Muslim And Christian Reflections On Peace Divine And Human Dimensions:

Muslim and Christian Reflections on Peace John Dudley Woodberry, Osman Zümrüt, Mustafa Köylü, 2005 When Muslim and Christian scholars met in 2001 in Samsun Turkey for a symposium on inter religious dialogue as a contribution to world peace little did they know that September 11th was less than three months away The events of that tragic day underline the urgency of such dialogue As conflicts surfaced in Afghanistan Palestine Israel Kashmir Pakistan Chechnya and Iraq the need to understand the underlying issues of the conflict became evident The papers found in found in Muslim and Christian Reflections on Peace explore how people of diverse faiths can communicate despite discord on issues of truth and justice These Christian and Muslim reflections from the symposium in Turkey which straddles East and West are an attempt to explore some of these issues Contemporary Muslim and Christian Responses to Religious Plurality Lewis E

Winkler, 2012-04-26 In our rapidly changing and progressively globalized world Christians and Muslims are faced with the prospect of directly encountering and responding to people of other faiths and cultures This has pushed us all to address the vital question of how best to live with work beside and love one another as fellow citizens of our planet Using resources from Christian theologian Wolfhart Pannenberg Muslim ethicist Abdulaziz Sachedina and several others Winkler argues that we must continually dialogue with one another not only about the beliefs and practices held in common between us but also about the ways in which we are distinctively different Only then can we take the opportunity more comprehensively to understand appreciate and cooperate with each other to build just moral and cohesive communities of hope in our often uncertain and unsettling times The Cross of Christ W. Richard Oakes Jr., 2020-10-06 The Cross of Christ Islamic

Perspectives takes an in depth look at all of the classical Muslim scholars considered to have affirmed Jesus crucifixion Each chapter provides the important historical and intellectual context for the commentators As well critical new translations of key texts are provided offering important access to vital documents The author argues that rather than affirming the historicity of the crucifixion the Isma ilis tend to assume its historicity in order to advance important Isma ili doctrines The author also contends that the commentators who explored ways to affirm the crucifixion nonetheless made extensive use of traditional substitution legends that deny the crucifixion In order to orient the reader the book starts by introducing the reader to the Jesus of the Qur an It then compares Him to the Jesus of the New Testament and the Jesus of para biblical literature Upon this Qur anic skeleton the author layers a myriad of details found in seventeen works of classic Islamic literature so that a truly unique authentic and authoritative Jesus of Islam emerges **Memikir-ulang Tradisi untuk**

Pembaharuan Azhar Ibrahim, Buku ini melewati semula agenda pembaharuan dengan menelesuri tradisi yang tercerah yang tersudut dalam sejarah serta harus dapat dikembalikan peranannya tanpa pula kita terjebak meromantikannya yang mengidamkan pulang ke tradisi semata mata sebagai jalan keluar dari segala kemelut dan permasalahan yang kita hadapi Pembaharuan akan bisa berakar sekiranya tampil di kalangan agamawan dan aktivis santri yang bukan sahaja teryakin dari

gagasan reformis tetapi juga datang dari sekelompok tradisional yang tercerah Yang terakhir ini dapat membedakan peranan tradisi yang dinamis sifatnya sebagai gerak nilai dan budaya yang mampu menawarkan nilai nilai ulung dan universal sepanjang perjalanan sejarah tanpa terikat dengan pola pemikiran sesuatu zaman Yang paling jelas pembaharuan tradisi agama akan terbantut selagi agama tidak bergerak dalam ranah yang bebas yakni dibelenggu dengan hegemoni konservatisme yang pantang mendengar ungkapan baru yang tidak selari dengan ideologi mereka ataupun wacana itu sendiri senang dikotak katikkan oleh pihak berwewenang yang lebih cenderung untuk memaksakan fahaman dominan ke atas semua atas nama mengekalkan kemurniaan dan kepersatuan agama dan jemaahnya

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Kraft, 2005 Seldom are we able to listen to the story of a school that has so greatly impacted world mission As we contemplated how to record the first forty years of the School of World Mission now School of Intercultural Studies it was obvious that the best way was to capture the memory of one who lived it While many of our faculty can claim deep root in the school no one compares to Chuck Kraft who apart from the first four years has been a vital part of every development C Douglas McConnell Dean School of Intercultural Studies Islam, Peace and Social Justice A Christian van Gorder, 2014-05-29 Islam Peace and Social Justice examines the ways in which Islamic cultures have dealt with issues of social justice historically and culturally With unwavering objectivity the author helps readers of any faith to gain a nuanced and accurate understanding of the challenges that we face in contemporary multifaith engagements Dr van Gorder offers a comprehensive and sympathetic Christian insight into Islam The contentious issues of social justice that are encountered in this broad yet intricate study include the concept of Jihad poverty political oppression human rights genocide racism sexual injustice homophobia and environmental degradation The challenges are real and the problems are vast partnerships and solutions must be found people of faith Muslim Jewish and Christian must find ways to work together to address these shared challenges This work exposes misrepresentations and stereotypes about Islamic views of social justice that abound in Europe and North America The author encourages a deeper appreciation of how themes of social justice resound through Islamic texts and have been expressed both in the contemporary and historical life of various and diverse Islamic communities worldwide
