**Crazy Little Thing** Liz Langley, 2011-12-01 Crazy Little Thing is a look at why we want to be in love and the burbling boiling soup of endorphins hormones and neurotransmitters that spill from our brain to make us do things that would otherwise be viewed as insane Investigative journalist Liz Langley traveled the country to research and interview singularly love mad folks who maimed murdered and married Langley reveals the science of love and lust as well as very human stories a spouse who can't stop loving her criminally psychotic husband even after he threw acid in her face the sweet romance between alligator skinned sideshow performers and a man whose neurons drive his necrophilia Langley reveals the control our chemicals have over us in a hilarious confounding and too strange to be anything but true look at love **Female Brain Gone Insane** Mia Lundin, 2009-10 Four Steps to Sanity No Doctors No Antidepressants No Fuss Are you one of the millions of women who feels like there is a giant boulder strapped to your back You are exhausted but can't sleep You find absolutely no joy in anything you do or in the people around you You are forgetful and easily confused You are overwhelmed anxious and emotionally bankrupt In general you feel like crap Your doctor has told you it's all in your head and you feel like you are going insane Mia Lundin has heard all of this before and knows exactly how to help She has treated and cured more than 3 000 women of all ages and stages of life who felt like they were losing it and who were initially misdiagnosed and prescribed pointless antidepressants or one size fits all HRT by busy doctors After considering the whole woman and the lifestyle she lives Mia revealed the culprit in almost all of her cases to be a combination of brain chemistry and hormone imbalance Never a standardized solution Female Brain Gone Insane is the first book to tackle the emotional symptoms and issues associated with hormone and brain chemistry imbalances while giving you the same wisdom advice and results that Mia offers her patients through her private practice The easiest and most compassionate program you'll ever find Female Brain Gone Insane will guide you step by step through the scary maze of self doubt and fear You will learn how to listen to and identify your own symptoms to get started on your emotional rescue plan and take action toward sanity right now *America the Anxious* Ruth Whippman, 2016-10-04 NAMED ONE OF THE 40 BEST BOOKS BY THE NEW YORK POST A New York Times Editor's Choice pick Ruth Whippman is my new favorite cultural critic a shrewd hilarious analysis Adam Grant New York Times bestselling author of Give and Take Originals and Option B coauthored with Sheryl Sandberg I don't think I've enjoyed cultural observations this much since David Foster Wallace's A Supposedly Fun Thing I'll Never Do Again Reading this book is like touring America with a scary smart friend who can't stop elbowing you in the ribs and saying Are you seeing what I'm seeing If you want to understand why our culture incites pure dread and alienation in so many of us often without always recognizing it read this book Heather Havrilesky writer behind Ask Polly for New York Magazine and nationally bestselling author of How to Be a Person in the World Are you happy Right now Happy enough As happy as everyone else Could you be happier if you tried harder After she packed up her British worldview that most things were basically rubbish and moved to

American journalist and documentary filmmaker Ruth Whippman found herself increasingly perplexed by the American obsession with one topic above all others happiness The subject came up everywhere at the playground swings at the meat counter in the supermarket and even legs in stirrups at the gynecologist The omnipresence of these happiness conversations trading tips humble bragging successes offering unsolicited advice wouldn't let her go and so Ruth did some digging What she found was a paradox despite the fact that Americans spend more time and money in search of happiness than any other nation on earth research shows that the United States is one of the least contented most anxious countries in the developed world Stoked by a multi billion dollar happiness industrial complex intent on selling the promise of bliss America appeared to be driving itself crazy in pursuit of contentment So Ruth set out to get to the bottom of this contradiction embarking on an uproarious pilgrimage to investigate how this national obsession infiltrates all areas of life from religion to parenting the workplace to academia She attends a controversial self help course that promises total transformation where she learns all her problems are all her own fault visits a happiness city in the Nevada desert and explores why it has one of the highest suicide rates in America delves into the darker truths behind the influential academic positive psychology movement and ventures to Utah to spend time with the Mormons officially America's happiest people What she finds ultimately and presents in America the Anxious is a rigorously researched yet universal answer and one that comes absolutely free of charge **A**

**Memoir In 65 Postcards & The Recovery Diaries** Eleanor Anstruther, 2024-06-10 Inspired by Julia Cameron's classic The Artist's Way Eleanor set out on a project to write every morning and crucially to publish it on Substack that same morning a commitment to press the button as soon as she'd finished and before she had time to regret it She set rules she'd do no forward planning she'd tell whatever story came to mind the writing would take no longer than an hour the reading of it no longer than a minute What came was A Memoir In 65 Postcards the personal story that had been knocking about her system for well over twenty years Questions were answered and a puzzle was put together Using the same rules of engagement its follow up The Recovery Diaries became a deeper exploration of what emerged and how she is now With humour and honesty from a pagan commune to sobriety this collection of essays and stories form a unique exploration of wealth survival the questions that haunt us and what makes us human It's you and me It's where our worlds collide *Dirty Secrets That I*

the impact and influence of American television in Egypt Based on personal and small group interviews and research from 2004 2006 the work includes ways that Egyptian women view the influence of American television in their daily lives as well as showing ways that Egyptians use the media to develop their ideas about Americans Using the sitcom Friends as a focal point the study probes commonalities about humor between Egyptian and American women that make Friends particularly appealing as an international text Additionally using an ethnographic approach the research examines relevant social trends in employment relationships and the economy It celebrates a diversity of opinions among Egyptian women and gives voice to those who want to share their views with others internationally and who have a strong tie to their own culture and heritage

Save Me From My Cell Phone Rodney L. Sharp, 2011-02-20 Claiming freedom of speech is every American's right however I am drawing the line in the sand when you are abusing the people around you in restaurants malls super markets etc by cursing and using loud obnoxious language while using your cell phone This behavior may well become a legal matter that the courts and lawmakers will have to decide cell phone abuse Until then Save Me from My Cell Phone paints a very unflattering picture of the people who push the limits of freedom of speech using their cell phones in public If it was only morons with bad tempers and bad language we might be able to put up with it Operating cars and putting lives in danger is another issue all together Most people realize the power of the cell phone and use it with some restraint This book is for all of the other idiots who need to learn how
