shattered and swept away by gusts of veracity The Washington Post has scorned prior Watergate revisionist books like *Silent Coup* The Removal of a President as a conspiracy theory but *The Truth About Watergate* shows The Washington Post has fervent utilitarian motives for banishing *Silent Coup* to the conspiracy theory ghetto

Silent Coup Len Colodny, 2015-09-22 This is the true story of betrayal at the nation's highest level Unfolding with the suspenseful pace of a Le Carré spy thriller it reveals the personal motives and secret political goals that combined to cause the Watergate break in and destroy Richard Nixon Investigator Len Colodny and journalist Robert Gettlin relentlessly pursued the people who brought down the president Their revelations shocked the world and forever changed our understanding of politics of journalism and of Washington behind closed doors Dismantling decades of lies *Silent Coup* tells the truth

[Tricky Dick](#) Roger Stone, 2017-07-11 Finally there is awarts and all biography of the most enduring American politician of the 20th century Richard Milhous Nixon written by an author with unprecedented access and insight about our 37th President New York Times Bestselling Author Roger Stone Stone and his co author award winning Investigative reporter Michael Colapietro look at the totality of Nixon's entire career utilizing stunning new information either suppressed or unknown by the mainstream media of the time *Tricky Dick* includes new and never before published documentation that the CIA infiltrated the original Watergate burglary team in order to purposely botch the break in that White House Counsel John Dean consistently lied about his true role in planning execution and cover up of the Watergate break lying to Nixon about White House involvement for nine months and concealing ties between Dean and his wife and a high priced call girl ring utilized by the

Democratic National Committee to entertain visiting Democrat dignitaries Building on the blockbuster revelations of Roger Stone's previous book on the Nixon's presidency *Nixon's Secrets* the longtime Nixon intimate and his co author have added shocking new material that proves that the Watergate Special Prosecutor met secretly repeatedly and illegally with Watergate Trial Judge John Sirica in a successful effort to railroad Nixon and rig any appeal to a higher court Stone and his co author Colapietro trace Nixon's meteoric climb from his first race for the House in 1947 his dogged pursuit of Soviet spy Alger Hiss classified Russian documents released after the fall of the Soviet Union prove Hiss was indeed a KGB Spy Nixon's bruising campaign for the US Senate in 1950 his improbable selection by General Dwight D Eisenhower to be vice president only six years after his election to Congress the triumphs and humiliations of his vice presidential years and his razor thin loss of the presidency to John F Kennedy in 1960 *Tricky Dick: The Rise and Fall and Rise of Richard M Nixon* proves in intricate detail how the 1960 election was stolen from a surging Nixon detailing voter fraud in both Texas and Illinois to a degree heretofore undocumented by political scientists and covered only by the New York Herald Tribune at the time These New York Times bestselling authors also detail Nixon's reinvention of himself as *The New Nixon* and *The greatest single come back in American history* which resulted in Nixon's triumphant election as president in 1968 *Tricky Dick* also dissects the military industrial complex unhappiness with Nixon's end to the war in Vietnam his historic strategic arms limitation agreement with the Soviets and his opening to China and the resultant plot to bring Nixon down in the scandal known today as Watergate

Leatherface vs. Tricky Dick Martin Harris, 2021-08-09 The Watergate scandal was a horror show What better way to satirize it than with a horror movie Tobe Hooper's *The Texas Chain Saw Massacre* premiered in October 1974 mere weeks after the resignation and pardon of Richard Nixon brought an uncertain end to the most corrupt and criminal presidency in American history The film had been conceived written shot edited and produced precisely as Watergate was playing out and those responsible for *Chain Saw* unhesitatingly spoke of the horrors of contemporary politics as having directly inspired the ones they created for the film *Leatherface vs Tricky Dick* presents a fascinating minute by minute exploration of the many uncanny connections between *The Texas Chain Saw Massacre* and Watergate as well as other ways the film comments on contemporary politics via satire and very dark humor Read and discover *Chain Saw's* response to the White House horrors the *Saturday Night Massacre* and more as well as how *Leatherface's* masks relate to all those Nixon masks worn throughout our long national nightmare

Conservatives Without Conscience John W. Dean, 2006-07-11 On the heels of his national bestseller Worse Than Watergate John Dean takes a critical look at the current conservative movement In *Conservatives Without Conscience* John Dean places the conservative movement's inner circle of leaders in the Republican Party under scrutiny Dean finds their policies and mind set to be fundamentally authoritarian and as such a danger to democracy By examining the legacies of such old line conservatives as J Edgar Hoover Spiro Agnew and Phyllis Schlafly and of such current figures as Dick Cheney Newt Gingrich and leaders of the Religious Right Dean presents an alarming record of abuses of power His trenchant analysis of how conservatism has lost its bearings serves as a chilling warning and a stirring inspiration to safeguard constitutional principles
