Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world if it is our assurance that we can know the world and God its creator we need confidence that we can understand this Word Reading and applying the Bible is essential to every facet of Christian life and ministry yet our ability to do so is under attack from a myriad of directions In Postmodern philosophy the possibility of communication is dismissed let alone communication from God In Biblical studies the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day However the Bible is not so pessimistic about its accessibility Instead it presents itself as a clear word sufficient to guide and encourage Christians in every area of life Beginning with the Bible's own claims to clarity and sufficiency The Gift of Reading Part 1 outlines the practice of reading the Bible in order to understand and apply it The Gift of Reading Part 2 will go further into the theory that lies beneath the methodology unpacked in Part 1      *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1893      *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1894      **List No. 7: Foreign Language Area Studies and Other Aspects of International Education** United States.
