Travel Guide star ratings are a 45 year old consumer advocacy concept originally developed following the introduction of the
interstate highway system The goal of the Guide is not to identify and rate every property in the country but to recommend
only the best in each category ones that we would send our customers to We look at the stars from a consumer s point of
view rating lodgings and restaurants across North America from the perspective of the average traveler The Guides feature
new enhanced descriptions for 2004 Listings include lodgings restaurants attractions and events in established travel
destinations as well as cities and towns on the way to established travel destinations Our new easy to use format makes the
Guides even more indispensable to travelers Each regional guide is organized alphabetically by state with introductory
information about the state followed by city listings in alphabetical order For each city the guide lists sites and attractions
lodgings and then restaurants One of the features that sets the Mobil Travel Guide apart from its competitors is its
proprietary Mobil star rating system Forty five plus years of publishing experience and the oldest non biased rating system in
North America make the Mobil Travel Guide series a must have for travelers wanting up to date ratings of hotels and
restaurants **Union List of Serials of the California State University** California State University,1991
